## KORBIN CASTANEDA

---

*Strategy and Peace* Farrar, Straus and Giroux

Lawrence of Arabia's classic set of guidelines on military leadership in the Middle East.

The Idea of the Republic Routledge  
"In bringing the 'cautionary' tale of Pasquale Stiso and his elegiac musings to a new audience, Ruberto and Verdicchio perform a generous and necessary act of cultural anthropology, reinvigorating an historical memory in danger of

succumbing to amnesia. Stiso's life, death, and writings challenged two enduring myths: the nostalgia of a glorious and fecund patria left behind and the seduction of a land with 'streets paved in gold.' Hope tempered by despair; deceit rebuffed by compassion; this is a tale told by an 'immigrant' who never left Italy. A small, shining tessera in the tragi-comic mosaic of the Italian diaspora." -Stanislao G. Pugliese, Hofstra University  
*L'altrove negli occhi delle donne* Harper Collins

Evidence-based and effective clinical homework for adolescent clients and their caregivers In the newly updated sixth edition of *The Adolescent Psychotherapy*

*Homework Planner*, a team of distinguished practitioners delivers a time-saving and hands-on practice tool designed to offer clients valuable homework assignments that will further their treatment goals for a wide variety of presenting problems. The *Homework Planner* addresses common and less-common disorders—including anxiety, depression, substance use, eating, and panic—allowing the client to work between sessions on issues that are the focus of therapy. This book provides evidence-based homework assignments that track the psychotherapeutic interventions suggested by the fifth edition of *The Adolescent Psychotherapy Treatment*

Planner. They are easily photocopied, and a digital version is provided online for the therapist who would prefer to access them with a word processor. The Homework Planner also offers: Cross-referenced lists of suggested presenting problems for which each assignment may be appropriate (beyond its primary designation) Several brand-new assignments, as well as adapted assignments that have been shortened or modified to make them more adolescent-client-friendly Homework assignments for the parents of adolescents in treatment, assignments for the adolescents themselves, and assignments for parents and adolescents to complete together An essential and practical tool for therapists and practitioners treating adolescents, The Adolescent Psychotherapy Homework Planner, Sixth Edition will benefit social workers, psychologists, psychiatrists, and other clinicians seeking efficient and effective homework tools for their clients. *Global Security Cultures* Cambridge University Press

Why do politicians think that war is the answer to terror when military intervention in Iraq, Afghanistan, Pakistan, Syria, Mali,

Somalia and elsewhere has made things worse? Why do some conflicts never end? And how is it that practices like beheadings, extra-judicial killings, the bombing of hospitals and schools and sexual slavery are becoming increasingly common? In this book, renowned scholar of war and human security Mary Kaldor introduces the concept of global security cultures in order to explain why we get stuck in particular pathways to security. A global security culture, she explains, involves different combinations of ideas, narratives, rules, people, tools, practices and infrastructure embedded in a specific form of political authority, a set of power relations, that come together to address or engage in large-scale violence. In contrast to the Cold War period, when there was one dominant culture based on military forces and nation-states, nowadays there are competing global security cultures. Defining four main types - geo-politics, new wars, the liberal peace, and the war on terror she investigates how we might identify contradictions, dilemmas and experiments in contemporary security cultures that might ultimately open up new pathways to rescue and safeguard

civility in the future.

Concorso allievi marescialli Arma dei Carabinieri. Teoria e test per la prova preliminare Polity

This books aims to demonstrate how semiotic models of textual analysis can be used to study any social reality or cultural process. In addition, it shows how semiotic models work by using examples from everyday life and social praxis, communicative processes and modes of consumption, online interactions and cross-media procedures, political experiences and scientific universes.

*Adolescent Psychotherapy Homework Planner* Oxford University Press, USA

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To

ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. *Europe, Its Borders and the Others* Jessica Kingsley Publishers

The first presentation in the Series of a Code with an explicitly Fascist basis. Author completely recast the translation of the Penal Code of the Kingdom of Italy published in 1931.

*Mafia Business* Rubbettino Editore  
"Published to unanimous acclaim in Europe and winner of Italy's prestigious Viareggio Prize for fiction, *Procedura* introduces a writer of world-class fiction."  
"At the end of a none too brilliant career, a judge, sent to Sardinia from the mainland, lives alone in a small town, broken relationships and partings left behind him. When a colleague suddenly dies, he is entrusted with the investigation and soon finds himself entwined in the most intimate knowledge of judge Valerio Garau's life - from his rich, orphaned

childhood with its hints of scandal to the red-and-blue capsule with its grain of cyanide that one morning caused him to fall backward among the cafe tables while joking with his mistress." "Was Garau's death suicide, mistake, or murder? His ex-wife or his mistress, his priestly uncle or his blind aunt, his colleagues or his lover's illustrious and influential husband: all of these could be suspected of wanting to free themselves of him. And who was Judge Garau? A cynic, a seducer, a liar, a naif? The investigator must reconstruct a life from the people and effects left behind: yellowed photographs of distant carnivals, archeological finds collected for who knows what passion or pretext, stolen letters, forced locks, police chiefs, homosexuals, and schoolmistresses..."--

*My Brother is an Only Child* OUP Oxford  
An in-depth and extensively researched biography of Pope Benedict XV. Best known for his efforts to end World War I, Benedict XV was the first contemporary pope to assume the role of peacemaker, a role that has persisted in the papacy since.

Although Benedict's 1917 Peace Note was rejected by officials, he went on to help establish Save the Children and to lead European efforts at humanitarian aid. His brief pontificate resulted in a positive reassessment of the Church's attitude towards colonialism and colonized peoples. Using previously unpublished correspondence and private papers from the Vatican archives, John Pollard has written the first biography on Benedict XV in almost half a century.

*Networks: A Very Short Introduction* A&C Black

This book takes a closer look at the phenomenon of 'cinematic tourism', exploring audiences' perceptions of film and their covert relationship with tourist advertizing campaigns, alongside the nature of, and resistance to, newly-born tourist industries.

*Secrets of the Balkans* Granta Books  
Roberto Marais is haunted by his past as an under-cover carabinieri. A time of cynicism and corruption, in the world he investigated, and in his own soul. A meeting with Emma—like Roberto ravaged by guilt—begins to revive him. When her teenage son asks Roberto to help him

conquer his nightmares, Roberto at last achieves a true rebirth.

*Concorso allievi marescialli Arma dei Carabinieri* John Wiley & Sons

In this innovative book Fabio Folgheraiter presents a systematic introduction to networking and reflexive practice in social work. The text explores how the interested parties in social care can acquire a shared power in care planning and decision making and that when this networking occurs, the efficacy of caring initiatives increases.

**Le tre costituzioni pacifiste** Attilio Fortini

What is the role of the survivor testimony in Holocaust remembrance? In this book, a concise, rigorously argued, and provocative work of cultural and intellectual history, the author seeks to answer this surpassingly complex question.

**Introduction to the Semiotics of the Text** A&C Black

Joint Winner of Fraenkel Prize for Contemporary History 2001, London. Winner of Talmon Prize, Israel, awarded by the Israeli Academy of Sciences. Although it was one of the most common

experiences of combatants in World War I, captivity has received only a marginal place in the collective memory of the Great War and has seemed unimportant compared with the experiences of soldiers on the Western Front. Yet this book, focusing on POWs on the Eastern Front, reveals a different picture of the War and the human misery it produced. During four years of fighting, approximately 8.5 million soldiers were taken captive, of whom nearly 2.8 million were Austro-Hungarians. This book is the first to consider in-depth the experiences of these prisoners during their period of incarceration. How were POWs treated in Russia? What was the relationship between prisoners and their home state? How were concepts of patriotism and loyalty employed and understood? Drawing extensively on original letters and diaries, Rachamimov answers these and other searching questions. In the process, major omissions in previous historiography are addressed. Anyone wishing to have a rounded history of the Great War will find this book fills a major gap.

**Wolfwatching** Bordighera Press

Il volume è rivolto a quanti intendono

intraprendere una carriera militare nell'Arma dei Carabinieri, con lo scopo di orientare e preparare coloro che vogliono partecipare ai concorsi per l'accesso ai corsi triennali e annuali per Allievi Marescialli, del ruolo Ispettori, presso la Scuola Marescialli e Brigadieri dell'Arma. Il testo si prefigge di fornire un contenuto didattico valido per la preparazione alla prova preliminare e si compone di tre parti. La Parte I fornisce indicazioni circa i compiti istituzionali dell'Arma dei Carabinieri, la figura del Maresciallo, le sue funzioni e le prospettive di carriera, il concorso e le prove di selezione. La Parte II sviluppa il programma di: lingua italiana, anche sul piano orto-sintattico grammaticale, letteratura ed arte, storia, geografia, ed. civica, matematica - aritmetica, algebra e geometria, scienze, informatica, capacità di ragionamento, ma in una veste completamente diversa rispetto ai comuni testi presenti sul mercato ovvero attraverso "pillole di cultura" con lo scopo di mirare, sintetizzare e facilitare lo studio del candidato, senza addentrarsi in inutili e complesse argomentazioni oltre a proporre questionari monotematici. La

Parte III propone delle simulazioni di prove d'esame complete di quesiti sulle quattro lingue straniere (inglese, francese, spagnolo e tedesco).

*Procedura Youcanprint*

Even a decade after the end of the 1914-1918 war, economic theory assumed that the world was tranquil and orderly. By 1939 an economic slump without parallel, allied to the re-emergence of military ambition in Europe, had brought economic theorists face to face with reality. In this classic book, first published in 1967, Professor Shackle provides a study, in exact and professional language, of the precise nature, structure, presuppositions, language and inter-relations of the theories which were formulated in these fourteen years - unparalleled in the whole history of economics except perhaps by the years of the Physiocrats and Adam Smith. These theories are not prototypes on the way to something better but are of essential and permanent importance.

L'Agenda 1939 John Wiley & Sons

In discussing the management of prison gangs and disruptive groups, the manual advises that the strategy should be to respond to the specific nature of the

problem. Where gang activity is rare and a gang culture is not in place, the transfer of gang members out of State may be an effective preventive mechanism. Where gang membership is large, but is only a small proportion of the inmate population, effective control may be achieved by housing known gang members in separate facilities. Where gangs are already entrenched in the institutional culture, prisons must find strategies, such as gang intelligence programs and prosecutorial units, to lessen the impact of gang activities on the nongang inmate population and to reduce gang influence. In examining institutional disturbances, the manual addresses the causes of disturbances, stages in the development of a major disturbance, early warning systems, the management of institutional disturbances, specialized resources for institutional control, and a return to normalcy. A section on staff training discusses general legal considerations in training, the role of the training academy versus the role of the institution, training exercises, and training for special units. Other sections of the manual address post-disturbance activities, case studies,

and legal aspects of the management of prison gangs and disturbances.

**012A | Concorso Allievi Marescialli Arma dei Carabinieri (Prova Preliminare)** John Wiley & Sons

The three defeated Axis powers - Japan, Italy and Germany - incorporated a prohibition on wars of aggression into their democratic constitutions. This book covers the years of the Nuremberg and Tokyo Trials and the constituent assemblies of 1947- 49 through to current debates on the adaptation of the pacifist articles in line with new "humanitarian" wars. Aspects relating to the birth of the three countries' constitutions are treated in great detail in three appendices.

Some Reflections on the Reading of Statutes Walter de Gruyter GmbH & Co KG  
Modes of Censorship and Translation articulates a variety of scholarly and disciplinary perspectives and offers the reader access to the widening cultural debate on translation and censorship, including cross-national forms of cultural fertilization. It is a study of censorship and its patterns of operation across a range of disciplinary settings, from media to cultural and literary studies, engaging with

often neglected genres and media such as radio, cinema and theatre. Adopting an interdisciplinary and transnational approach and bringing together contributions based on primary research which often draws on unpublished archival material, the volume analyzes the multi-faceted relationship between censorship and translation in different national contexts, including Italy, Spain, Great Britain, Greece, Nazi Germany and the

GDR, focusing on the political, ideological and aesthetic implications of censorship, as well as the hermeneutic play fostered by any translational act. By offering innovative methodological interpretations and stimulating case studies, it proposes new readings of the operational modes of both censorship and translation. The essays gathered here challenge current notions of the accessibility of culture, whether in overtly ideological and politically repressive contexts, or in

seemingly 'neutral' cultural scenarios.

Final Summary Report of the Executive Director, War Refugee Board Routledge

Il libro raccoglie le testimonianze di sette donne immigrate provenienti da Brasile, Libano, Marocco, India, Albania, Ghana, Romania, che lasceranno un marchio indelebile e affascinante in colei che le ha intervistate, per un epilogo in cui l'autrice stessa deciderà di prendere la strada per il suo "nuovo mondo".
