From New York Times bestseller and Pulitzer Prize winner Junot Díaz comes a debut picture book about the magic of memory and the infinite power of the imagination. A 2019 Pura Belpré Honor Book for Illustration Every kid in Lola's school was from somewhere else. Hers was a school of faraway places. So when Lola's teacher asks the students to draw a picture of where their families immigrated from, all the kids are excited. Except Lola. She can't remember The Island—she left when she was just a baby. But with the help of her family and friends, and their memories—joyous, fantastical, heartbreaking, and frightening—Lola's imagination takes her on an extraordinary journey back to The Island. As she draws closer to the heart of her family's story, Lola comes to understand the truth of her abuela's words: "Just because you don't remember a place doesn't mean it's not in you." Gloriously illustrated and lyrically written, *Islandborn* is a celebration of creativity, diversity, and our imagination's boundless ability to connect us—to our families, to our past and to ourselves.

#1 NEW YORK TIMES BESTSELLER • Over two million copies sold! "Packed with incredible insight about what it means to be a woman today."—Reese Witherspoon (Reese's Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and "patron saint of female empowerment" (People) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • "Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal."—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There

is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. *Untamed* shows us how to be brave. As Glennon insists: The braver we are,

the luckier we get.

The Snarkiest Sci-Fi Series in the Galaxy is Back! After saving an alien race and its god from a sentient zombie virus, Cal Carver and the crew of the Dread Ship Shatner are feeling pretty pleased with themselves. Unfortunately, the creator of the zombie virus is out for revenge, and has recruited the galaxy's deadliest - and oldest - assassin, Lady Vajazzle, to hunt Space Team down. But when Vajazzle discovers the crew is under the protection of a wolf-like species known as the Greyx, she is forced to implement a Plan B so diabolical it threatens to plunge the entire star system into chaos. With time running out, Cal must find a way to outmaneuver and outgun the galaxy's greatest killer before she

murders his friends, butchers the Greyx, and buys the whole galaxy a one-way ticket to total annihilation. Featuring murderous senior citizens, a moon of death, and a pointy stick that could change the fate of the universe, *Space Team: The Wrath of Vajazzle* is the second relentlessly funny science fiction book in the bestselling *Space Team* series by award-winning author, Barry J. Hutchison.

On some days, you are no less than Sherlock Holmes. But on others, you are just a regular policeman on bundobast duty. *Me against the Mumbai Underworld* is the story of Isaque Bagwan, three-time recipient of the President's Police Medal for Gallantry and a small-town boy who pursued his big-city dreams and ambitions as an upright police officer. Bagwan, who is credited with carrying out the first encounter in the history of Mumbai Police, was witness to several of the city's defining moments-the 1980s when smuggling was at an all-time high, the blasts that tore through Bombay in the '90s, the gang wars that marked the city, and the devastating 26/11 terror attack. His life, which has captured the imagination of many writers and filmmakers, is presented here with all its gut-wrenching details.

Do the police owe a duty to protect citizens from criminal attack? This book explains why, in most of the United States, the answer is "no." In most cases the law does not even require the police to respond to emergency 911 calls. This compact paperback devotes one short chapter to each of the 50 states, Puerto Rico, the Virgin Islands, the District of Columbia and Canada, to show how statutes and court decisions consistently hold that the police generally have "no duty" to protect individual citizens. Most chapters reveal the true stories, taken from published court opinions, that describe the plight of citizens who relied solely upon their telephone and police response for emergency help against a violent criminal. Not only did those crime victims not get help, the local government and police escaped legal responsibility for failing to help those victims. Highlighting the importance of personal and family defense, the book also retells 45 stories about people who successfully defended themselves long before any police could help. Footnotes provide full citations to primary and secondary legal sources for all laws and case decisions. 271 pages; footnotes.

A collection of stupid utterances, mostly unintentional--although not always--from politics, show business, sports, and anywhere else people can put their feet in their mouths. Based on recorded history, it's safe to say that dumb remarks have been with us since the invention of writing. Young or old, rich or poor, famous or unknown, people of all generations and cultures have seized the opportunity to say something dumb - stupidity has always been an equal opportunity employer. In celebration of such mental lapses and pure idiocy, here is a collection of stupid utterances, unintentional and otherwise, from the worlds of politics, radio, television, newspapers, show business, sports, and literature - and everywhere else people can - and have - put their feet in their mouths.

A *New York Times*, *USA Today*, *Wall Street Journal*, and *Amazon Charts* Bestseller! For fans of *Hidden Figures*, comes the incredible true story of the women heroes who were exposed to radium in factories across the U.S. in the early 20th century, and their brave and groundbreaking battle to strengthen workers' rights, even as the fatal poison claimed their own lives... In the dark years of the First World War, radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion to tonic water, the popular new element shines bright. Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive — until they begin to fall mysteriously ill. And, until they begin to come forward. As the women start to speak out on the corruption, the factories that once offered golden opportunities ignore all claims of the gruesome side effects. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come. A timely story of corporate greed and the brave figures that stood up to fight for their lives, these women and their voices will shine for years to come. Written with a sparkling voice and breakneck pace, *The Radium Girls* fully illuminates the inspiring young women exposed to the "wonder"

substance of radium, and their awe-inspiring strength in the face of almost impossible circumstances. Their courage and tenacity led to life-changing regulations, research into nuclear bombing, and ultimately saved hundreds of thousands of lives...

There is September 11 and then there are the days after, and finally the years. Falling Man is a magnificent, essential novel about the event that defines turn-of-the-century America. It begins in the smoke and ash of the burning towers and tracks the aftermath of this global tremor in the intimate lives of a few people. First there is Keith, walking out of the rubble into a life that he'd always imagined belonged to everyone but him. Then Lianne, his estranged wife, memory-haunted, trying to reconcile two versions of the same shadowy man. And their small son Justin, standing at the window, scanning the sky for more planes. These are lives choreographed by loss, grief and the enormous force of history. Brave and brilliant, Falling Man traces the way the events of September 11 have reconfigured our emotional landscape, our memory and our perception of the world. It is cathartic, beautiful, heartbreaking.

March 1993. Mumbai was rocked by a series of bomb blasts. Unknown to most, Dawood Ibrahim, the mastermind behind the terror attack, had made several calls to the CBI. The don was desperate to prove his 'innocence' by giving himself up, but with conditions. October 1999. The world's very first case of cricket match-fixing led to the banning of six top Indian cricketers,

including the then team captain. It was only in 2013, after the then commissioner of police revived the case, that a charge sheet was filed in a court of law. January 2002. Aftab Ansari—a notorious Dubai-based don responsible for kidnapping a shoe baron in 2001 with the help of Jihadi groups in Pakistan—was arrested just as he was about to escape Dubai on a forged passport to Pakistan. All these cases of life-threatening moments and unbelievable relief, involved the sharp investigative skills of an Indian Police Service officer then serving in the CBI. In his thirty-seven years of service, Neeraj Kumar neutralized several terror modules and decimated insidious organized crime syndicates spanning continents, working closely with Interpol, FBI, Scotland Yard and several national and international agencies. Much decorated and feted, he hung up his boots in 2013, after his last calling as Delhi's police commissioner. He has now decided that the inside details of what have been some of the most fascinating crime stories of our times must not go unheard and untold. The book covers several high-profile cases cracked by him in recent years, including the arrest and deportation of Aftab Ansari, the main accused in the shooting at the American Center in Kolkata, the nabbing of Jagtar Singh Tara, the man behind Punjab CM Beant Singh's assassination, and the arrest of Romesh Sharma, a Dawood henchman masquerading as a politician based in Delhi.

Three years ago, the brutal killing of a young TV producer called Neeraj Grover sent shockwaves through Mumbai. An alluring aspiring actress, Maria Susairaj, and her dashing naval officer boyfriend, Emile Jerome, were accused of killing him and hacking his body into pieces, before setting it on fire. The cast of characters was young, attractive, and upwardly mobile, the press hungry for a headline. As details of the case unravelled, the questions flew around—what had gone wrong? What made these young professionals turn to violent crime? Was it the savage pressure of the city, or was the motive even darker? This book will shock and inspire a much needed change in perception of celebrity culture and Bollywood. It's about so much more than a contested killing case and will be a talking point for years to come.
