The behavioral psychologist onboard a survey ship headed to a

planet ripe for colonization, Dr. Grace Park must determine the origin of a strange phenomenon that is causing the crew to suffer mental breaks without losing her own mind in the process.

A Poem for Peter Andrews McMeel Publishing

An Instant New York Times Bestseller From the #1 New York

Times bestselling author of Furiously Happy and Let's Pretend

This Never Happened comes a deeply relatable book filled with

humor and honesty about depression and anxiety. As Jenny Lawson's hundreds of thousands of fans know, she suffers from depression. In *Broken*, Jenny brings readers along on her mental and physical health journey, offering heartbreaking and hilarious anecdotes along the way. With people experiencing anxiety and depression now more than ever, Jenny humanizes what we all face in an all-too-real way, reassuring us that we're not alone and making us laugh while doing it. From the business ideas that she wants to pitch to Shark Tank to the reason why Jenny can never go back to the post office, *Broken* leaves nothing to the imagination in the most satisfying way. And of course, Jenny's long-suffering husband Victor—the Ricky to Jenny's Lucille Ball—is present throughout. A treat for Jenny Lawson's already existing fans, and destined to convert new ones, *Broken* is a beacon of hope and a wellspring of laughter when we all need it most. Includes Photographs and Illustrations

### **Confessions of a Male Nurse (The Confessions Series)**

Insight Editions

In *Furiously Happy*, #1 New York Times bestselling author Jenny Lawson explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. But terrible ideas are what Jenny does best. As Jenny says: "Some people might think that being 'furiously happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invite a herd of kangaroos into their house. Two is the limit. I speak from personal

experience. My husband says that none is the new limit. I say he should have been clearer about that before I rented all those kangaroos. "Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote in *The Breakfast Club*, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.'" *Furiously Happy* is about "taking those moments when things are fine and making them amazing, because those moments are what make us who we are, and they're the same moments we take into battle with us when our brains declare war on our very existence. It's the difference between "surviving life" and "living life". It's the difference between "taking a shower" and "teaching your monkey butler how to shampoo your hair." It's the difference between being "sane" and being "furiously happy." Lawson is beloved around the world for her inimitable humor and honesty, and in *Furiously Happy*, she is at her snort-inducing funniest. This is a book about embracing everything that makes us who we are - the beautiful and the flawed - and then using it to find joy in fantastic and outrageous ways. Because as Jenny's mom says, "Maybe 'crazy' isn't so bad after all." Sometimes crazy is just right.

*Should We Eat Meat?* Baker Books

The newest Sarah's Scribbles collection from New York Times bestselling author and Goodreads Choice award winner Sarah Andersen. The fourth book in the enormously popular graphic novel series, the latest collection of Sarah's Scribbles comics explores the evils of procrastination, the trials of the creative process, the cuteness of kittens, and the beauty of not caring

about your appearance as much as you did when you were younger. When it comes to humorous illustrations of the awkwardness and hilarity of millennial life, Sarah's Scribbles is without peer.

### **Unfolding** Turtleback

Grade 9 Up-Johnson begins this exceptional novel in a lightweight fashion but quickly segues into more serious issues that affect the three young women who make up the Bermudez Triangle. It is the summer before their senior year in Saratoga Springs, NY. At first, organized, serious Nina has trouble adjusting to her leadership workshop at Stanford University. Although she desperately misses Avery and Mel, who are waitresses at a restaurant back home, she quickly falls head over heels for eco-warrior Steve, who has grown up in a commune on the West Coast—so different from Nina's secure middle-class experience. When she returns to New York, she immediately senses that Mel and Avery are keeping secrets and soon discovers that they have become lovers. Rocked to the core, Nina wishes them happiness, but feels excluded and lonely, especially as her long-distance relationship begins to deteriorate. As is typical for teens, the girls obsess ad nauseam over their romantic relationships. Yet this narrow focus lends authenticity to the narrative, and readers become drawn into the characters' lives as they stumble toward adulthood, fall in and out of love, enlarge their circle of friends, and rethink their values.

### *Walking the Dog* arsenal pulp press

From Coy Bowles, lead guitarist in the GRAMMY-award winning Zac Brown Band, comes a children's story about hard work and self-confidence. Will Powers: Where There's a Will There's a Way

is a tale about overcoming self-entitlement and achieving your goals with dedication and a strong work ethic. Will's journey with music teaches him the value of hard work and the power of believing in yourself. It's a classic story with a message that kids, parents, and teachers can relate to and rejoice in.

### *Barely Functional Adult* Random House

For use in schools and libraries only. The creator of the immensely popular "Hyperbole and a Half" blog presents an illustrated collection of her hilarious stories with fifty percent new content.

### **Unicorn Your Life** Crown

"Funny, introspective, and touching. . . . The lessons Meichi gently shares with us through delightful stories are full of wisdom for people at any life stage who need a reminder they're not alone." —Mari Andrew, author of *Am I There Yet?* From the creator of *Barely Functional Adult*, a painfully relatable webcomic with over 130k followers on Instagram, comes a never-before-seen collection of incriminating short stories about exes, murder, friendship, therapy, anxiety, Hufflepuff, sucking at things, freaking out about things, calming down momentarily, melodrama, wrinkles, pettiness, and other wonderful delights. Wielding her trademark balance of artful humor, levity, and heartbreaking introspection, Meichi Ng's indisputably relatable collection of short stories holds a mirror to our past, present, and future selves. Featuring a swaddled *Barely Functional Adult* as its protagonist who says all the things we think but dare not say, this book is equal parts humorous and heartbreaking as it spans a spectrum of topics from imposter syndrome, therapy, friendships, first loves, letting go of exes, to just trying to find your purpose in

the world. Prepare to excitedly shove this book in your friend's face with little decorum as you shout, "THIS IS SO US!" In this beautiful, four-color collection compiled completely of never-before-seen content, Meichi perfectly captures the best and worst of us in every short story, allowing us to weep with pleasure at our own fallibility. Hilarious, relatable, and heart-wrenchingly honest, Barely Functional Adult will have you laughing and crying in the same breath, while taking solace in the fact that we're anything but alone in this world.

Trivia: Hyperbole and a Half by Allie Brosh (Trivia-On-Books): Unfortunate Situations, Flawed Coping Mechanisms, Mayhem, and Other Things That Happened Penguin

From the people who brought you the bestselling Confessions of a GP.

My Dog: The Paradox Simon and Schuster

This eponymous comic became an instant hit when it went live on The Oatmeal.com and was liked on Facebook by 700,000 fans. Now fans will have a keepsake book of this comic to give and to keep. In My Dog: The Paradox, Inman discusses the canine penchant for rolling in horse droppings, chasing large animals four times their size, and acting recklessly enthusiastic through the entirety of their impulsive, lovable lives. Hilarious and heartfelt, My Dog: The Paradox eloquently illustrates the complicated relationship between man and dog. We will never know why dogs fear hair dryers, or being baited into staring contests with cats, but as Inman explains, perhaps we love dogs so much "because their lives aren't lengthy, logical, or deliberate, but an explosive paradox composed of fur, teeth, and enthusiasm."

Hyperbole and a Half Andrews McMeel Publishing

A celebration of the extraordinary life of Ezra Jack Keats, creator of The Snowy Day. The story of The Snowy Day begins more than one hundred years ago, when Ezra Jack Keats was born in Brooklyn, N.Y. The family were struggling Polish immigrants, and despite Keats's obvious talent, his father worried that Ezra's dream of being an artist was an unrealistic one. But Ezra was determined. By high school he was winning prizes and scholarships. Later, jobs followed with the WPA and Marvel comics. But it was many years before Keats's greatest dream was realized and he had the opportunity to write and illustrate his own book. For more than two decades, Ezra had kept pinned to his wall a series of photographs of an adorable African American child. In Keats's hands, the boy morphed into Peter, a boy in a red snowsuit, out enjoying the pristine snow; the book became The Snowy Day, winner of the Caldecott Medal, the first mainstream book to feature an African American child. It was also the first of many books featuring Peter and the children of his — and Keats's — neighborhood. Andrea Davis Pinkney's lyrical narrative tells the inspiring story of a boy who pursued a dream, and who, in turn, inspired generations of other dreamers.

Quick tips and fun workarounds to solve problems large and small! Did you know that you can turn a bag of chips into a bowl in an instant? Or that you can peel a mango with a glass? Make a speaker with a toilet roll and two plastic cups? This is a collection of 200 clever and useful life hacks, with pictures included, for your home, garden, kids, and much more. Get started and you may find yourself inventing some shortcuts of your own!

Hyperbole and a Half Andrews McMeel Publishing Funny Bones tells the story of how the amusing calaveras—skeletons performing various everyday or festive activities—came to be. They are the creation of Mexican artist José Guadalupe (Lupe) Posada (1852–1913). In a country that was not known for freedom of speech, he first drew political cartoons, much to the amusement of the local population but not the politicians. He continued to draw cartoons throughout much of his life, but he is best known today for his calavera drawings. They have become synonymous with Mexico's Día de los Muertos (Day of the Dead) festival. Juxtaposing his own art with that of Lupe's, author Duncan Tonatiuh brings to light the remarkable life and work of a man whose art is beloved by many but whose name has remained in obscurity. The book includes an author's note, bibliography, glossary, and index.

*Hyperbole and a Half* John Wiley & Sons

The comedian and Internet star shares her experiences with family, sexuality, mental health, friendship & love in this New York Times–bestselling memoir. The wildly popular YouTube personality, star of Food Network's *I Heart Food*, and author of the New York Times–bestseller *My Drunk Kitchen is Back!* This time, she's stirring up memories and tales from her past. By combing through the journals that Hannah has kept for much of her life, this collection of narrative essays deliver a fuller picture of her life, her experiences, and the things she's figured out about family, faith, love, sexuality, self-worth, friendship and fame. Revealing what makes Hannah tick, this sometimes cringe-worthy, poignant collection of stories is sure to deliver plenty of Hannah's wit and wisdom, and hopefully encourage you to try

your hand at her patented brand of reckless optimism. With a New Afterword by the Author “By turns hilarious and heartbreaking, Hannah Hart's new book is a roaring, beautiful, and profoundly human account of an extraordinary life.” —John Green “Hannah shares her truth with an honesty that is inspiring—one that makes me believe her when she says that it's going to get better or that laughter is just around the corner or that you aren't alone.” —Jenny Lawson, #1 New York Times–bestselling author of *Let's Pretend This Never Happened* and *Furiously Happy* “The topics are grim, but there is kindness in her story, and, most significantly, humor. Fans will be pleased that other stars such as comedian Grace Helbig make guest appearances, and, like a true role model, Hart uses her platform to raise awareness of the shortcomings of the current U.S. medical system in treating mental health.” —Publishers Weekly

**Orlando Bloom Has Ruined Everything** Simon and Schuster Jonah wishes he could get the girl, but he's an outcast and she's the most perfect girl he knows. And their futures seemed destined to fork apart: Jonah's physical condition is debilitating, and epileptic seizures fill his life with frustration. Whereas Stormi is seemingly carefree, and navigates life by sensing things before they happen. And her most recent premonition is urging her to leave town. When Stormi begs Jonah for help, he finds himself swept into a dark mystery his small town has been keeping for years. And the answers Stormi needs about her own past could possibly destroy everything Jonah has ever known—including his growing relationship with Stormi herself. Advance praise: “Friesen's story unfolds with so much intrigue, swells with so much heart, I had to keep reading. And the writing? Beautiful!”

—Jay Asher, author of the #1 New York Times bestselling novel *Thirteen Reasons Why* “As someone with Tourette Syndrome, I grew up with a condition that others did not understand. It affected the way I was viewed and the way I viewed myself. I applaud Jonathan Friesen for telling a story about overcoming such a challenge in *Unfolding*. Hopefully, this will inspire others growing up with such conditions as well as help everyone else better understand what is involved.” —Tim Howard, former US national team goaltender and current goalkeeper for the Colorado Rapids

*Buffering* Feiwel & Friends

Rediscover your sense of wonder! Generations of comic book readers remember the tantalizing promises of vintage novelty advertisements that offered authentic laser-gun plans, x-ray specs, and even 7-foot-tall monsters (with glow-in-the-dark eyes!). But what would you really get if you entrusted your hard-earned \$1.69 to the post office? *Mail-Order Mysteries* answers this question, revealing the amazing truths (and agonizing exaggerations) about the actual products marketed to kids in the '60s, '70s, and '80s. Pop-culture historian Kirk Demarais shares his astonishing collection, including: 100 Toy Soldiers in a Footlocker Count Dante's World's Deadliest Fighting Secrets GRIT Hercules Wrist Band Hypno-Coin Life-Size Monsters Mystic Smoke Sea Monkeys Soil From Dracula's Castle U-Control Ghost Ventrilo Voice Thrower ...and many, many more! With more than 150 extraordinary, peculiar, and downright fraudulent collectibles, *Mail-Order Mysteries* is a must-have book comic book fans everywhere. Trust us.

**Animals Talking in All Caps** Flatiron Books

Humorist Keaton Patti "forced a bot" to digest massive amounts of human media to produce these absurdly funny, “totally real,”

“bot-generated” scripts, essays, advertisements, and more. Ever wonder what an AI bot might come up with if tasked with creative writing? From Olive Garden commercials to White House press briefings to Game of Thrones scripts, writer and comedian Keaton Patti’s “bot” recognizes and heightens the tropes of whatever it’s reproducing to hilarious effect. Each “bot-generated” piece can be enjoyed as surrealist commentary on the media we consume every day or simply as silly robot jokes—either way, you’ll probably end up laughing.

**Mail-Order Mysteries** Weldon Owen International  
#1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one

wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars\* Stories about dogs The secret to eternal happiness\* \*These are lies. Perhaps I have underestimated my sneakiness!
