planning. Original.

The Finish Rich Plan for Financial Freedom

John Wiley & Sons

A new edition with expanded content is available now, "The Go-Giver, Expanded Edition: A Little Story About a Powerful Business Idea" An engaging book that brings new relevance to the old proverb "Give and you shall receive" The Go-Giver tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. And so one day, desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by his many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of "go-givers:" a restaurateur, a CEO, a financial adviser, a real estate broker, and the "Connector," who brought them all together. Pindar's friends share with Joe the Five Laws of Stratospheric Success and teach him how to open himself up to the power of giving. Joe learns that changing his focus from getting to giving—putting others' interests first

and continually adding value to their lives—ultimately leads to unexpected returns. Imparted with wit and grace, The Go-Giver is a heartwarming and inspiring tale that brings new relevance to the old proverb "Give and you shall receive." From the Hardcover edition. *Warren Buffett's 26 Secrets to Success in the Business of Life* CreateSpace The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." —Lifehacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It

challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: \* Create profitable side hustles that you can turn into passive income streams or full-time businesses \* Save money without giving up what makes you happy \* Negotiate more out of your employer than you thought possible \* Travel the world for less \* Live for free--or better yet, make money on your living situation \* Create a simple, money-making portfolio that only needs minor adjustments \* Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet.

Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

A Personalized Plan to Live and Finish Rich. . . Automatically Viperion Publishing Corp

From two leaders of the FIRE (Financial Independence, Retire Early) movement, a bold, contrarian guide to retiring at any age, with a reproducible formula to financial independence A bull\*\*\*t-free guide to growing your wealth, retiring early, and living life on your own terms Kristy Shen retired with a million dollars at the age of thirty-one, and she did it without hitting a home run on the stock market, starting the next Snapchat in her garage, or investing in hot real estate. Learn how to cut down on spending without decreasing your quality of life, build a million-dollar portfolio, fortify your investments to survive bear markets and black-swan events, and use the 4 percent rule and the Yield Shield--so you can quit the rat race forever. Not everyone can

become an entrepreneur or a real estate baron; the rest of us need Shen's mathematically proven approach to retire decades before sixty-five.

*Go Green, Live Rich* Macmillan

This is a step-by-step guide on how to buy any business for yourself, or with your co-workers. Any size of business can be acquired by following the step-by-step guide outlined in the book, by the principals of STERLING COOPER, INC., a consulting firm ( [www.sterlingcooper.info](http://www.sterlingcooper.info) ) who have participated in thousands of acquisitions, valuations, appraisals and financings. The book concentrates on the principle of structuring a LEVERAGED BUYOUT (LBO) for the prospective acquisition and guides the reader to a means of accomplishing the purchase in easy to understand, straight forward terminology, with a daily suggested step-by-step program. This is a great handbook for anyone looking to buy a business. Readers may also contact the author directly for initial advice at no cost. The book is designed both for the first time buyer, with the step by step guidance as to how to buy a business, any business, but it also works well for owner who is interested in making an add-on acquisition

and grow his business through acquisitions. The principles are applicable to a small business to run personally or one with hundreds of employees. The book involves some 40 years of acquisition experience and has great stories about real and completed LBO'S ( LEVERAGED BUYOUTS) of some well known companies all done on a shoestring budget, using the assets of the acquired companies as the collateral for the loans to acquire the businesses. The book is written to allow even a relatively inexperienced buyer/business owner, to find and to complete the transaction step-by-step. The SterlingCooper firm is available as a total daily step-by-step coach in the entire process if necessary so that you are not out there all alone, trying to just follow the book, but you have a real coach to accomplish the first acquisition. Initial consultation is at no cost to the reader. The entire process is broken down to easy to follow and organized steps that start with describing how the process of structuring an LBO works, and then guides the reader through the individual steps needed to identify the business to be acquired ( or acquire the business you now

work for by yourself or with other employees). Every step of the process is documented day by day to accomplish the first transaction in a period of 60-90 working days as the optimum result! Since the acquisition process is geared to minimize the funds needed from the buyer and concentrates on using the leverageable assets of the acquired company, the buyer will minimize the use of his own funds...that is the whole basis of a properly structured LBO. You heard the term "OTHER PEOPLE'S MONEY"? A properly structured LBO is the best use of borrowed funds; the bank's! Banks are very interested in financing a properly structured acquisition since they want to lend money! The book also contains a variety of helpful and ready to use forms and agreements that can be easily used to close the deal including a Draft Stock Purchase Agreement. Most valuable is the INFORMATIONAL QUESTIONNAIRE, which provides all the questions to ask relating to the business, its operations and financial statements, and will be the document you can share with your lenders for financing. You will be able to evaluate the entire business, its history of

operations and intricacies like a pro, without having to spend tens of thousands of dollars on hiring a battery of professionals to do that job for you. The ability to buy a business, literally any business is now in your hands. Depending on your available free capital there is no limit to the possibilities of what can be acquired. You will enjoy reading about the completed opportunistic acquisition of a divestiture, of a 12,000 employee firm, by a motivated seller, a large publicly traded conglomerate, and even provided a line of credit to help with the acquisition! You may contact the author directly at no cost for a quick coaching to get started! BONUS INCLUDED!

### **Smart Couples Finish Rich, Revised and Updated Penguin**

Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you,

too, can become a millionaire. -- adapted from foreword and introduction Penguin

A fully revised edition of one of the most influential books ever written on personal finance with more than a million copies sold "The best book on money. Period." -Grant Sabatier, founder of "Millennial Money," on CNBC Make It "This is a wonderful book. It can really change your life." -Oprah For more than twenty-five years, *Your Money or Your Life* has been considered the go-to book for taking back your life by changing your relationship with money. Hundreds of thousands of people have followed this nine-step program, learning to live more deliberately and meaningfully with Vicki Robin's guidance. This fully revised and updated edition with a foreword by "the Frugal Guru" (New Yorker) Mr. Money Mustache is the ultimate makeover of this bestselling classic, ensuring that its time-tested wisdom applies to people of all ages and covers modern topics like investing in index funds, managing revenue streams like side hustles and freelancing, tracking your finances online, and having difficult conversations about money. Whether

you're just beginning your financial life or heading towards retirement, this book will show you how to:

- Get out of debt and develop savings

Start Over, Finish Rich John Wiley & Sons AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. The desire to get out of debt can sometimes be smothered by the sheer volume of information, and misinformation, available. To overcome such obstacles, what you need is one place to find the right answers, right away. That's why author Anthony Manganiello—founder and creator of DebtFREE.com and President and CEO of Centricity, Inc.—has created The Debt-Free Millionaire. Since 1995, Manganiello has helped hundreds of thousands of people get out of debt, and now, he'll show you how to do the same. Throughout these pages, he skillfully outlines a plan that will allow you to eliminate debt, develop better credit, and retire comfortably. You'll learn everything from how to perform a Cash-FLOW Analysis™—a straightforward approach to assessing your financial standing—to putting your plan into action. Along the way, Manganiello reveals how debt and credit should fit into your financial life and addresses how to employ specific strategies that will lead you to accumulate

wealth instead of what you're most likely doing now, consuming it. No matter what your current financial situation, the five simple steps comprising this plan will put you in a better position to prosper in the years ahead. You'll also find that as you progress through the Debt-Free Millionaire Plan, you'll be fairly well insulated from the economic ups and downs experienced by others who are stumbling through life without a plan. After reading this book, when you think of what a millionaire is, you'll realize that the only difference between you and becoming a millionaire is a matter of time and distance.

The strategies outlined here will help you close that gap as quickly as possible.

How to get good with money, even if you have no idea where to start. The Financial Diet is the personal finance book for people who don't care about personal finance. Whether you're in need of an overspending detox, buried under student debt, or just trying to figure out how to live on an entry-level salary, The Financial Diet gives you tools to make a budget, understand investments, and deal with

your credit. Chelsea Fagan has tapped a range of experts to help you make the best choices for you, but she also knows that being smarter with money isn't just about what you put in the bank. It's about everything—from the clothes you put in your closet, to your financial relationship habits, to the food you put in your kitchen (instead of ordering in again). So The Financial Diet gives you the tools to negotiate a raise and the perfect cocktail recipe to celebrate your new salary. The Financial Diet will teach you:

- how to get good with money in a year.
- the ingredients everyone needs to have a budget-friendly kitchen.
- how to talk about awkward money stuff with your friends.
- the best way to make (and stick to!) a budget.
- how to take care of your house like a grown-up.
- what the hell it means to invest (and how you can do it).

A war for your money is raging and it is time to fight back! In a book that will forever change how you spend your hard earned money, America's favorite financial coach, David Bach, shows you how to save thousands of dollars every year by taking on the "corporate machines." In these times when every dollar counts, big businesses are using dishonest tricks to rip you off, making themselves billions while they keep you living paycheck to paycheck. David Bach knows that until you learn to fight for your money, you will

overpay for almost everything you buy. In Fight for Your Money, he gives you the tools to FIGHT BACK and WIN. Bach shows you how every dollar you spend is really a battle between you and the businesses—and the government—who want to take it as profit. When you know how the system is rigged—the extra points, the hidden fees, the late charges, the unused tax breaks, the escalating rates—you can fight back against the pickpockets and save literally thousands every year—money in your pocket that can help you live your dreams. Fight for Your Money shows how you are being taken on your cell phone contract, cable bill, car purchase, credit card, life insurance, healthcare, 401(k) plan, airfare, hotel bills, and much more. Bach gives you all the tools you need to fight back, with websites, phone numbers, sample letters and real-life stories of ordinary people who have fought for their money and won. You'll learn how to: Beat the credit card companies at the games they play that cost you thousands annually in interest and fees Make your bank accounts work for you with higher yields and lower fees Save thousands by pre-paying college

tuition at TODAY's prices Raise your credit score and pay thousands less in mortgage interest Cut your life insurance premiums in half by making one call Save hundreds on air travel, hotels, and car rentals—just by being an informed consumer Avoid huge rip-offs like bank-issued gift cards, medical credit cards, 401(k) debit cards, and sneaky renewals of your cell-phone plan. David Bach knows that when you are being taken financially, you work harder than you have to, for longer than you need to. This book helps you fight for your money, so you can live your life doing what you really want to do.
