Yoga - Swara Yoga, Science of Prana, Ida & Pingala Swara

Yoga Swara yoga is an ancient tantric science which involves the systematic study of the breath flow through the nostrils (or swara) in relation to the prevailing phases of the moon, time of day and direction. Swara Yoga - Ancient science of Breathing Swara Yoga School offers an integrative health education through 5 Element Yoga Teacher Trainings, Holistic Health & Nutrition Immersions and Bodywork Trainings. Swara Yoga School Teacher Trainings, Retreats & Social Action Guruji Prem Nirmal says Swara yoga is an ancient science that correlates the breath with the sun, moon and the five elements, helping us to control moods, heal ailments and be attuned to the cosmic rhythm. Shiva Swarodaya / Swara Yoga - Wikipedia Swara Yoga is also a great aid in any healing process. Each nostril, when it operates independently, influences the body chemistry in a different way. When both nostrils operate simultaneously, the body

chemistry also alters so as to make meditation rather than worldly activity appropriate to engage in. Swara Yoga - the science of nasal breath Swara Yoga is science which is a complete study, observations, control and manipulation of breath or Swara. Pranayama is only related to control of breath in various ways. In swara yoga, you will find association of breath in relation to activities of sun, moon, various seasons, physical and mental conditions of individuals etc. Swara Yoga - Science of Ida (left) & Pingala (right) Nadis ... Swara Yoga. The flow of breath through one nostril has a different physiological and psychological effect to the flow of breath through the other nostril. Every 1 ½ hours approximately the flow will change from one to the other, though it changes from person to person and the environment that they are in. Yoga - Swara Yoga, Science of Prana, Ida & Pingala The Swara Yoga Academy courses are designed to help us all flow into better versions of ourselves: healthy, clear and truly happy. We teach you ways to be creative in your practice, teaching you the underling principles of yoga so that you can explore yoga, instead of just "following the rules".
