Grand in its scope, Asian Comics dispels the myth that, outside of Japan, the continent is nearly devoid of comic strips and comic books. Relying on his fifty years of Asian mass communication

and comic art research, during which he traveled to Asia at least seventy-eight times and visited many studios and workplaces, John A. Lent shows that nearly every country had a golden age of cartooning and has experienced a recent rejuvenation of the art form. As only Japanese comics output has received close and by now voluminous scrutiny, *Asian Comics* tells the story of the major comics creators outside of Japan. Lent covers the nations and regions of Bangladesh, Cambodia, China, Hong Kong, India, Indonesia, Korea, Malaysia, Myanmar, Nepal, the Philippines, Singapore, Sri Lanka, Taiwan, Thailand, and Vietnam. Organized by regions of East, Southeast, and

South Asia, *Asian Comics* provides 178 black-and-white illustrations and detailed information on comics of sixteen countries and regions—their histories, key creators, characters, contemporary status, problems, trends, and issues. One chapter harkens back to predecessors of comics in Asia, describing scrolls, paintings, books, and puppetry with humorous tinges, primarily in China, India, Indonesia, and Japan. The first overview of Asian comic books and magazines (both mainstream and alternative), graphic novels, newspaper comic strips and gag panels, plus cartoon/humor magazines, *Asian*

Comics brims with facts, fascinating anecdotes, and interview quotes from many pioneering masters, as well as younger artists.

An influential and experimental work, in an all-new paperback edition! Ichiro and Sachiko are young artists, temperamental and discouraged about what life has to offer them. They fall in and out of love, jealous of each other's interests and unchallenged by their careers. *Red Colored Elegy* charts their heartache, passions, and bickering with equal tenderness, creating a revelatory portrait of a stormy love affair. A cornerstone of the Japanese underground scene of the 1960s, Seiichi Hayshi wrote *Red Colored Elegy* between 1970 and 1971, in the aftermath of a politically turbulent and culturally vibrant decade that promised but failed to deliver new

possibilities. Sparse line work and visual codes borrowed from animation and film beautifully capture the quiet lives of a young couple struggling to make ends meet. Ichiro and Sachiko hope for something better, but they're no revolutionaries; their spare time is spent drinking, smoking, daydreaming, and sleeping together and at times with others. *Red Colored Elegy* is informed as much by underground Japanese comics of the time as it is by the French New Wave. Its influence in Japan was so large that Morio Agata, a prominent Japanese folk musician and singer/songwriter, debuted with a love song written and named after it. This new paperback edition

features an essay on *Red Colored Elegy* and Hayashi's contributions to contemporary Japanese comics from the art historian Ryan Holmberg.
