Honeywell Aerospace has been supporting the Indian aerospace industry's growth for the last 40 years. The association began with a tie-up with India's only defense OEM, Hindustan Aeronautics Limited (HAL). Today, each of Honeywell Aerospace's three business units is present in India.

Indian Aerospace, Inc.

The RAeS extends its reach by working in partnership with a number of institutions, organisations and companies who have similar goals and objectives. This includes ICAS, CEAS, and the Aerospace Partnership.

Partnerships - Royal Aeronautical Society

Aerospace manufacturing in India never had to compete globally as HAL was delivered business on a golden platter. "But when we win packages on a global basis, expectations are different," said Aravind Melligeri, Founder and Chairman of Aequus, a company that too has attempted to move up the value chain producing integrated assemblies rather than just components and sub-assemblies.
