American Buffalo, which won both the Drama Critics Circle Award for the best American play and the Obie Award, is considered a classic of the American theater. *Newsweek* acclaimed Mamet as the “hot young American playwright . . . someone to watch.” *The New York Times* exclaimed in admiration: “The man can write!” Other critics called the play “a sizzler,” “super,” and “dynamite.” Now from Gregory Mosher, the producer of the original stage production, comes a stunning screen adaptation, directed by Michael Corrente and starring Dustin Hoffman, Dennis Franz, and Sean Nelson. A classic tragedy, *American Buffalo* is the story of three men struggling in the pursuit of their distorted vision of the

American Dream. By turns touching and cynical, poignant and violent, *American Buffalo* is a piercing story of how people can be corrupted into betraying their ideals and those they love.

 Evaluation at work has attracted much criticism and its damaging effects are well known, so why does it continue to gain ground in every field? *Evaluation at Work: A Psychoanalytical Critique* offers an original answer to this question: evaluation spreads because we want to be evaluated. Developing a critical reflection from a psychoanalytic perspective, it argues that workers are not mere victims of evaluation systems but are complicit in them. In this fascinating volume, Bénédicte Vidaillet focuses on the aspects of our subjectivity that come into play in evaluation at work —our expectations, desires, need for recognition, our conceptions of ourselves at work, as well as our relationship with others such as colleagues, managers or clients — to explore how evaluation affects us, where it gets its evocative power, and what it stirs within us to make us want it, despite its

detrimental effects in its currently practiced form. Chapters draw on real-life examples, case studies from a variety of organizations, and observations from clinical practice, to provide insight into the many mechanisms that have enabled evaluation to spread unimpeded through our subjective complicity in the process, revealing how they came to seem so innocuous. This book will be of interest to scholars studying the topic of evaluation at work from a critical perspective as well as professionals who use evaluation systems or are under the pressure of evaluation in all sectors and organizations. By exposing the psychological mechanisms that evaluation uses to appeal to us, it gives each of us the tools we need to break free of its grasp.

 This collection combines all three *Darlings* novels by Carre Armstong Gardner into one e-book for a great value! #1 *All Right Here*: Ivy Darling can’t have children of her own, and her husband Nick’s resentment is forcing them apart. And while Ivy has the support and love of her large, close-

knit family, Nick's family has never welcomed her into the fold. When the three children next door are abandoned by their mother, Ivy and Nick take them in for the night. One night becomes several, and suddenly Ivy and Nick find themselves foster parents to the only African-American kids in the town of Copper Cove, Maine. As Ivy grows more attached to the children, Nick refuses to accept their eclectic household as a permanent family. Just as Ivy begins to question whether or not she wants to save her emotionally barren marriage, Nick begins to discover how much Ivy and the children mean to him. But is his change of heart too little, too late? #2 *Better All the Time* Seraphina Darling has always struggled to stand out. With her weight issues at the forefront of her mind, Sephy prefers to place herself comfortably in the background. But when Sephy's best friend and older brother announce their engagement, she vows to make a permanent change in her appearance and her life. Meanwhile her younger sister, Amy, lands her dream job: coordinating the restoration of the community theater's arts programs. As the deadline for the project's completion

approaches, Amy continues to run herself ragged, struggling to delegate and trust anyone but herself. As the Darling sisters move through tragedy and triumph, between shadows and the limelight, each must find a path into the freedom of who God intended her to be. #3 *They Danced On Nothing* is more important to Jane Darling than her family. She's dedicated her life to raising her children, and they all appear to be doing well. She can finally relax and enjoy life. But when her husband becomes seriously ill, Jane finds herself taking on the most difficult role of her life. Laura Darling moved away to escape the expectations of her family. Ever since she went through rehab, they watch her like a hawk. Now she has a good job, new friends, and no one to criticize her or comment on everything she's doing. But when everything begins to unravel, Laura's heart turns toward home. Follow the Darling family through triumph and tragedy as they struggle with an uncertain future.

"Mud, Sweat, and Gears is not only an incredible human-powered journey, but it's

also about the intricate, poignant and often hilarious family dynamics that result. The Metal Cowboy's most compelling book yet." —Heidi Swift, *The Oregonian* After seventeen years, who would road test a perfectly good marriage by putting it on a summer-long, self-contained bicycle adventure across Canada? Only the Metal Cowboy, of course. Beth Biagini Kurmaskie, the woman behind the manchild, has finally saddled up on her own volition, if only to bring a bit of parental supervision to the mix. She struggles a bit at first, while celebrating summer, speed, the simple pleasures of a road trip powered by one's own muscles, and family—what it means to be part of one stripped of the "comforts and noise" of the modern world, riding sixteen feet of bicycle train. With three sons aboard, one celebrating his first birthday, a nursing mother finds her inner Xena Warrior Cyclist and all the reasons why she's stayed married to a whirling dervish of a husband. And Beth's progression from newbie cyclist to totally ripped veteran will be an inspiration to anyone considering taking to the road on a bike. *Mud, Sweat, and Gears* brings together absurd and

sublime moments, introduces an American family to the wilds of Canada, uncovers choice characters (man and animal), and finds all the humor and pathos a Metal Cowboy adventure is famous for. If *Momentum Is Your Friend* was about fathers, sons, and hometown heroes, *Mud, Sweat, and Gears* is about mothers, wives, family, and the glue that holds the world together. With an extra twist: revealing and outrageous footnotes from Beth throughout, filling in the backstories to many previous Metal Cowboy tales and seventeen years of marriage.

Fifteen young adult authors and one real-life rock star band together for one epic—and interconnected—take on a memorable high school rite of passage. A daughter of rock 'n' roll royalty has a secret crush. A lonely ticket taker worries about his sister. An almost-famous songwriter nurses old wounds. A stage manager tires of being behind the scenes. A singer-songwriter struggles to untangle her feelings for her best friend and his girlfriend. In this live-out-loud anthology, the disparate protagonists of sixteen

stories are thrown together for one unforgettable event: their high school's battle of the bands. Told in a harmonic blend of first- and third-person narrative voices, roughly chronological short stories offer a kaleidoscopic view of the same transformative night. Featuring an entry from Justin Courtney Pierre, lead vocalist of Motion City Soundtrack, *Battle of the Bands* is a celebration of youth, music, and meeting the challenges of life head-on. With stories by Brittany Cavallaro, Preeti Chhibber, Jay Coles, Katie Cotugno, Lauren Gibaldi, Shaun David Hutchinson, Ashley Poston, Jenny Torres Sanchez, Sarah Nicole Smetana, Eric Smith, Jenn Marie Thorne, Sarvenaz Taghavian, Jasmine Warga, Ashley Woodfolk, and Jeff Zentner, and featuring Motion City Soundtrack's Justin Courtney Pierre.

Bringing together one of the most important bodies of research into people's working practices, this volume outlines the specific character of the ethnomethodological approach to work, providing an introduction to the key conceptual resources ethnomethodology has drawn upon in its studies, and a set of substantive chapters that examine how people work from a foundational perspective. With contributions from leading experts in the field, including Graham Button, John Hughes and Wes Sharrock, *Ethnomethodology at Work* explores the contribution that ethnomethodological studies continue to make to our understanding of the ways in which people actually accomplish work from day to day. As such, it will appeal not only to those working in the areas of ethnomethodology and conversation analysis, but also to those with interests in the sociology of work and organisations. Ask a Manager Golden/Disney America is a nation making itself up as it goes along—A story of discovery and invention unfolding in speeches and images, letters and poetry, unprecedented feats of scholarship and imagination. In these myriad, multiform, endlessly changing expressions of the American experience, the authors and editors of this volume find a new American history. In more than two hundred original essays, *A New Literary History of America* brings together the nation's many voices. From the first conception of a New World in the sixteenth century to the latest re-envisioning of that world in cartoons, television, science fiction, and hip hop, the book gives us a new, kaleidoscopic view of what "Made in America" means. Literature, music, film, art, history, science, philosophy, political rhetoric—cultural creations of every kind appear in relation to each other, and to the time and place that give them shape. The meeting of minds is extraordinary as T. J. Clark writes on Jackson Pollock, Paul Muldoon on Carl Sandburg, Camille Paglia on Tennessee Williams, Sarah Vowell on Grant Wood's American Gothic, Walter

Mosley on hard-boiled detective fiction, Jonathan Lethem on Thomas Edison, Gerald Early on Tarzan, Bharati Mukherjee on *The Scarlet Letter*, Gish Jen on *Catcher in the Rye*, and Ishmael Reed on *Huckleberry Finn*. From Anne Bradstreet and John Winthrop to Philip Roth and Toni Morrison, from Alexander Graham Bell and Stephen Foster to Alcoholics Anonymous, Life, Chuck Berry, Alfred Hitchcock, and Ronald Reagan, this is America singing, celebrating itself, and becoming something altogether different, plural, singular, new. Building with Our Hands AuthorHouse From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this

incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan

of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Published to celebrate The Metropolitan Museum of Art's 150th anniversary, *Making The Met, 1870–2020* examines the institution's evolution from an idea—that art can inspire anyone who has access to it—to one of the most beloved global collections in the world. Focusing on key transformational moments, this richly illustrated book provides insight into the visionary figures and events that led The

Met in new directions. Among the many topics explored are the impact of momentous acquisitions, the central importance of education and accessibility, the collaboration that resulted from international excavations, the Museum's role in preserving cultural heritage, and its interaction with contemporary art and artists. Complementing this fascinating history are more than two hundred works that changed the very way we look at art, as well as rarely seen archival and behind-the-scenes images. In the final chapter, Met Director Max Hollein offers a meditation on evolving approaches to collecting art from around the world, strategies for reaching new and diverse audiences, and the role of museums today.

As the magazine of the Texas Exes, *The Alcalde* has united alumni and friends of The University of Texas at Austin for nearly 100 years. The *Alcalde* serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

From *Out of the Shadows* was the first full study of Mexican-American women in the twentieth century. Beginning with the first wave of Mexican women crossing the border early in the century, historian Vicki L. Ruiz reveals the struggles they have faced and the communities they have built. In a narrative enhanced by

interviews and personal stories, she shows how from labor camps, boxcar settlements, and urban barrios, Mexican women nurtured families, worked for wages, built extended networks, and participated in community associations--efforts that helped Mexican Americans find their own place in America. She also narrates the tensions that arose between generations, as the parents tried to rein in young daughters eager to adopt American ways. Finally, the book highlights the various forms of political protest initiated by Mexican-American women, including civil rights activity and protests against the war in Vietnam. For this new edition of *From Out of the Shadows*, Ruiz has written an afterword that continues the story of the Mexicana experience in the United States, as well as outlines new additions to the growing field of Latina history.
