Comparative Study Bible GENERAL PRESS

Life is painful. Everyone's story comes with unique challenges, difficulties,

bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials

and troubles. There is hope for the hurting: His name is Jesus.

An important theme in A.W. Tozer's ministry was the subject of God's will for each of our lives. He wrestled with it from the time he was a new Christian until the day he passed into eternity. Throughout *A Cloud by Day, A Fire by Night* - he discusses the battles

Christians face almost every day. He frames these battles as taking place in Canaan, as he calls it - the land of promise where we are living today. Tozer could look at something so negative and find positives from a spiritual point of view. So much in life can bring us to that point of discouragement where all we want to do is quit, especially when God's will for us is unclear. This book is about more than finding God's will for your next step or decision in life—it is about following His will to the end. With only our human resources, following God would be impossible. But when we cross that line into the deeper life, we enter into the grace of God that enables us to do His will.
