The "wonderful first novel about life, love, and lobster fishing" (USA Today) from the #1 bestselling author of Eat Pray Love, Big Magic and City of Girls Off the coast of Maine, Ruth Thomas is born into a feud fought for generations by two

groups of local lobstermen over fishing rights for the waters that lie between their respective islands. At eighteen, she has returned from boarding school-smart as a whip, feisty, and irredeemably unromantic-determined to throw over her education and join the "stern men" working the lobster boats. Gilbert utterly captures the American spirit through an unforgettable heroine who is destined for greatness-and love-despite herself in this the critically acclaimed debut.

Creative Living Beyond Fear Penguin

AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." - USA Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during

the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when

Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a

love story like no other.

HarperCollins

Recently, Elizabeth Gilbert unpacked some boxes of family books that had been sitting in her mother's attic for decades. Among the old, dusty hardbacks was a book called *At Home on the Range*, written by her great-grandmother, Margaret Yardley Potter. As Gilbert writes in her Foreword: "I jumped up and dashed through the house to find my husband, so I could read parts of it to him: Listen to this! The humor! The insight! The sophistication! Then I followed him around the kitchen while he was making our dinner (lamb shanks), and I continued reading aloud as we ate... By the end of the night there were three of us sitting at that table. Gima had come to join us, and she was

wonderful, and I was in love.' The cookbook was far ahead of its time. In it, Potter espouses the importance of farmer's markets and ethnic food (Italian, Jewish and German), derides preservatives and culinary shortcuts and generally celebrates a devotion to epicurean adventures. Potter takes car trips out to Pennsylvania Dutch country to eat pickled pork products, and to the eastern shore of Maryland, where she learns to catch and prepare eels so delicious, she says, they must be 'devoured in a silence almost devout'. Part scholar and part crusader for a more open food conversation than currently existed, it's not hard to see where Elizabeth Gilbert inherited both her love of food and her warm, infectious prose. *At Home on the Range* is a

fascinating, humorous and useful cookbook from the past that is essential for the present day.

Elizabeth is in her thirties, settled in a large house with a husband who wants to start a family. But she doesn't want any of it. A bitter divorce and a rebound fling later, Elizabeth emerges battered yet determined to find what she's been missing. So begins her quest. In Rome,

A glorious, sweeping novel of desire, ambition, and the thirst for knowledge, from the # 1 New York Times bestselling author of *Eat Pray Love*, *Big Magic*, and *City of Girls* In *The Signature of All Things*, Elizabeth Gilbert returns to fiction, inserting her inimitable voice into an enthralling story of love, adventure and discovery. Spanning much of the eighteenth and nineteenth centuries, the novel follows the fortunes of the extraordinary Whittaker family as led by the enterprising Henry Whittaker—a

poor-born Englishman who makes a great fortune in the South American quinine trade, eventually becoming the richest man in Philadelphia. Born in 1800, Henry's brilliant daughter, Alma (who inherits both her father's money and his mind), ultimately becomes a botanist of considerable gifts herself. As Alma's research takes her deeper into the mysteries of evolution, she falls in love with a man named Ambrose Pike who makes incomparable paintings of orchids and who draws her in the exact opposite direction—into the realm of the spiritual, the divine, and the magical. Alma is a clear-minded scientist; Ambrose a utopian artist—but what unites this unlikely couple is a desperate need to understand the workings of this world and the mechanisms behind all

life. Exquisitely researched and told at a galloping pace, *The Signature of All Things* soars across the globe—from London to Peru to Philadelphia to Tahiti to Amsterdam, and beyond. Along the way, the story is peopled with unforgettable characters: missionaries, abolitionists, adventurers, astronomers, sea captains, geniuses, and the quite mad. But most memorable of all, it is the story of Alma Whittaker, who—born in the Age of Enlightenment, but living well into the Industrial Revolution—bears witness to that extraordinary moment in human history when all the old assumptions about science, religion, commerce, and class were exploding into dangerous new ideas. Written in the bold, questing spirit of that singular time, Gilbert's wise, deep, and

spellbinding tale is certain to capture the hearts and minds of readers.
