A Novel Diamond Pocket Books Pvt Ltd

A glorious, sweeping novel of desire, ambition, and the thirst for knowledge, from the # 1 New York Times bestselling author of Eat Pray Love, Big Magic, and City of Girls In The Signature of All Things, Elizabeth Gilbert returns to fiction, inserting her inimitable voice into an enthralling story of love, adventure and discovery. Spanning much of the eighteenth and nineteenth centuries, the novel follows the fortunes of the extraordinary Whittaker family as led by the enterprising Henry Whittaker—a poor-born Englishman who makes a great fortune in the South American quinine trade, eventually becoming the richest man in Philadelphia. Born in 1800, Henry’s brilliant daughter, Alma (who inherits both her father’s money and his mind), ultimately becomes a botanist of considerable gifts herself. As Alma’s research takes her deeper into the mysteries of evolution, she falls in love with a man named Ambrose Pike who makes incomparable paintings of orchids and who draws her in the exact opposite direction—into the realm of the spiritual, the divine, and the magical. Alma is a clear-minded scientist; Ambrose a utopian artist—but what unites this unlikely couple is a desperate need to understand the workings of this world and the mechanisms behind all life. Exquisitely researched and told at a galloping pace, The Signature of All Things soars across the globe—from London to Peru to Philadelphia to Tahiti to Amsterdam, and beyond. Along the way, the story is peopled with unforgettable characters: missionaries, abolitionists, adventurers, astronomers, sea captains, geniuses, and the quite mad. But most memorable of all, it is the story of Alma Whittaker, who—born in the Age of Enlightenment, but living well into the Industrial Revolution—bears witness to that extraordinary moment in human history when all the old assumptions about science, religion, commerce, and class were exploding into dangerous new ideas. Written in the bold, questing spirit of that singular time, Gilbert’s wise, deep, and spellbinding tale is certain to capture the hearts and minds of readers.

This [is a] marvelous book." -Elizabeth Gilbert When Luca Spaghetti (yes, that's really his name) was asked to show a writer named Elizabeth Gilbert around Rome, he had no idea how his life was about to change. She embraced his Roman ebullience, and Luca in turn became her guardian angel, determined that his city would help Liz out of her funk. Filled with colorful anecdotes about food, language, soccer, daily life in Rome, and Luca's own fish-out-of-water moments as a visitor to the United States-and culminating with the episodes in Liz's bestselling memoir, told from Luca's side of the table-Un Amico Italiano is a book that no fan of Eat, Pray, Love will want to miss.

A chillingly charismatic aristocrat. And a brave socialite drawn to expose their treacherous secrets. . . . From the author of Gods of Jade and Shadow comes “a terrifying twist on classic gothic horror” (Kirkus Reviews) set in glamorous 1950s Mexico. After receiving a frantic letter from her newly-wed cousin begging for someone to save her from a mysterious doom, Noemí Taboada heads to High Place, a distant house in the Mexican countryside. She’s not sure what she will find—her cousin’s husband, a handsome Englishman, is a stranger, and Noemí knows little about the region. Noemí is also an unlikely rescuer: She’s a glamorous debutante, and her chic gowns and perfect red lipstick are more suited for cocktail parties than amateur sleuthing. But she’s also tough and smart, with an indomitable will, and she is not afraid: Not of her cousin’s new husband, who is both menacing and alluring; not of his father, the ancient patriarch who seems to be fascinated by Noemí; and not even of the house itself, which begins to invade Noemí’s dreams with visions of blood and doom. Her only ally in this inhospitable abode is the family’s youngest son. Shy and gentle, he seems to want to help Noemí, but might also be hiding dark knowledge of his family’s past. For there are many secrets behind the walls of High Place. The family’s once colossal wealth and faded mining empire kept them from prying eyes, but as Noemí digs deeper she unearths stories of violence and madness. And Noemí, mesmerized by the terrifying yet seductive world of High Place, may soon find it impossible to ever leave this enigmatic house behind. “It’s as if a supernatural power compels us to turn the pages of the gripping Mexican Gothic.”—The Washington Post “Mexican Gothic is the perfect summer horror read, and marks Moreno-Garcia with her hypnotic and engaging prose as one of the genre’s most exciting talents.”—Nerdist “A period thriller as rich in suspense as it is in lush ’50s atmosphere.”—Entertainment Weekly

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments

come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

**Eat, Pray, #FML** Beck Books

For the first time the complete works of the award-winning author Elizabeth Gilbert are collected together, highlighting her talents as a writer of both fiction and non-fiction. In the international best-seller Eat, Pray, Love, Gilbert narrates her struggles after a bitter divorce and turbulent love affair, beginning her quest to rediscover how to be happy. In Rome, she indulges herself and gains nearly two stone. In India, she finds enlightenment through scrubbing temple floors. Finally, in Bali a toothless medicine man reveals a new path to peace, leaving her ready to find love again. In Committed, Gilbert is about to wed the man she fell in love with at the end of Eat, Pray, Love and with wit and intelligence contemplates marriage, trying with all her might to discover what this stubbornly enduring old institution actually is. In The Last American Man, Gilbert presents a fascinating, intimate portrait of the American naturalist and brilliant modern hero Eustace Conway, who at the age of seventeen ditched the comforts of his suburban existence to escape into the wild. Attempting to instil in people a deeper appreciation of nature, Conway stops at nothing in pursuit of bigger, bolder adventures. In Gilbert's first novel Stern Men, the eighteen-year-old irredeemably unromantic Ruth Thomas returns home from boarding school determined to join the 'stern-men'. Throwing her education overboard, this feisty and unforgettable American heroine helps work the lobster boats and brushes up on her profanity, eventually falling for a handsome young lobsterman. In Pilgrims, Gilbert's sharply drawn and tenderly observed collection of twelve short stories, tough heroes and heroines, hardened by their experiences, struggle for their epiphanies and seek companionship as fiercely as they can.

This volume considers the phenomenon of yoga travel as an instance of a broader genre of 'spiritual travel' involving journeys to places 'elsewhere', which are imagined to offer the possibility of profound personal transformation. These imaginings are tied up in a continued exoticization of the East, but they are not limited to that. Contributors identify various themes such as authenticity, suffering, space, material markers, and the idea of the 'spiritual', tracing how

these ideas manifest in conceptions and fetishizations of 'elsewhere.' To deepen its analysis of this phenomenon, the book incorporates a wide range of disciplines including architecture, sociology, anthropology, philosophy, women's studies, religious studies, and history. While the book's primary focus is yoga and yoga travel, contributors offer up an array of other case studies. Chapters delve into the complex questions of agency and authenticity that accompany the concept of 'spiritual travel' and ideas of 'elsewhere.'

What if Jesus didn't die so our lives could look perfect? What if He died so we could stop feeling like our lives have to be perfect to mean something? What if we simply live out our own story, even if it doesn't look as others say it should? Mandy Steward set out in pursuit of these what-ifs. She didn't find answers so much as she discovered a messy grace that knows no limits and a God that was and is willing to thrash about with her no matter her questions or struggles or doubts. What she found was abundant life, but it didn't look like she thought it was going to. It was far different, and much deeper. This is a book without "easy" answers that lets those struggling with faith and searching for more know they are not alone.
