Dory Fantasmagory: The Real True Friend Europa Edizioni

One boy's appeal for justice in the form of a dividing wall

E guai a te se non giochi. Gioco, fantasia e creatività. Riflessioni e proposte New Directions Publishing

An inquisitive fox sets off on a seafaring voyage with a crew of deer and pigeons in this enchanting tale of friendship and adventure. Marco the fox has a lot of questions, like: how deep does the sun go when it sinks into the sea? And why do birds have such lizardy feet? But none of the other foxes share his curiosity. So when a magnificent ship adorned with antlers and with a deer for a captain arrives at the dock looking for a crew, Marco volunteers, hoping to find foxes who are as inquisitive as he is that can answer his questions. The crew finds adventure and intrigue on their journey. And, at last, Marco finds the answer to his most important question of all: What's the best way to find a friend you can talk to?

Like children everywhere, Miyuki's imagination peaks at bedtime, when she remembers all the things she has to do

before she can possibly go to bed: she needs to water the vegetables, gather snails, and prepare for the arrival of the Dragonfly Queen. Her patient grandfather follows along on her adventures, gently encouraging her to go to sleep. In this beautiful story about family, nature, and love, young children and their parents find a welcome companion for their own bedtime journey.

Sono passati due anni da quando la vita di Sofia è stata stravolta dall'orrore. Quella notte tutto è andato in pezzi, come una casa dopo il passaggio di un uragano. Ora, però, per lei è arrivato il momento di smettere di avere paura. È il suo giorno zero. Sofia sta tornando a casa, nella sua Palermo, il posto a cui appartiene, nonostante tutto. Farlo è necessario, perché è stanca di girare in tondo senza direzione, prigioniera del passato. L'unico modo per superare ciò che le è accaduto è affrontarlo una volta per tutte. Anche se è difficile e fa male. Anche se ogni volta che ci pensa si sente sprofondare in un baratro di inquietudini e incertezze. Tornare, infatti, significa anche sfidare il suo quartiere, un buco nero che ingoia le anime di chi lo abita, e riallacciare i rapporti con una famiglia che l'ha allontanata senza comprendere

il suo dolore. E soprattutto rivedere Marco, il suo primo disperato amore, colui che si era preso ogni suo pensiero e sogno a occhi aperti, e che riusciva a scatenare in lei sentimenti talmente feroci da farle tremare l'anima. Tuttavia, quello che trova Sofia è una realtà profondamente cambiata e delle persone che fatica a riconoscere. Lo stesso Marco, che pure resta l'unico capace di farla sentire viva, non è più il ragazzo che si è lasciata alle spalle alla sua partenza. Arrabbiata e delusa, Sofia ha due possibilità. Potrebbe andarsene, e tentare così di ricominciare altrove, lontano da chi l'ha ferita, tra le braccia di un altro. Oppure restare, e combattere per avere indietro ciò che le è stato rubato. Compreso Marco. Perché, anche se le ha spezzato il cuore, lui resta sempre fuori da ogni equazione, ed è l'unico con il quale potrebbe generare quel fuoco ardente che non procura dolore, ma lenisce ferite e allevia ogni angoscia. E che le restituirebbe finalmente la vita.

The ironic tale of a 12-year-old Sicilian girl who decides to show her independence by flouting convention, in this case by wearing trousers and flirting with boys. When she is caught kissing, the parents punish her by sending her to another village to live with an uncle, unaware he molested her when she was younger.

Little Blue and Little Yellow Test Mentor
The perfect story for anyone who's ever felt overshadowed. One little girl dreams of being a star. But whether it's finding Mom's lost wedding ring or winning the costume prize, her big sister always shines brighter. In her grandfather's eyes, though, she is a star. As he dries her tears and they both gaze up at the night sky, he tells a story about how

everything and everyone is made of stardust and we all shine in different ways. With illustrations from new talent Briony May Smith, this is a touching story about being true to yourself from award-winning author Jeanne Willis.

City of the Sun Penguin Books India
Clear instructions and illustrations help complete over 60 fascinating projects — from the relatively simple four-point star to the more involved ballet dancer. For intermediate and advanced paperfolders.

Trinity, the debut graphic book by Jonathan Fetter-Vorm, depicts the dramatic history of the race to build and the decision to drop the first atomic bomb in World War Two—with a focus on the brilliant, enigmatic scientist, J. Robert Oppenheimer. "Succeeds as both a graphic primer and a philosophical meditation." —Kirkus Reviews (starred review) This sweeping historical narrative traces the spark of invention from the laboratories of nineteenth-century Europe to the massive industrial and scientific efforts of the Manhattan Project, and even transports the reader into a nuclear reaction—into the splitting atoms themselves. The power of the atom was harnessed in a top-secret government compound in Los Alamos, New Mexico, by a group of brilliant scientists led by the enigmatic wunderkind J. Robert Oppenheimer. Focused from the start on the monumentally difficult task of building an atomic weapon, these men and women soon began to wrestle with the moral implications of actually succeeding. When they detonated the first bomb at a test site code-named Trinity, they recognized that they had irreversibly thrust the world into a new

and terrifying age. With powerful renderings of WWII's catastrophic events at Hiroshima and Nagasaki, Fetter-Vorm unflinchingly chronicles the far-reaching political, environmental, and psychological effects of this new invention. Informative and thought-provoking, *Trinity* is the ideal introduction to one of the most significant events in history.

The Lion and the Bird Simon and Schuster

Fans of Junie B. Jones and Ivy and Bean will love this new story about the spunky little rascal with big ideas. The star of *Dory Fantasmagory* is heading to school. Her older siblings, Luke and Violet, warn her to leave her imaginary friend, Mary, at home—or better yet, leave her whole imagination at home! Dory is determined to behave like a “regular old girl who never gets in trouble,” but on her very first day she meets a new friend, a girl whose imagination and style are just about as wild as her own. Now she just has to convince her siblings that she’s not making it all up! Filled with plenty of funny pictures, this book bursts with charm and impudence, making this a must-read for the chapter book set.

"Dory is as likable a kid heroine as I've encountered in a decade." –The Boston Globe * "Once again, Hanlon's hilarious narration and cartooning reveal an uncanny talent for getting into the mile-a-minute mind of a one-of-a-kind girl."

–Publishers Weekly, starred review

Origami Edizioni Piemme

A timely and deeply moving debut picture book that explores the power our words hold.

Against All Odds Edizioni Mondadori

By a talent and highly acclaimed illustrator, *The Lion and the Bird* is every bit as unusual, lovely, and powerful as *Little Bird* and should be represented.

The high production values of the book, along with the quality of the images and storytelling, as well as the author's previous books should lead buyers to take a chance on this title. Not to represent this book would be to miss out on a major book of the spring season. This is a book for all ages so provide buyers, whether at the independents or the museum stores, with several strong choices in terms of shelving and presentation. As a French Canadian author, Dubuc is close to the east coast and will be coming to promote and talk about her book.

Mi capita spesso di pensare alla mia vita e ripercorrerla a ritroso. La mia mente

ha nitido qualsiasi ricordo del passato più remoto. Spesso ne assaporo ancora i profumi, le infinite emozioni. Oggi, più che mai, ho la certezza che la vita di tutti noi sia un grande contenitore, che in qualsiasi momento potrebbe cadere e rompersi: nessuno ha la facoltà di sapere quando ciò accadrà, ma ognuno ha bensì il potere di riempirlo il più possibile, per far sì che nel momento in cui si frantumerà, tanti saranno i pezzi che cadranno a terra e chi resterà, per suo volere, avrà tanto materiale da raccogliere. Ho sempre avuto la sensazione di essere il frammento di una vita precedente, lasciata incompiuta. Forse la donna di un pescatore, un'amante del mare e dei suoi profumi, morta probabilmente annegata. Questo giustificerebbe il mio amore per il mare e la paura dell'acqua alta. Immagino di essere vissuta in secoli passati, quando mi sono imbattuta in quesiti cui non ero in grado di rispondere e di essere rinata perché non avevo portato a termine il compito che mi era stato assegnato.

Time for Bed, Miyuki Penguin

Beloved picture book creator and four-time Caldecott Honor-winner Leo Lionni's very first story for children, and a New York Times Best Illustrated Book of the Year. Little Blue and Little Yellow are best friends, but one day they can't find each other. When they finally do, they give each other such a big hug that they turn green! How they find their true colors again concludes a wonderfully satisfying story told with colorful pieces of torn paper and very few words. Leo Lionni launched his children's book career in 1959 with Little Blue and Little Yellow, and this 50th-anniversary edition, complete with Lionni's own explanation of how the book came to be, is sure to resonate with children today.

This tale, "The City of the Sun" is told to author by a sea captain about his visit to an island Taprobane. The Protagonist describes his search for this land where the labor is divided equally among people who work for common good and not for money. The novel certainly depicts the author's utopian vision and reflects the idealism and revolutionary trends of thought in the age of reason. Appealing!

A fascinating discovery, Kawabata's unfinished final novel Dandelions is a great master's last word A fascinating discovery, Dandelions is Kawabata's final novel, left incomplete when he committed suicide in 1972. Beautifully spare and deeply strange, Dandelions explores love and madness and consists almost entirely conversations between a woman identified only as Ineko's mother, and Kuno, a young man who loves Ineko and wants to marry her. The two have left Ineko at the Ikuta Clinic, a mental hospital, which she has entered for treatment of somagnosia, a condition that might be called "seizures of body

blindness.” Although her vision as a whole is unaffected, she periodically becomes unable to see her lover Kuno. Whether this condition actually constitutes madness is a topic of heated discussion between Kuno and Ineko’s mother: Kuno believes Ineko’s blindness is actually an expression of her love for him, as it is only he, the beloved, she cannot see. In this tantalizing book, Kawabata explores the incommunicability of desire and carries the art of the novel, where he always suggested more than he stated, into

mysterious and strange new realms. *Dandelions* is the final word of a truly great master, the first Japanese winner of the Nobel Prize.
