The secrets of Santeria, Voodoo and Obeah are among the oldest enigmas in the world. Their roots go back to pre-historic Africa - perhaps even beyond that. From the 16th century onwards, the slave trade brought these ancient mysteries to the West, where they blended strangely with traditional Christianity: the ancient African gods became identified with legendary saints. This integration of the two faiths slowly evolved to form the many varieties of Santeria, Obeah and Voudoun that are widely practiced throughout the world today. Their characteristic dancing and drumming seem able to invoke strange states of mind in which almost anything is possible. Even stories of zombies - the walking dead - still persist. Is there a rational explanation for them? Contemporary Voudoun priests, priestesses, magicians and enchanter use rare herbs and spices as well as charms, dolls and talismans to control the natural world in ways that science cannot always explain. Accounts of their inexplicable successes are examined in depth. Most intriguing of all are the claims that are made for their love philtres and aphrodisiacs. What powers do these old religions still possess?

[Dark Psychology - Secret Methods of Neuro Linguistic Programming to Master Influence Over Anyone and Getting What You Want \(Persuasion, How to Analyze People\)](#) Dundurn

Are you looking for a complete guide on NLP? Then keep reading... You may find that some people, when they hear of your plight, what you deal with, and how you deal with it, they suggest therapy. They may suggest that you find a cognitive behavioral therapist or that you find a psychotherapist or some other form of therapist. They may tell you that if you are anxious, you need medication, or if you have a phobia, that you need to just face your fear and expose yourself to it. While these are all valid, legitimate ways that you could defeat your problems, there are other ways as well. You do not have to do these particular methods if you do not want to. You have other options. You can work through your own problems at home with the help of a book like this one, for example. You could attempt cognitive restructuring in other forms, or you could try using NLP. NLP is designed to give you several practical ways that you can use to alter your thinking on the past or the approach that you take to your current life. When you learn how to use NLP, you are looking at how your brain works, as opposed to why you think the way you do, which is what you would learn in therapies. You are learning how to capture your own mindset and begin to change it through working with the way that your unconscious mind already works rather than attempting to alter it. This book covers: What is Neuro Linguistic Programming (NLP)? What is Dark NLP? What is NLP and How to Successfully Use it Secrets and Guidelines to Use NLP in Everyday Life NLP Techniques How to be Empath What is Empathy? Id, Ego, and Superego Normal Psychology vs. Dark Psychology Foundations of Dark NLP The Levels of NLP Training Types of NLP Manipulation NLP Related Concepts NLP Techniques: Reprogram YOU More NLP Techniques NLP Presuppositions Taking Control of Others with the Help of NLP Self-Mastery with NLP True Nature of an Empath How to Protect Yourself as an Empath And much more NLP is more of a thought, rather than a process, that can be used on other people. It is more of something that you should concentrate on yourself. The basic ideas that come with NLP are that you want to change the thoughts and the feelings that are inside yourself. Doing this is excellent for those who would like some relief from things like depression, anxiety, and some of the other mental illnesses that are out there. These individuals may feel that there is a specific thought or another belief that is holding them back, and when they can make changes to these things, the individual can change their life. The thing that you need to take away from all this is that NLP is based on solid science and verifiable understanding of neuropsychology. The actual exercises that you undertake at the end of this chapter, and all the other chapters are simple, yet they will impact how you think and how you react to things that happen to you. The time when this is hardest to execute is in the face of pain, but even pain is a concept that you can change.

If yes, this is the right book for you! "NLP SECRETS AND PERSUASION" is your ultimate guide to effectively influencing people using NLP and persuasion techniques, hypnosis, brainwashing, body language, and mind control. It also helps you avoid being a victim of these techniques. NLP refers to the ability to sway interactions with other people. It is guided by non-verbal responses and reactions of the other people, which can be used first to create rapport and convince others to do what is necessary. Persuasion is rooted in ancient Greek's model of a prized politician and orator. Nowadays, in the business domain, persuasion refers to a corporate system of influence to change other people, groups, or organizations' attitudes, behavior, or perception. It employs verbal, non-verbal, visual, or multimodal communication to convey, change, or reinforce a piece of existing information or reasoning peculiar to the audience. In politics and governing today, persuasion still retains its role as one of the essential means of influencing the populace's behavior, feelings, and commitment through the power of mass media. More generally speaking, persuasion is a concept of influence that attempts to change a person's attitudes, intentions, motivations, beliefs, or behaviors. This book will help you go more in-depth into detail about NLP and persuasion. It covers: - Neuro-linguistic Programming (NLP) - How NLP works, its importance and effectiveness - NLP

Techniques - Hypnosis and Brainwashing - The Swish Pattern - Persuasion Techniques - Dark Persuasion ... And much more! Let's learn more about NLP and persuasion to immediately use or avoid them in your everyday life for your good. BUY THIS BOOK WITH THE SPECIAL DISCOUNT!!!

Learn the Secrets of Covert Manipulation, How to Identify a Manipulator, NLP, and Proven Manipulation Techniques Jordan Publisher

What are some subtle ways that people manipulate others? How can you make sure nobody uses mind control and NLP techniques on you? If you want to know how to analyze manipulative people, detect deception, and defend yourself from their obscure strategies, this book is for you - so keep reading! Manipulation, targeted deception and NLP (Neuro-Linguistic Programming) are the world's most prevalent methods of mind control, used by everyone from sales callers to politicians to media pundits. But upstream of tricks and strategies, it is useful to have clear ideas about relational processes that can transform a normal relationship into a manipulative dynamic of extreme effectiveness. Manipulation is defined as "having control over others by having the ability to influence their behavior (emotions) and their actions so things can go in the manipulator's favor" and "to control or play upon by artful, unfair, or insidious means especially to one's own advantage." A manipulator tends to play on others' fears or guilt. Those being manipulated feel pressured, trapped, or angry. NLP is a technique of layering subtle meaning into spoken or written language so that you can implant suggestions into a person's unconscious mind without them knowing what you're doing. Combined with subtle language patterns, leading questions and a whole slew of other techniques, a skilled NLP'er can steer the other person wherever he like, as long as the other person isn't aware of what's happening and thinks everything is arising because he has given consent. An NLP person essentially carefully fakes the social cues that cause a person to drop their guard and enter a state of openness and suggestibility. Understanding Manipulation and NLP Techniques is crucial simply so that people can resist its use. All this leads to an obvious question: how to defend ourselves from the manipulative tricks of other subjects? This book will reveal the 9 ways to make sure nobody uses it on you... ever. Here's what you'll learn with this book: The 5 C's of Body Language How to Master the Secrets of Non-Verbal Communication The Difference between Persuasion and Manipulation How to Analyze Your Relationship 3 Common Ways it is Used to Manipulate Others Techniques for Defending against Manipulation How to Spot Lies with Deception Detection Techniques How to Increase Self-Esteem and Gain Confidence The Role of Defence in 9 Steps Manipulation and NLP Techniques describes in detail the dark arts of psychology and how harmful they can be to a person's mental and emotional state.
