*Mass Communication* Schirmer Trade Books

This accessible, applied text covers the complex environment in which managers confront ethical decision making. Using a managerial framework, the authors address the overall concepts, processes, and best practices associated with successful business ethics programs--helping students see how ethics can be integrated into key strategic business decisions. The Seventh Edition incorporates comprehensive and rigorous updates that reflect the ever-increasing academic and governmental attention being given to this area. The textbook program provides an abundance of real-world examples and cases, as well as exercises, simulations, and practice tests that provide plenty of opportunity for students to master the text material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cengage Learning

Learn how to influence policy and become a leader in today's changing health care environment. Featuring analysis of cutting-edge healthcare issues and first-person insights, *Policy & Politics in Nursing and Health Care, 8th Edition* continues to be the leading text on nursing action and activism. Approximately 150 expert contributors present a wide range of topics in policies and politics, providing a more complete background than can be found in any other policy textbook on the market. This expanded 8th edition helps you develop a global understanding of nursing leadership and political activism, as well as the complex business and financial issues that drive many actions in the health system. Discussions include the latest updates on conflict management, health economics, lobbying, the use of media, and working with communities for change. With these innovative insights and strategies, you will be prepared to play a leadership role in the four spheres in which nurses are politically active: the workplace, government, professional organizations, and the community. Comprehensive

coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism, as well as complex business and financial issues. Key Points at the end of chapters helps you review important, need-to-know lesson content. Taking Action essays include personal accounts of how nurses have participated in politics and what they have accomplished. Expert authors make up a virtual Nursing Who's Who in healthcare policy, sharing information and personal perspectives gained in the crafting of healthcare policy. NEW! The latest information and perspectives are provided by nursing leaders who influenced health care reform, including the Affordable Care Act. NEW! Added information on medical marijuana presents both sides of this ongoing debate. NEW! More information on health care policy and the aging population covers the most up-to-date information on this growing population. NEW! Expanded information on the Globalization of Nursing explores international policies and procedures related to nursing around the world. NEW! Expanded focus on media strategies details proper etiquette when speaking with the press. NEW! Expanded coverage of primary care models and issues throughout text. NEW! APRN and additional Taking Action chapters reflect the most recent industry changes. NEW! Perspectives on issues and challenges in the government sphere showcase recent strategies and complications.

Business Ethics: Ethical Decision Making and Cases Academic Press

Global Business Today with CD, Map, and Powerweb

*Global Business Today with CD, Map, and Powerweb* SAGE Publications

This comprehensive overview of

international business is divided into various business functions, making it clear and easy to understand. In every chapter "Culture Quest Insights" into culture, geography, and business lead readers to a multi-media experience of a certain country or region that provides useful information on the impact of culture on business. Cases specific to each region or country add to the total reading experience. Topics covered include: the world's marketplaces, the international environment, managing international business and business operations. For CEOs, managers, and other executives who need to understand the cultural mores of the global societies with which they do business.

Strategic Communication in Business

and the Professions Academic Press

Management Information Systems

provides comprehensive and integrative coverage of essential new technologies, information system applications, and their impact on business models and managerial decision-making in an exciting and interactive manner. The twelfth edition focuses on the major changes that have been made in information technology over the past two years, and includes new opening, closing, and Interactive Session cases.

**The World Today: Concepts and Regions in Geography, 7th Edition**

Guilford Publications

Praised for its authoritative coverage, *Global Political Economy* places the study of international political economy (IPE) in its broadest theoretical context now updated to cover the continuing global economic crisis and regional relationships and impacts. This text not only helps students understand the fundamentals of how the global economy works but also encourages

them to use theory to more fully grasp the connections between key issue areas like trade and development. Written by a leading IPE scholar, this text equally emphasizes theory and practice to provide a framework for analyzing current events and long-term developments in the global economy. New to the Seventh Edition Focuses on the ongoing global economic crisis and the continuing European sovereign debt crisis, along with other regional economic issues, including their implications for relationships in the global economy. Offers fuller and updated discussions of critical perspectives like feminism and environmentalism, and includes new material differentiating among the terms neomercantilism, realism, mercantilism, and economic nationalism. Updated, author-written Test Bank is provided to professors as an e-Resource on the book's Webpage.

Project Management John Wiley & Sons  
A comprehensive book on project management, covering all principles and methods with fully worked examples, this book includes both hard and soft skills for the engineering, manufacturing and construction industries. Ideal for engineering project managers considering obtaining a Project Management Professional (PMP) qualification, this book covers in theory and practice, the complete body of knowledge for both the Project Management Institute (PMI) and the Association of Project Management (APM). Fully aligned with the latest 2005 updates to the exam syllabi, complete with online sample Q&A, and updated to include the latest revision of BS 6079 (British Standards Institute Guide to Project Management in the Construction Industry), this book is a complete and

valuable reference for anyone serious about project management. • The complete body of knowledge for project management professionals in the engineering, manufacturing and construction sectors • Covers all hard and soft topics in both theory and practice for the newly revised PMP and APMP qualification exams, along with the latest revision of BS 6079 standard on project management in the construction industry • Written by a qualified PMP exam accreditor and accompanied by online Q&A resources for self-testing  
*A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Seventh Edition and The Standard for Project Management (BRAZILIAN PORTUGUESE)* Pearson  
PMBOK® Guide is the go-to resource for project management practitioners. The project management profession has significantly evolved due to emerging technology, new approaches and rapid market changes. Reflecting this evolution, The Standard for Project Management enumerates 12 principles of project management and the PMBOK® Guide &– Seventh Edition is structured around eight project performance domains. This edition is designed to address practitioners' current and future needs and to help them be more proactive, innovative and nimble in enabling desired project outcomes. This edition of the PMBOK® Guide: • Reflects the full range of development approaches (predictive, adaptive, hybrid, etc.); • Provides an entire section devoted to tailoring the development approach and processes; • Includes an expanded list of models, methods, and artifacts; • Focuses on not just delivering project outputs but also enabling outcomes; and • Integrates with PMI standards+™ for information

and standards application content based on project type, development approach, and industry sector.

**Global Political Economy** National Geographic Books

INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets: trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material.

**Project Management, Planning and Control** Librix.eu

Transnational Management provides an integrated conceptual framework to guide students and instructors through the challenges facing today's multinational enterprises. Through text narrative and cases, the authors skilfully examine the development of strategy, organizational capabilities, and management roles and responsibilities for operating in the global economy. The key concepts are developed in eight chapters that are supplemented by carefully selected practical case studies from world-leading case writers. All chapters have been revised and updated for this eighth edition to reflect the latest thinking in transnational management while retaining the book's strong integrated conceptual framework. Ten new cases have been added, and four others updated. A full range of online support materials are available,

including detailed case teaching notes, almost 200 PowerPoint slides, and a test bank. Suitable for MBA, executive education and senior undergraduate students studying international management, international business or global strategy courses, Transnational Management offers a uniquely global perspective on the subject.

*Our Global Environment* John Wiley & Sons

For undergraduate and graduate courses in global marketing The excitement, challenges, and controversies of global marketing. *Wine* McGraw-Hill Education

This book demonstrates how the theories and insights of anthropology have positively influenced the conduct of global business and commerce, providing a foundation for understanding the impact of culture on global business, and global business on culture.

**International Business** Pearson Education India

The landmark project management reference, now in a new edition Now in a Tenth Edition, this industry-leading project management "bible" aligns its streamlined approach to the latest release of the Project Management Institute's Project Management Body of Knowledge (PMI®'s PMBOK® Guide), the

new mandatory source of training for the Project Management Professional (PMP®) Certification Exam. This outstanding edition gives students and professionals a profound understanding of project management with insights from one of the best-known and respected authorities on the subject. From the intricate framework of organizational behavior and structure that can determine project success to the planning, scheduling, and controlling processes vital to effective project management, the new edition thoroughly covers every key component of the subject. This Tenth Edition features: New sections on scope changes, exiting a project, collective belief, and managing virtual teams More than twenty-five case studies, including a new case on the Iridium Project covering all aspects of project management 400 discussion questions More than 125 multiple-choice questions (PMI, PMBOK, PMP, and Project Management Professional are registered marks of the Project Management Institute, Inc.)

*Global Marketing, Global Edition* McGraw Hill

Research Methods For Business, 8th Edition explains the principles and practices of using a systematic, organized method for solving problematic issues in business organizations. Designed to help students view research from the perspective of management, this popular textbook guides students through the entire business research process. Organized into six main themes—Introduction, Defining the Management and the Research Problem, Theory, Collecting Information, Drawing Conclusions, and Writing and Presenting the Research Report—the text enables students to

develop the skills and knowledge required to successfully create, conduct, and analyze a research project. Now in its eighth edition, this popular textbook has been thoroughly updated to incorporate substantial new and expanded content, and reflect current research methods and practices. The text uses a unique blended learning approach, allowing instructors the flexibility to custom-tailor their courses to fit their specific needs. This innovative approach combines the face-to-face classroom methods of the instructor with internet-based activities that enable students to study what they want, when they want, at their own pace.

*Business Data Networks and Security* Cambridge University Press

The Insider's Guide to Making Money in the Music Industry. Millions dream of attaining glamour and wealth through music. This book reveals the secrets of the music business that have made fortunes for the superstars. A must-have for every songwriter, performer and musician.

*DICTIONARY OF INTERNATIONAL TRADE*

*8th Edition* Elsevier Health Sciences

Two strengths distinguish this textbook from others. One is its presentation of subjects in the contexts wherein they occur. The other is its use of current events. Other improvements have shortened and simplified chapters, increased the numbers and types of pedagogical supplements, and expanded the international appeal of examples.

**Mergers, Acquisitions, and Other Restructuring Activities** Wiley Global Education

The 7th Edition of Global Marketing Management prepares students to become effective managers overseeing global marketing activities in an increasingly competitive environment.

The text's guiding principle, as laid out concisely and methodically by authors Kotabe and Helsen, is that the realities of international marketing are more "multilateral." Suitable for all business majors, the text encourages students to learn how marketing managers work across business functions for effective corporate performance on a global basis and achievement of overall corporate goals. Global Marketing Management brings timely coverage in various economic and financial as well as marketing issues that arise from the acutely recessionary market environment.

### **Effective Project Management**

Thomson South-Western

This is the only textbook that helps students develop a thorough understanding of the legal environment of business and enhances their ability to engage in critical thinking and ethical analysis. The legal environment of business is thoroughly treated in an extremely reader-friendly manner; various topics include: the American legal system, dispute resolution, constitutional principles, cyberlaw, white-collar crime, contracts, sales, product and service liability, the law of property, agency law, labor-management relations, environmental law, securities trading and issuance, antitrust laws, and debtor-creditor relations. An excellent desk reference for the legal departments of any business, this book also provides an interesting read for anyone interested in business and ethics.

### **The Legal Environment of Business**

John Wiley & Sons

Global Business Today has been developed specifically to meet the needs of international students of business. Written in a refreshing, informative, and

accessible style, it has become the most widely used text in the International Business market with its comprehensive and up-to-date contents; focus on managerial implications and application of international business concepts; and incorporation of ancillary resources that enliven the text and make it easier to teach. In addition to boxed material which provides insightful illustrations in every chapter, interesting anecdotes have been carefully weaved into the narrative of the text to engage the reader. Enhancements to the Global Edition include: New Country Focus boxes that provide background on the political, economic, social, or cultural aspects of countries grappling with an international business issue to help raise students' awareness of how national and geographic differences affect the conduct of international business, such as Corruption in the Philippines and the Export Processing Zone Authority of Pakistan. New Management Focus boxes that provide lively illustrations of the relevance of chapter material for the practice of international business, including Patenting Basmati Rice and Expatriate Managers. New Perspective boxes that provide additional context for chapter topics, such as Market Economy in China, Australian SMEs Embrace the Chinese Currency, and Global Variations in Ownership Structure.

Research Methods For Business Global Business Today with CD, Map, and Powerweb Charles Hill's Global Business Today, 3e (GBT) has become an established text in the International Business market for its excellent, but concise coverage of the key global issues including the cultural context for global business, cross-border trade and investment, the global monetary system and competition in the global

environment. GBT's concise chapters give a general introduction to international business - emphasizing the environmental factors, with less coverage of operations. Charles Hill is renowned for his attention to research trends and that is evident in Global Business Today, 3e through a variety of real world examples and cases from small, medium, and large companies throughout the world. Global Business Today

Global Business Today is the proven choice for any international business course. It brings together the insights of now a team of practitioners, scholars,

and award-winning instructors to present a contemporary and realistic perspective of this multi-faceted field. For the 9th edition, G. Tomas M. Hult from Michigan State University has joined Charles Hill to deliver a program that is: Current—it is comprehensive and up-to-date. Application Rich—it goes beyond an uncritical presentation and shallow explanation of the body of knowledge. Relevant—it focuses on managerial implications. Integrated—its tight flow between chapters is fully integrated with proven adaptive technology. Global Business Today—The market-leading program of international business.
