The Complete Book of Numerology

Orient Paperbacks

The Super-Afrikaners, originally published in South Africa in 1978, scandalised a nation as it exposed the secret workings of a powerful Afrikaner organisation called the Broederbond. Out of print for over three decades, this new edition is available for a new generation and includes an introduction by Max du Preez. Formed in Johannesburg in 1918 by a group of young Afrikaners disillusioned by their role as dispossessed people in their own country, the first triumph of this remarkable organisation was the fact that it was largely responsible for welding together dissident factions within Afrikanerdom and thereby ensuring the accession of the National Party to power in 1948. This highly organised clique of Super-Afrikaners, by sophisticated political intrigue, waged a remarkable campaign to harness political, social and economic forces in

South Africa to its cause ... and succeeded. Political journalists Hans Strydom and Ivor Wilkins traced, at great personal risk, its development from its earliest days. The book includes the most comprehensive list of Broeders ever published.

Chaldean Numerology could answer all of the questions you might have about your life's path. Numbers and Names and the date of our birth have profound effect upon our life's. All these things are not accidental and everything happens at the precise time, as the Universe is choreographed to perfection. Cheiro was a well known clairvoyant in his time, will show you the mysteries of numbers according to the Chaldean Numerology. As mentioned in his memoirs, Cheiro

acquired his expertise in India. As a teenager, he traveled to the Bombay port of Apollo Bunder. There, he met his Guru, an Indian Brahmin, who took him to his village in the valley of the Konkan region of Maharashtra. Later Cheiro was permitted by Brahmans to study an ancient book that has many studies on hands; the pages of the book were made of human skin and written with gold and it is still guarded and protected with great care. After studying thoroughly for two years, he returned to London and started his career as a palmist. He had a wide following of famous European and American clients during the late 19th and early 20th centuries. He read palms and told the fortunes of famous celebrities like Mark Twain, W. T. Stead, Sarah Bernhardt, Mata Hari, Oscar Wilde, Grover Cleveland, Thomas Edison, the Prince of Wales, General Kitchener, William Ewart Gladstone, and Joseph Chamberlain. He documented his sittings with these clients by asking them to sign a guest book he kept for the purpose, in which he encouraged them to comment on their experiences as subjects of his character analyses and predictions. Of the Prince of Wales, he wrote that "I would not be surprised if he did not give up everything, including his right to be crowned, for the woman he loved." Cheiro also predicted that the Jews would return to Palestine and the country would again be called Israel.
