Herbert A Simon Administrative Behavior: a
Study of Decision-Making Processes in
Administrative Organization is a book
written by Herbert A. Simon (1916–2001).
It asserts that "decision-making is the
heart of administration, and that the
vocabulary of administrative theory must
be derived from the logic and psychology
of human choice", and it attempts to
describe administrative organizations "in a
way that ...Administrative Behavior -

Herbert A. Simon applies his pioneering
theory of human choice and administrative
decision-making to concrete organizational
problems. Administrative Behavior by
Herbert A. Simon In Herbert A. Simon " In
his influential book Administrative
Behavior (1947), Simon sought to replace
the highly simplified classical approach to
economic modeling—based on a concept
of the single decision-making, profit-
maximizing entrepreneur—with an
approach that recognized multiple factors
that contribute to decision making.
According to Simon, this theoretical
framework provides a ...Administrative
