Shifters, elemental magic, and enemies to lovers romance is only the beginning. The Shifter Island series combines Leia Stone's signature page-turning pace with Raye Wagner's unpredictable twists and turns. Plus, the romantic tension makes this teen angst romance one of THE best YA fantasy books of 2020.

Author: Leia Stone. Changed. I never asked for this. To be changed. To be on the brink of death, waiting for release from the pain, only to wake and find out I was a monster, an impossible thing, an animal. The thought was funny, really. As I lay there going in and out of consciousness, I laughed. I was a vegetarian.
