John Wiley & Sons  
Selling on Ebay is both fun and profitable, but keeping track of those profits can leave some sellers overwhelmed. In "Ebay Accounting Made Easy!", author, herself an Ebay PowerSeller, shares with you the EASY bookkeeping system she has been using since 2005; the same one she paid an accountant to set up for her. This short,

easy-to-read booklet will walk you step-by-step through the process of setting up an easy system for keeping track of your expenses so that you will be prepared come tax time. Don't worry if you aren't a math wiz or don't have a complicated spreadsheet program as you don't need either. Follow the steps in this guide and you'll have an easy system for your Ebay accounting set up in no time

at all!  
Basic Accounting Principles Simplified for Accounting Students Bbp  
The authors employ a unique teaching method that begins with the first phase of the accounting process, the journal entry, and immediately skips to the last phase, the trial balance, purposely omitting journals and ledgers. Then, when journals and ledgers are taught the student understands

journals and ledgers are merely devices to enable the numbers to go from the first phase to the last phase. In this manner the student understands the theory of accounting. Basic Accounting Simplified offers real-world examples in the form of sixteen business transactions that are thoroughly examined, illustrated, and explained from various perspectives. In addition,

tables, charts, and diagrams combine with consistently clear, direct language to create a complete set of accounting books. Basic Accounting Simplified also discusses and explains how to prepare financial statements. "Where was this book when I was in school studying accounting?" asks nationally renowned tax expert and lecturer Sidney Kess, CPA, JD, LL.M. "It really is basic

accounting simplified."	faster than	Made

essential guide for a clear, concise, understandable explanation of government finances. *Bookkeeping Made Simple* John Wiley & Sons The first part of this book is intended for people who want to know something about the fundamentals of bookkeeping without necessarily becoming a certified bookkeeper. *Teach Yourself "A high-level introduction to accounting/bookkeeping"*--P. facing t.p.

Ebay Accounting Made Easy John Wiley & Sons For most students in an Introductory Accounting course, the first week is a terrible experience -- learning the unusual concepts of debits and credits is a major headache. The purpose of *Debits and Credits Made Easy* is to eliminate the confusion surrounding debits and credits -- to present these concepts in a simple,

straight-forward manner. Basic Accounting Concepts & Procedures' 2006 Ed. Bookstand Publishing "Fantastic Learning Tool...Don't let this book title fool you. It is not an oversimplification of accounting and financial principles. It is, however, a serious and very effective examination of a very small but progressively complex business. There are not many books

available on the market that make a complex and dry subject understandable and even fun. This book successfully does just that." - Amazon Reviewer The Clearest Explanation Ever of the Key Accounting Basics The world of accounting can be intimidating. Whether you're a manager, business owner or aspiring entrepreneur, you've likely found yourself

needing to know basic accounting...but baffled by complicated accounting books. What if learning accounting could be as simple and fun as running a child's lemonade stand? It can. The Accounting Game presents financial information in a format so simple and so unlike a common accounting textbook, you may forget you're learning key skills that will help you get

ahead! Using the world of a child's lemonade stand to teach the basics of managing your finances, this book makes a dry subject fun and understandable. As you run your stand, you'll begin to understand and apply financial terms and concepts like assets, liabilities, earnings, inventory and notes payable, plus: -- Interactive format gives you hands-on experience -- Color-coded

charts and worksheets help you remember key terms --Step-by-step process takes you from novice to expert with ease --Fun story format speeds retention of essential concepts -- Designed to apply what you learn to the real world The revolutionary approach of The Accounting Game takes the difficult subjects of accounting and business finance and makes them

something you can easily learn, understand, remember and use! "The game approach makes the subject matter most understandable. I highly recommend it to anyone frightened by either numbers or accountants." -John Hernandis, Director of Corporate Communications, American Greetings *Accounting* John Wiley & Sons Grasp the fundamentals of real estate

accounting, finance, and investments Real Estate Accounting Made Easy is just that—an accessible beginner’s guide for anyone who needs to get up to speed on the field of real estate accounting, finance, and investments.
