It is also a "kit" to use to assemble your own rituals, for any season or reason: Book I presents a basic ritual outline. Each element is followed by numerous examples which may be "plugged in" to customize your own ceremony. Book II gives numerous examples of actual ceremonies: Esbats (full Moons) and special occasions; Rites of Passage; Mysteries and Initiations; spells and consecrations. These can be adapted and modified as needed for any size group--from small family gatherings in your living room, to huge outdoor celebrations involving thousands of people.
