JAYLEN HARDY

Illusion of Order SAGE Publications

This book charts the lives of (suspected) thieves, illegitimate mothers and vagrants in early modern Frankfurt. The book highlights the gender differences in recorded criminality and the way that they were shaped by the local context. Women played a prominent role in recorded crime in this period, and could even make up half of all defendants in specific European cities. At the same time, there were also large regional differences. Women's crime patterns in Frankfurt were both similar and different to those of other cities. Informal control within the household played a significant role and influenced the prosecution patterns of authorities. This impacted men and women differently, and created clear distinctions within the system between settled locals and unsettled

migrants.

Law and Society SAGE Publications
This book addresses issues concerning the shifting contemporary meaning of legal certainty. The book focuses on exploring the emerging tensions that exist between the demand for legal certainty and the challenges of regulating complex, late modern societies. The book is divided into two parts: the first part focusing on debates around legal certainty at the national level, with a primary emphasis on criminal law; and the second part focusing on debates at the transnational level, with a primary emphasis on the regulation of transnational commercial transactions. In the context of legal modernity, the principle of legal certainty—the idea that the law must be

sufficiently clear to provide those subject to legal norms with the means to regulate their own conduct and to protect against the arbitrary use of public power—has operated as a foundational rule of law value. Even though it has not always been fully realized, legal certainty has functioned as a core value and aspiration that has structured normative debates throughout political modernity, both at a national and international level. In recent decades, however, legal certainty has come under increasing pressure from a number of competing demands that are made of contemporary law, in particular the demand that the law be more flexible and responsive to a social environment characterized by rapid social and technological change. The

expectation that the law operates in new transnational contexts and regulates every widening sphere of social life has created a new degree of uncertainty, and this change raises difficult questions regarding both the possibility and desirability of legal certainty. This book compiles, in one edited volume, research from a range of substantive areas of civil and criminal law that shares a common interest in understanding the multi-layered challenges of defining legal certainty in a late modern society. The book will be of interest both to lawyers interested in understanding the transformation of core rule of law values in the context of contemporary social change and to political scientists and social theorists.

Core Concepts in Criminal Law and

Criminal Justice SAGE Publications
In the United States today criminal justice can vary from state to state, as various states alter the Modern Penal Code to suit their own local preferences and concerns. In Eastern Europe, the post-Communist countries are quickly adopting new criminal codes to reflect their specific national concerns as they gain autonomy from what was once a centralized Soviet policy. As commonalities among countries and states disintegrate, how are we to view the basic concepts of criminal law as a whole? Eminent legal scholar George Fletcher acknowledges that criminal law is becoming increasingly localized, with every country and state adopting their own conception of punishable behavior, determining their own definitions of

offenses. Yet by taking a step back from the details and linguistic variations of the criminal codes, Fletcher is able to perceive an underlying unity among diverse systems of criminal justice. Challenging common assumptions, he discovers a unity that emerges not on the surface of statutory rules and case law but in the underlying debates that inform them. *Basic Concepts of Criminal Law* identifies a set of twelve distinctions that shape and guide the controversies that inevitably break out in every system of criminal justice. Devoting a chapter to each of these twelve concepts, Fletcher maps out what he considers to be the deep structure of all systems of criminal law. Understanding these distinctions will not only enable students to appreciate the universal fundamental

ideas of criminal law, but will enable them to understand the significance of local details and variations. This accessible illustration of the unity of diverse systems of criminal justice will provoke and inform students and scholars of law and the philosophy of law, as well as lawyers seeking a better understanding of the law they practice. *Contemporary Criminal Law* Nomos Verlag

Premised on the belief that criminal law is an exciting subject to learn and teach, this popular casebook provides a balanced and creative overview of classic and modern criminal law cases and issues while covering both common law foundations and modern statutory reform, including the Model Penal Code. The casebook invites classroom

consideration of many controversies in the field (e.g., rape law, race-based jury nullification, Internet crime, and anti-stalking legislation) and defenses (e.g., battered women's self-defense). Using imaginative examples from literature and music to illustrate criminal law issues (e.g., examining insanity with Edgar Allen Poe's *The Tell-Tale Heart* and homicide with Willa Cather's *O Pioneers!*), the casebook allows law students to confront some of the Big Questions with which philosophers, theologians, scientists, poets, and lawyers have grappled for centuries. *Criminal Law* Aspen Publishers

This state-of-the-art casebook is both easy and fun to use. It is designed to give you the basis for an enjoyable, comprehensive learning experience for

your students, providing you with the sort of piquing materials that should prompt interested and insightful classroom discussion. The focus here is on teachability, rather than encyclopedic coverage of the field. Many modern, cutting-edge cases and related features are included, as well as the classic decisions, making it possible for you to show students the most current issues in the law as well as the traditional doctrinal underpinnings of this area. Numerous problem-style hypotheticals are also included throughout, serving to stimulate and encourage thought and discussion but also to help you focus your students on practice-oriented, analytical skills. The book also contains updated cases that bring the book entirely up-to-date.

Criminal Law Perspectives SAGE Publications

This contemporary, comprehensive, case-driven book from award-winning teacher Matthew Lippman covers the constitutional foundation of criminal procedure and includes numerous cases selected for their appeal to today's students. Organized around the challenge of striking a balance between rights and liberties, *Criminal Procedure, Fourth Edition* emphasizes diversity and its impact on how laws are enforced. Built-in learning aids, including You Decide scenarios, Legal Equations, and Criminal Procedure in the News features, engage students and help them master key concepts. Fully updated throughout, the Fourth Edition includes today's most recent legal developments and

decisions. Features and Benefits A chapter-opening vignette drawn from a case in the chapter gets students immediately involved in the content that follows. Test Your Knowledge questions at the beginning of each chapter help students activate prior knowledge read with purpose for topics they don't yet know. Edited cases introduced by clear and accessible descriptions provide students with concrete examples and illustrations and expose them to the actual documents that have shaped the American criminal justice system. Additional edited cases are available on the student study website. Legal Equations offer visual overviews of the laws and concepts discussed in the text. Questions after each case reinforce learning and help students uncover the

key points. Criminal Procedure in the News excerpts expose students to contemporary developments in the law through current events. Chapter Summaries and Chapter Review Questions help students prepare for exams. A chapter-ending Legal Terminology section with corresponding Glossary helps students master the vocabulary of the criminal justice system. New to this Edition A number of significant, new U.S. Supreme Court decisions are now cases discussed in the book, such as *United States v. Carpenter*, which raised important questions around police use of new technology. Other new cases address important issues including privacy, racial discrimination, and effective assistance of counsel, search and seizure, juries,

plea bargaining, the exclusionary rule, pretrial motions, and habeas corpus. Features. The content includes a new Test Your Knowledge feature and a number of new You Decide and Criminal Procedure in the News features that explore crucial topics such as police use of deadly force, the second amendment and gun control, a defendant's right to a bail, racial bias in jury deliberations, searches of electronic devices, and much more. Topics. Several new topics have been added or expanded to reflect their growing impact on criminal procedure. These topics include technology and the home, police use of cell-site location information and body cameras, patterns and trends of Terry stops in major cities across the US, individuals being arrested for "Walking While Black," racial bias in

the judiciary, and the impact of the policies of the Trump administration on the use of drones, the detention of undocumented immigrants, and the continued operation of the detention facilities at Guantanamo.

Criminal Procedure Bloomsbury Publishing

Award-winning professor and author Matthew Lippman enhances teaching and learning with his newest text, *Striking the Balance: Debating Criminal Justice and Law*. Organizing the book around clashing points of view on contemporary issues in criminal justice and criminal law, Lippman puts each debate into context for students to help them develop a better understanding of the issue. Designed to develop the reader's critical thinking skills, the text

offers students summaries of contrasting views from original sources, questions for classroom discussion, and engaging “You Decide” activities. Additionally, chapter topics are independent of one another, giving instructors the flexibility to customize the material to their individual course organization. Edited to minimize technical legal terms, the text is the perfect companion to any criminal law or introductory criminal justice textbook.

Research Methods in Criminal Justice and Criminology SAGE

The Citizen and the State examines the conflict between criminal justice and civil liberties from a critical criminology perspective. It argues that far from being a search for truth or justice, contemporary criminal justice represents

the power of the state against the individual.

The Concept of Mens Rea in International Criminal Law SAGE Publications

Adopt this bundle, and your students SAVE! This bundle is just dollars more than the price of the main textbook alone. Hardcover: \$79.95; ISBN:

9781412905800 It is important to understand the development of law and the law generally from statutes rather than merely relying on case review and interpretation. Lippman provides a more academic and thorough approach, and SAGE is developing instructor guides and power point presentations for the textbook, which should prove very helpful. In sum, I whole-heartedly endorse Lippman's book for Criminal Law, and I look forward to using it in my

own classes. -Glenn Coffey, University of North Florida
Contemporary Criminal Law: Concepts, Cases, and Controversies is an introductory text that features the new criminal law, expanding on traditional criminal law cases and concepts with contemporary topics and issues. Author Matthew R. Lippman uses an engaging case study approach to enhance student learning and offer an interactive educational environment. Key Features: Employs a unique case study approach: Edited cases and accompanying exploratory essays present the fundamentals of criminal law. These engaging cases are designed to develop skills in case analysis and critical and logical thinking. Emphasizes contemporary cases and issues: While classic cases fundamental to the study

of criminal law are presented, contemporary cases and issues reflecting our increasingly diverse and urbanized society are central to the book. Cases on carjacking, computer crime, drugs, gangs, stalking, terrorism, white collar crime, cultural diversity, and animal rights are included. Attention is also devoted to gender, race, domestic violence, and hate crimes. Incorporates valuable learning tools: In addition to the illustrative cases and essays, this book contains a variety of special features including side-bars, thematic boxes, inserts, discussion questions, legal equations, case comments, and much more to facilitate student comprehension. You Decide exercises enable students to apply what they have learned from the cases and help to

involve them with the text material. Accompanied by High Quality Ancillaries! A full ancillary package comes with this text and includes: An Instructor's CD-ROM A Web-based Student Study Site at <http://www.sagepub.com/lippmanstudy> that features: Unique, online state-specific guides that supplement each chapter of the text for California, Texas, New York, Illinois, Florida, and Ohio MP3 audio files from the author himself who provides insight into the text E-flashcards Web quizzes Learning from SAGE research articles Case narratives, and much more! Intended Audience: This book uniquely combines the concepts, learning tools, and features found in undergraduate texts with the types of challenging cases and issues that are characteristic of law school case books.

It is the perfect text for undergraduate students studying criminal law in the department of Criminal Justice. Paperback: \$34.95; ISBN: 9780761921769 Hardcover: \$89.95; ISBN: 9780761921752 A handy reference for students, professionals, and anyone interested in criminal justice and criminology, The Concise Dictionary of Crime and Justice is an excellent, wide-ranging resource with clear definitions for over 2,000 key criminal justice terms. Often going beyond simple definitions, the dictionary presents and explains common misperceptions for selected entries. The concise definitions of terms will be easily accessible to a wide audience 3/4 from students in introductory courses to professionals looking to brush up on key terms. Some

of the topics covered in entries include: abduction, cycle of violence, eyewitness testimony, facial reconstruction, habeas corpus, La Cosa Nostra, Nuremberg Principle, Palestinian Liberation Organization (PLO), typology, Walker spy ring, and zoophilia. Features/Benefits: Each term will contain the following: Over 2,000 entries A complete, current definition of the term A discussion of common misconceptions or controversies surrounding the term A cross-reference to other entries in the dictionary

Contemporary Criminal Law

Routledge

“This is a well-rounded book that seems more interesting to students than other books I have used. It provides information on some cutting-edge

themes in law and society while staying well grounded in the theories used by law and society practitioners.” —Lydia Brashear Tiede, Associate Professor, University of Houston Law and Society, Second Edition, offers a contemporary, concise overview of the structure and function of legal institutions, along with a lively discussion of both criminal and civil law and their impact on society. Unlike other books on law and society, Matthew Lippman takes an interdisciplinary approach that highlights the relevance of the law throughout our society. Distinctive coverage of diversity, inequality, civil liberties, and globalism is intertwined through an organized theme in a strong narrative. The highly anticipated Second Edition of this practical and invigorating text introduces

students to both the influence of law on society and the influence of society on the law. Discussions of the pressing issues facing today's society include key topics such as the law and inequality, international human rights, privacy and surveillance, and law and social control. Log in at study.sagepub.com/lippmanls2e for additional teaching and learning tools. *Cases and Materials on Criminal Law* SAGE Publications, Incorporated This contemporary, comprehensive, case-driven textbook from award-winning teacher Matthew Lippman covers the constitutional foundation of criminal procedure and includes numerous cases selected for their appeal to today's students. Organized around the challenge of striking a balance

between rights and liberties, *Criminal Procedure, Third Edition* emphasizes diversity and its impact on how laws are enforced. Built-in learning aids, including You Decide scenarios, Legal Equations, and *Criminal Procedure in the News* features, engage students and help them master key concepts. Fully updated throughout, the Third Edition includes today's most recent legal developments and decisions.

Contemporary Criminal Law Harvard University Press *Criminal Law Perspectives: From Principles to Practice* is an engaging introduction to the criminal law in New South Wales, Victoria, the Australian Capital Territory and the Commonwealth Criminal Code. It takes a comparative approach to the law in these

jurisdictions, focusing on prevalent summary offences, substantive federal offences and criminal procedure. Complex concepts are explained and contextualised by linking them to practical applications. Each chapter is supported by tools for self-assessment: review questions; case boxes summarising and extracting key historical and contemporary cases; and longer, narrative end-of-chapter problems that promote student engagement and help students develop problem-solving skills and independent thinking. *Criminal Law Perspectives* explores the development of criminal law principles in Australia, and provides a comprehensive and accessible overview of criminal law for students studying in the area for the first time.

Criminal Evidence SAGE

This book provides an analysis of the two concepts of power and crime and posits that criminologists can learn more about these concepts by incorporating ideas from disciplines outside of criminology. Although arguably a 'rendezvous' discipline, Vincenzo Ruggiero argues that criminology can gain much insight from other fields such as the political sciences, ethics, social theory, critical legal studies, economic theory, and classical literature. In this book Ruggiero offers an authoritative synthesis of a range of intellectual conceptions of crime and power, drawing on the works and theories of classical, as well as contemporary thinkers, in the above fields of knowledge, arguing that criminology can 'humbly' renounce

claims to intellectual independence and adopt notions and perspectives from other disciplines. The theories presented locate the crimes of the powerful in different disciplinary contexts and make the book essential reading for academics and students involved in the study of criminology, sociology, law, politics and philosophy.

National Socialist Criminal Law

Cambridge University Press

In his student treatise, noted authority Paul Robinson uses the Model Penal Code, realistic hypotheticals, and lucid explanations to describe the existing rules of American criminal law. (In fact, professors consistently remark on how well written and clear Robinson's text is.) He explains the reasoning behind those rules, The interrelation among them, and

their application. Robinson gives the MPC's position on each topic, along with the most common deviations from it. Rather than viewing each rule in isolation, he examines each part of criminal law as a piece of a machine for determining criminal liability. The six parts of the book define those interrelationships: Introduction General Principles in the Definition of Offenses Principles of Imputation General Defenses Inchoate Liability Specific Offenses Since lawyers who know the reasoning of the drafters have a powerful advantage in arguing for a particular interpretation of a code provision, Robinson points students to important bibliographic sources at the end of each section. Each chapter starts with a hypothetical based on a real case.

Throughout the chapter, Robinson refers back to the hypothetical, using it as a vehicle to analyze and clarify abstract concepts. Numerous footnotes, case references, and bibliographies make this text a lasting research tool. For a meaningful exploration of this fascinating area of study, you can depend on Paul Robinson's *Criminal Law*. Be sure to recommend this vital work to your next criminal law class. *Criminal Law* SAGE Publications

A contemporary guide to the criminal justice process, the broad scope of this book means it will be a trusted companion throughout a Criminology and/or Criminal Justice degree. The contents of *An Introduction to Criminal Justice* include: 23 chapters spanning all that's involved with, and fully

contextualising, the criminal justice process: the agencies, institutions and processes and procedures that deal with victims, offenders and offending

A detailed timeline of criminal justice since 1945

Consideration of victims and witnesses, complaints and misconduct

A comprehensive review of policing, prosecution, the courts, imprisonment and community sanctions

A focus on community safety, crime prevention and youth justice

Introduction to Criminal Justice has: A podcast interview with a police officer
Practice essay questions Multiple choice questions Suggested website resources to explore Videos.

Cases and Readings on Criminal Law and Procedure SAGE Publications

Written by a former federal prosecutor and public defender, *Criminal Law and Procedure: A Courtroom Approach* introduces students to the essentials of criminal law and procedure by illuminating the legal issues justice professionals face before, during, and after a criminal trial. Through the examination of statutes, edited case excerpts, and recent constitutional interpretation of black letter law, the text bridges the gap between learning criminal procedure and applying criminal

law. Drawing from author Stephanie A. Jirard's vast experience in both the courtroom and the classroom, *Criminal Law and Procedure* gets students to think critically about real-world issues and practice applying the law in a just and meaningful way. Accessible and engaging, this text presents criminal law and procedure as an exciting opportunity to have a direct, positive impact on our communities and the criminal justice system. Key Features: "Making the Courtroom Connection" boxes help students apply the legal concepts they learn to real-life issues facing law enforcement, the court system, and correctional institutions today. Edited case excerpts connect criminal law and procedure with current case material on relevant topics so students can see the

impact of judicial decision making. "Applying the Law to the Facts" boxes engage students' critical thinking skills and enhance their logical problem-solving abilities by providing opportunities to apply the rule of law to different scenarios. "Springboard for Discussion" prompts spark conversations and invite students to contrast the moral, ethical, and legal implications of criminal law and procedure in a larger context. Problem-solving exercises at the end of each chapter provide students with opportunities to test themselves on the material before a formal assessment. Active Learning Exercises in the Instructor's Manual enable professors to offer additional opportunities for experiential learning. Give your students the SAGE edge! SAGE

edge offers a robust online environment featuring an impressive array of free tools and resources for review, study, and further exploration, keeping both instructors and students on the cutting edge of teaching and learning.

Criminal Law SAGE Publications Research Methods in Criminal Justice and Criminology connects key concepts to real field research and practices using contemporary examples and recurring case studies throughout the book that demonstrate how concepts relate to students' lives. Authors Callie M. Rennison and Timothy C. Hart introduce practical research strategies used in criminal justice to show students how a research question can become a policy that changes or influences criminal justice practices. The book's student-

driven approach addresses both the "why" and the "how" as it covers the research process and focuses on the practical application of data collection and analysis. By demonstrating the variety of ways research can be used, and reinforcing the need to discern quality research, the book prepares students to become critical consumers and ethical producers of research. The Second Edition includes two new case studies woven throughout, and new expert profiles to highlight contemporary topics. Editable PowerPoint slides and a test bank are available to instructors.

Striking the Balance West Academic Publishing

"I highly recommend this textbook to any instructor of an introductory criminal law course. It provides a concise

overview of the law and introduces students to the complexities of the law in practice by providing case scenarios. This is an excellent textbook with beneficial supplementary online resources." —Erin C. Heil, Southern Illinois University Edwardsville A book that students find interesting and instructors consider educationally valuable, the Fifth Edition of Contemporary Criminal Law combines traditional concepts with thought-provoking cases and engaging learning tools. The text covers both foundational and emerging legal topics such as terrorism, gangs, cybercrime, and hate crimes, illustrated by real-life examples that students connect with. Clear explanations of criminal law and defenses are complemented by

provocative, well-edited cases followed by discussion questions to stimulate critical thinking and in-class discussion. The book provides a contemporary perspective on criminal law that encourages students to actively read and analyze the text. The Fifth Edition is enhanced throughout by new cases that offer the most up-to-date coverage of evolving legal opinions and developments in criminal law. Bundle Lippman's texts and save! We've made it easy for students to get *Striking the Balance* all in one convenient package at a student-friendly price.
