JANIAH CHRIS

A Chinese Folktale John Wiley & Sons

One of Oprah.com's "17 Must-Read Books for the New Year" and O Magazine's "10 Titles to Pick up Now." "Exquisite in its honesty and truth and resilience, and a necessary chronicle from one of the greatest writers of our time." —Chimamanda Ngozi Adichie, *The Guardian*, Best Books of 2016.

"Every page ripples with a contagious faith in education and in the power of literature to shape the imagination and scour the conscience." —The

Washington Post From one of the world's greatest writers, the story of how the author found his voice as a novelist at Makerere University in Uganda Birth of a Dream Weaver charts the very beginnings of a writer's creative output. In this wonderful memoir, Kenyan writer Ngũgĩ wa Thiong'o recounts the four years he spent at Makerere University in

Kampala, Uganda—threshold years during which he found his voice as a journalist, short story writer, playwright, and novelist just as colonial empires were crumbling and new nations were being born—under the shadow of the rivalries, intrigues, and assassinations of the Cold War. Haunted by the memories of the carnage and mass incarceration carried out by the British colonial-settler state in his native Kenya but inspired by the titanic struggle against it, Ngũgĩ, then known as James Ngugi, begins to weave stories from the fibers of memory, history, and a shockingly vibrant and turbulent present. What unfolds in this moving and thought-provoking memoir is simultaneously the birth of one of the most important living writers—lauded for his "epic imagination" (*Los Angeles Times*)—the death of one of the most violent episodes in global history, and the emergence of new histories and nations with uncertain futures.

A portrait of ten-year-old Angela who is learning the tradition of art weaving from others in her village while also becoming aware of the myths behind the symbols that are used

a Chinese folktale W. W. Norton & Company

Weaving is a highly accessible craft — over, under is the basic technique — but the stumbling block for many would-be weavers has been the high cost of a commercial loom. The Weaving Explorer removes that barrier, inviting crafters and artists to try out an amazing range of techniques and creative projects that are achievable with a simple homemade loom, or no loom at all! Weavers Deborah Jarchow and Gwen W. Steege take inspiration from the world of folk weaving traditions, adding a contemporary spin by introducing an unexpected range of materials and home dec projects. From sturdy rag fabric grocery bags to freeform wire baskets, delicately woven thread bracelets to colorful woven rugs, crafters will delight in exploring the opportunities to make their own personal variations on these beautiful — and functional — creations.

Dream Play Build Quinn Loftis Books, LLC
The brand-new, gripping historical novel from the Sunday Times bestselling author of *Lady of Hay!* 'Warmth, depth, mystery, magic and the supernatural ... such a beautiful book!' bestselling author Santa Montefiore

Good Dream, Bad Dream Viking Juvenile
A world-renowned Pomo basket weaver and medicine woman, Mabel McKay expressed her genius through her celebrated baskets, her Dreams, her cures, and the stories with which she kept her culture alive. She spent her life teaching others how the spirit speaks through the Dream, how the spirit heals,

and how the spirit demands to be heard. Greg Sarris weaves together stories from Mabel McKay's life with an account of how he tried, and she resisted, telling her story straight--the white people's way. Sarris, an Indian of mixed-blood heritage, finds his own story in his search for Mabel McKay's. Beautifully narrated, *Weaving the Dream* initiates the reader into Pomo culture and demonstrates how a woman who worked most of her life in a cannery could become a great healer and an artist whose baskets were collected by the Smithsonian. Hearing Mabel McKay's life story, we see that distinctions between material and spiritual and between mundane and magical disappear. What remains is a timeless way of healing, of making art, and of being in the world. Sarris's new preface, written expressly for this edition, meditates on Mabel McKay's enduring legacy and the continued importance of her teachings.

The Weaving Explorer *The Weaving of a Dream* A Chinese Folktale

When the beautiful tapestry woven by a poor woman is stolen by fairies, her three sons set out on a magical journey to retrieve it. A retelling of a traditional Chinese tale.

The Weaving of a Dream Open Road + Grove/Atlantic

A beating heart. A talking tree. The rain forest. Love. Mysticism. Harvest. And above all, chocolate.

The Weaving of a Dream New Press, The
Feeling dead in her marriage, Elizabeth Fairchild ditches the dream of her seemingly perfect life with her husband in search of who she really is. She went from her parents' house to her husband's home and never really learned to stand on her own two feet. She decides to leave her comfortable life in Napa Valley in search of her inner fire

in New York City. She certainly didn't leave her husband to find another man, but she soon finds herself involved with two: Jack Stevens and Kevin Parker. Jack is older. He has heart-stopping good looks, is wildly successful, and is very much in control of everything around him - especially Elizabeth. Kevin is younger. He is carefree with a heart of gold and loves Elizabeth's spunk. While Elizabeth's old life still calls to her, she also finds what she needs in New York. But which dream will she choose?

Dream of Me Hyperion

From the author who brought you the award-winning Grey Wolves and Elfin Series, now brings you a new series based on the human legend, the Sandman. The truth of who and what he is lies between these pages and he is so much more than anyone could have ever imagined. "In the evening... [he] blows softly upon their necks, till their heads begin to droop... Under each arm he carries an umbrella; one of them, with pictures on the inside, he spreads over the good children, and then they dream the most beautiful stories the whole night." ~Hans Christian Anderson Since the dawn of time, Brudair, otherwise known as the Sandman to the world, has faithfully lived out his purpose, faithfully performed his duties. He has never questioned his lot among the immortals, until now, until her. Sarah Serenity Tillman, a consummate beauty both inside and out, is a high school senior five months from her graduation. She has great plans, dreams of leaving the small town of her childhood behind her forever. But destiny has other plans, and it's the Sandman's job to make sure those plans are fulfilled. The tall muscular Sandman, known as Dair to his friends, dressed in black, wrapped in shadows, is more than a myth. And he

has a job to do. His very existence makes him a creature of the night, because dreams, (yes the legends got that part right), were indeed his specialty. But his purpose was more than just weaving dreams for sleeping children. No, his dreams were made to influence, made to ensure that certain special individuals, those individuals who would change the course of history, actually accepted their chosen destiny. Little does Serenity know that she is Dair's next assignment. And the dream that he weaves for her, if she follows its influence, will change the course of, not only her life but possibly the whole of history as well. But she isn't the only one being influenced. The beauty inside of her was weighing on the Sandman, lighting up the darkness that was his constant companion. Her light was warmth, it was life, and he didn't understand how he had survived the previous millennia without it. The Sandman was indeed greater than anything humans had ever imagined, and his purpose was vital to the course of history. So what happens when the weaver of dreams gets so distracted by a mere human that he ignores his own duties in the immortal realm? How can an immortal who was never meant to have a mate, join a young woman in her destiny without irrevocably changing the lives of millions and potentially altering history in a way the Creator never intended? "Dream of me, Princess," Dair whispered into her ear. "Then weave me a dream, Sandman," she said softly. "And we can dream together." As her eyes grew heavy, she heard Dair's voice telling her to sleep, to open her mind to him and let him in. I'm all yours, she thought as sleep finally claimed her. [Founders of the Modern Cooperative Movement](#) Doubleday

When the beautiful tapestry woven by a poor woman is stolen by fairies, her three sons set out on a magical journey to retrieve it. A retelling of a traditional Chinese tale.

Penguin

Officially censored upon its Chinese publication, and the subject of a bitter lawsuit between author and publisher, *Dream of Ding Village* is Chinese novelist Yan Lianke's most important novel to date. Set in a poor village in Henan province, it is a deeply moving and beautifully written account of a blood-selling ring in contemporary China. Based on a real-life blood-selling scandal in eastern China, *Dream of Ding Village* is the result of three years of undercover work by Yan Lianke, who worked as an assistant to a well-known Beijing anthropologist in an effort to study a small village decimated by HIV/AIDS as a result of unregulated blood selling. Whole villages were wiped out with no responsibility taken or reparations paid. *Dream of Ding Village* focuses on one family, destroyed when one son rises to the top of the Party pile as he exploits the situation, while another son is infected and dies. The result is a passionate and steely critique of the rate at which China is developing and what happens to those who get in the way.

Angela Weaves a Dream Picture Puffin Books

Tami Longaberger is CEO of The Longaberger Company, the premier U.S. manufacturer of handcrafted baskets and other home and lifestyle products. With great tenderness, transparency, and candor, this book opens her heart, offering readers a glimpse of her unique "American Dream"—the kind not handed down or given freely—but earned by hard work and fierce tenacity. Whether sharing memories of her impoverished

childhood in Appalachia or accounts of reaching out to business women of the Middle East, Longaberger evokes a balanced nostalgia for the sweetness of the past comingled with a passionate call for hope for the future. Weaving *Dreams* prompts readers to dream bigger, think more broadly, and risk taking the road less traveled in business and in life. The life lessons remind us that we are all much more similar than distinct, that we have much for which to be grateful, and that the love of family is a treasure to be valued above all else. In *Weaving Dreams: The Joy of Work, the Love of Life*, Tami Longaberger emerges as a clear voice of encouragement and inspiration, challenging us all to live each moment to the fullest.

The Dreamweavers Houghton Mifflin Harcourt

In *Blue Sky Dream: A Memoir of America's Fall from Grace*, award-winner David Beers offers a powerful, personal vision of the rise and fall of the American middle class. Here is a dazzling literary chronicle of a family, a people, and a nation: the "blue sky tribe" of ever-optimistic middle-class Americans who believed in something called the American Dream, then woke up one day to discover it was gone. *Blue Sky Dream* is a book incredibly rich in ideas, in ways of seeing the recent past with stunning clarity. David Beers explores issues that define our times—downsizing, middle-class anxiety, the profound anger with government, the sense that something has gone awry with the United States—with such skill, personal immediacy, and compassion that readers will see their own histories in his prose. *Blue Sky Dream* can rightly be called a communal memoir, because in telling his family's tale—growing tensions and disillusionment in their

suburban paradise, a son rejecting his parents' values, one sudden and inexplicable moment of violence—Beers tells the story of his people, the blue sky tribe “who imagined ourselves to be living the inevitable future, and are very surprised today to discover we were but a strange and aberrant moment that is now receding into history.”

Christopher Columbus overcomes a number of obstacles to fulfill his dream of sailing west to find a new route to the Orient.

The Dream Weavers Immedium

Doron Taussig invites us to question the American Dream. Did you earn what you have? Did everyone else? The American Dream is built on the idea that Americans end up roughly where we deserve to be in our working lives based on our efforts and abilities; in other words, the United States is supposed to be a meritocracy. When Americans think and talk about our lives, we grapple with this idea, asking how a person got to where he or she is and whether he or she earned it. In *What We Mean by the American Dream*, Taussig tries to find out how we answer those questions.

Weaving together interviews with Americans from many walks of life—as well as stories told in the US media about prominent figures from politics, sports, and business—*What We Mean by the American Dream* investigates how we think about whether an individual deserves an opportunity, job,

termination, paycheck, or fortune.

Taussig looks into the fabric of American life to explore how various people, including dairy farmers, police officers, dancers, teachers, computer technicians, students, store clerks, the unemployed, homemakers, and even drug dealers got to where they are today and whether they earned it or not. Taussig's frank assessment of the state of the US workforce and its dreams allows him to truly and meaningfully ask the question that underpins so many of our political debates and personal frustrations: Did you earn it? By doing so, he sheds new light on what we mean by—and how we can deliver on—the American Dream of today.

The Weaving of a Dream St. Martin's Press

New York Times bestselling author Diane Chamberlain delivers a thrilling, mind-bending novel about one mother's journey to save her child. When Carly Sears, a young woman widowed by the Vietnam war, receives the news that her unborn baby girl has a heart defect, she is devastated. It is 1970, and she is told

that nothing can be done to help her child. But her brother-in-law, a physicist with a mysterious past, tells her that perhaps there is a way to save her baby. What he suggests is something that will shatter every preconceived notion that Carly has. Something that will require a kind of strength and courage she never knew existed. Something that will mean an unimaginable leap of faith on Carly's part. And all for the love of her unborn child. *The Dream Daughter* is a rich, genre-spanning, breathtaking novel about one mother's quest to save her child, unite her family, and believe in the

unbelievable. Diane Chamberlain pushes the boundaries of faith and science to deliver a novel that you will never forget.

Praise for *The Dream Daughter*:

"Chamberlain writes with supernatural gifts...fate, destiny, chance and hope combine for a heady and breathless wonder of a read." —Pam Jenoff, *New York Times* bestselling author of *The Orphan's Tale* "Can a story be both mind-bending and heartfelt? In Diane Chamberlain's hands, it can. *The Dream Daughter* will hold readers in anxious suspense until the last satisfying page."

—Therese Fowler, *New York Times* bestselling author of *Z*
