Love is important, but it is respect that is the key to your son's heart. The idea of moms respecting their sons may sound alien to some, but it seems to ignite curiosity across the board. It is easy to relate to the need for all of us to feel a mother's love, but is that the same thing as respect? Even for young boys, the effect of respect is nothing short of astounding when applied properly. Moms yearn to learn anything that better helps them with their sons. After all, they love their boys, but many find them more difficult to parent than their girls, especially from age four and up. What makes this all the more urgent is that moms are coaching fathers to love their daughters, but no one has said boo to moms on specific ways to show respect to their sons, at least not in a way that is applicable and fully explained. All realize that little girls need daddy's love, but who is strongly promoting the truth that little boys (and big ones) need Mom's respect? No wonder mothers feel left in the dark on this topic. Just as Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect, he now turns these principles to one of the most important relationships of all, a mother and her son.

What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, *The Great Sex Rescue* unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. *The Great Sex Rescue* hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. *The Great Sex Rescue* pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

How to Win Friends, Boost Your Confidence and Persuade Others Thomas Nelson

Children need love. Parents need respect. It is as simple and complex as that! When frustrated with an unresponsive child, a parent doesn't declare, "You don't love me." Instead the parent asserts,

"You are being disrespectful right now." A parent needs to feel respected, especially during conflicts. When upset a child does not whine, "You don't respect me." Instead, a child pouts, "You don't love me." A child needs to feel loved, especially during disputes. But here's the rub: An unloved child (or teen) negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. So how is one to break out of this cycle? Best-selling author Emerson Eggerichs has studied the family dynamic for more than 30 years, having his Ph.D. in Child and Family Ecology. As a senior pastor for nearly two decades, Eggerichs builds on a foundation of strong biblical principles, walking the reader through an entirely new way to approach the family dynamic. For instance, God reveals ways to defuse the craziness with our children from preschooler to teen, plus how to motivate them to obey and how to deal with them when they don't. In the Bible, God has spoken specifically to parents on how to parent. This book is about that revelation.

Are humans composed of a body and a nonmaterial mind or soul, or are we purely physical beings? Opinion is sharply divided over this issue. In this clear and concise book, Nancey Murphy argues for a physicalist account, but one that does not diminish traditional views of humans as rational, moral, and capable of relating to God. This position is motivated not only by developments in science and philosophy, but also by biblical studies and Christian theology. The reader is invited to appreciate the ways in which organisms are more than the sum of their parts. That higher human capacities such as morality, free will, and religious awareness emerge from our neurobiological complexity and develop through our relation to others, to our cultural inheritance, and, most importantly, to God. Murphy addresses the questions of human uniqueness, religious experience, and personal identity before and after bodily resurrection.

Should you take the job? Quit the job? Begin a relationship? End a relationship? Move? Plant roots? How do we find God's will for life's big decisions? What if you had total freedom? Emerson Eggerichs believes there is a clear answer to finding God's will. The Bible itself reveals the clue--a secret hidden in plain sight. Before launching his Love & Respect marriage ministry with wife Sarah, Emerson was a senior pastor for nearly 20 years in East Lansing Michigan. Before that, Emerson and a friend ran a free counseling center called "The Open Door" in Cedar Rapids, Iowa. As Emerson navigated his career he found both he and the people he was counseling were wrestling with big decisions and knowing if that decision was really what God wanted. Immersing himself in God's word

for over 30 hours a week for 19 years, he discovered simple, clear truths that set him and many others free. There is a starting point to discovering God's Will for your next decision and for your entire life. Begin here to read stories of people in the same situations you face today. You'll be able to discover the freedom you've been searching for, and then, like Emerson, you'll help others find that freedom too.

Summary of Love & Respect by Dr. Emerson Eggerichs: Conversation Starters BroadStreet Publishing Group LLC

Become an informed, passionate citizen who demands honesty and integrity from our leaders or suffer the consequences of our own ignorance and apathy. In this updated and expanded New York Times bestselling nonpartisan book, Andy Andrews urges you to believe that seeking and discerning the truth really, really matters and that believing lies is the most dangerous thing you can do. You'll be challenged to become a more "careful student" of the past, seeking accurate, factual accounts of events and decisions that illuminate choices you face now. By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933 and 1945, Andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other. He includes several key documents written by our Founding Fathers as examples of America's core principles that present and future leadership should live up to and embrace. We can no longer measure a leader's worth by the yardsticks provided by the left or the right. Instead, we must use an unchanging standard: the pure, unvarnished truth.

A Revolutionary Solution to the #1 Marriage Problem Why does communication between couples remain the number one marriage issue? "Because," says Dr. Emerson Eggerichs, "most spouses don't know that they speak two different languages. They are sending each other messages in 'code,' but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect." Dr. Eggerichs' best-selling book, Love & Respect, launched a revolution in how couples relate to each other. In The Language of Love & Respect, he presents a practical, step-by-step approach for how husbands and wives can learn to speak each other's distinctly different language—respect for him, love for her. The result is mutual understanding and a successful, happy marriage. Previously released as Cracking the Communication Code

A Devotional Unlike Any Other! Through the millions of products sold on Love & Respect, Emerson Eggerichs has transformed marriages around the world with his biblically based approach to understanding the love that she most desires and the respect that he desperately needs. Now, in this long-awaited release, Emerson has created an experience for couples that is effective, flexible and life-changing. To build this couples devotional, Eggerichs has taken the top concerns that surfaced in a survey of thousands of couples and has developed 52 devotionals around the three cycles that are at the heart of Love and Respect. On one occasion the couple will be talking about how to stop the Crazy Cycle or keep it at bay. The very next devotional will talk about a concept built upon the Rewarded Cycle, which stresses the ultimate purpose for marriage. And the next may have both people talking about ways to use the Energizing Cycle in their efforts to love and respect each other. Some may ask, "Why 52 and not 365, like other couples devotionals I have seen?" The author's research shows that married couples don't want to deal with that much material, that often. Therefore, the specific devotionals, which can be done weekly or at any chosen pace, are specifically guided to what couples say they most need. And this is a husband-friendly devotional, having been written and designed in such a way that the husband can feel comfortable in the entire process. With this wealth of new material and video devotionals available online to support the product, The Love & Respect Experience will be indispensable to anyone wishing to better their marital relationship.

The Love She Most Desires; The Respect He Desperately Needs Thomas Nelson

In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is just that—a theology of love. With an autobiographical thread that turns a book into a story, pastor and speaker John Mark Comer shares about what is right in male/female relationships—what God intended in the Garden. And about what is wrong—the fallout in a post-Eden world. Loveology starts with marriage and works backward. Comer deals with sexuality, romance, singleness, and what it means to be male and female; ending with a raw, uncut, anything goes Q and A dealing with the most asked questions about sexuality and relationships. This is a book for singles, engaged couples, and the newly married—both inside and outside the church—who want to learn what the Scriptures have to say about sexuality and relationships. For those who are tired of Hollywood's propaganda, and the church's silence. And for people who want to ask the why questions and get intelligent, nuanced, grace-and-truth answers, rooted in the Scriptures.
