<b>MATTEO TALIYAH</b>	
<p><b>Dear Girls</b> The Museum of Modern Art Describes recent reforms adopted in some jurisdictions, such as protecting the anonymity of the victim &amp; allowing complainants to report sexual assault even when the victim chooses not to press charges. Law enforcement officials &amp; district attorneys have worked to support compensation for victims &amp; also have created victim-witness advocate positions to help victims navigate the criminal justice process &amp; speed their recovery. Contains a glossary, resources, &amp; tables. <i>A Year with Swollen Appendices</i> Hachette Books Now a New York Times Best Seller and a National Book Award finalist. Charged with racial, sexual, and political overtones, the confirmation of Clarence Thomas as a Supreme Court justice was one of the most divisive spectacles the country has ever seen. Anita Hill’s accusation of sexual harassment by Thomas, and the attacks on her that were part of his high-placed supporters’ rebuttal, both shocked the nation and split it into two camps. One believed Hill was lying, the other believed that the man who ultimately took his place on the Supreme Court had committed perjury. In this brilliant, often shocking book, Jane Mayer and Jill Abramson, two of the nation’s top investigative journalists examine all aspects of this controversial case. They interview witnesses that the Judiciary Committee chose not to call, and present documents never before made public. They detail the personal and professional pasts of both Clarence Thomas and Anita Hill and lay bare a campaign of lobbying, public relations, and character assassination fueled by conservative power at its most desperate. A gripping high-stakes drama, Strange Justice is not only a definitive account of the Clarence Thomas nomination hearings, but is also a classic casebook of how the Washington game is played by those for whom winning is everything. <i>Essays and Arguments</i> Springer Nature Offers a unified theory of Western culture, identifying major patterns that have endured over the centuries <i>Personal History</i> Jacana Media A New York lawyer, dominated by a demanding Jewish mother, plays out a sexual revenge in fact and fantasy <i>And Other Questions I Ask Myself as I Attempt to Age Without Apology</i> Vintage From the Whiting Award-winning author of Pretend I’m Dead and one of the most exhilarating new voices in fiction, a “thoroughly delightfully, surprisingly profound” (Entertainment Weekly) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX television show starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr. Disgusting, long story—and her efforts to restart her life since haven’t exactly gone as planned. For one thing, she’s got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona’s clients. He also might be a little unstable. Dark and his wife aren’t the only complicated clients on Mona’s roster, either. There’s also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin’s Vacuum in the Dark is an unforgettable, astonishing read, “by turns nutty and forlorn...Brash, deadpan, and achingly troubled” (O, The Oprah Magazine). Beagin is “a wonderfully funny writer who also happens to tackle serious subjects” (NPR). <i>The Palgrave Handbook of Critical Menstruation Studies</i> Back Bay Books "Jenny made me laugh so hard I feared for my safety! I think that's how she was able to get past my defenses and make me feel more okay about myself." -Allie Brosh, author ofHyperbole and a Half For fans of David Sedaris, Tina Fey, and Mindy Kaling-the new book from Jenny Lawson, author of the #1New York Times bestseller LET’S PRETEND THIS NEVER HAPPENED... In LET’S PRETEND THIS NEVER HAPPENED, Jenny Lawson baffled readers with stories about growing up the daughter of a taxidermist. In her new book,FURIOUSLY HAPPY, Jenny explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. And terrible ideas are what Jenny does best. According to Jenny: "Some people might think that being 'furiously happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invitea herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says thatnone is the new limit. I say he should have been clearer about that before I rented all those kangaroos." "Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote inThe Breakfast Club, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.'" Jenny's first book, LET’S PRETEND THIS NEVER HAPPENED, was ostensibly about family, but deep down it was about celebrating your own weirdness.FURIOUSLY HAPPY is a book about mental illness, but under the surface it’s about embracing joy in fantastic and outrageous ways-and who doesn't need a bit more of that?</p>	<p><b>Idol Truth</b> Simon &amp; Schuster Joseph is released from prison to become an advisor to the Pharaoh and is able to protect and provide for his family when they come to Egypt to buy food. <i>Hello, My Name Is Jennifer Love Hewitt and I'm a Love-aholic</i> Univ of California Press This open access handbook, the first of its kind, provides a comprehensive and carefully curated multidisciplinary and genre-spanning view of the state of the field of Critical Menstruation Studies, opening up new directions in research and advocacy. It is animated by the central question: “what new lines of inquiry are possible when we center our attention on menstrual health and politics across the life course?” The chapters—diverse in content, form and perspective—establish Critical Menstruation Studies as a potent lens that reveals, complicates and unpacks inequalities across biological, social, cultural and historical dimensions. This handbook is an unmatched resource for researchers, policy makers, practitioners, and activists new to and already familiar with the field as it rapidly develops and expands. <i>Reflections on Sex, Love, Marriage, Porn, and Power</i> Springer Cameron Diaz shares her formula for becoming happier, healthier, and stronger in this positive, essential guide grounded in science and inspired by personal experience, a #1 New York Times bestseller. Throughout her career, Cameron Diaz has been a role model for millions of women. By her own candid admission, though, this fit, glamorous, but down-to-earth star was not always health-conscious. Learning about the inseparable link between nutrition and the body was just one of the life-changing lessons that has fed Cameron’s hunger to educate herself about the best ways to feed, move, and care for her body. In The Body Book, she shares what she has learned and continues to discover about nutrition, exercise, and the mind/body connection. Grounded in science and informed by real life, The Body Book offers a comprehensive overview of the human body and mind, from the cellular level up. From demystifying and debunking the hype around food groups to explaining the value of vitamins and minerals, readers will discover why it’s so important to embrace the instinct of hunger and to satisfy it with whole, nutrient-dense foods. Cameron also explains the essential role of movement, the importance of muscle and bone strength and why we need to sweat a little every day. The Body Book does not set goals to reach in seven days or thirty days or a year. It offers a holistic, long-term approach to making consistent choices and reaching the ultimate goal: a long, strong, happy, healthy life. <i>Furiously Happy</i> Hachette UK Curl up with these “astonishingly good essays” about hair and its many meanings by Anne Lamott, Suleika Jaouad, Maria Hinojosa, Marita Golden, and more (People). Ask a woman about her hair, and she just might tell you the story of her life. Ask a whole bunch of women about their hair, and you could get a history of the world. The essays in Me, My Hair, and I are reflections and revelations about every aspect of women’s lives from family, race, religion, and motherhood to culture, health, politics, and sexuality. They take place in African American kitchens, at Hindu Bengali weddings, and inside Hasidic Jewish homes. Also layered into these intimate reminiscences are tributes to influences from Farrah Fawcett to Botticelli’s Venus. The long and the short of it is that our hair is our glory—and our nemesis, our history, our self-esteem, our joy, our mortality. Every woman knows that many things in life matter more than hair, but few bring as much pleasure as a really great hairdo. “A deliciously enlightening read, equal parts fun and poignant.” —Chicago Tribune “Explores a surprising range of issues, including identity, relationships, vanity, femininity, aging, and society.” —The New York Times “Untangles the many truths about hair, and the lives we lead underneath it.” —Pamela Druckerman, New York Times-bestselling author of Bringing Up Bébé “[A] splendid collection . . . By turns wry, tender, pointed, and laugh-out-loud funny.” —Publishers Weekly <i>Images Banned from Instagram</i> Vintage Firozsha Baag is an apartment building in Bombay. Its ceilings need plastering and some of the toilets leak appallingly, but its residents are far from desperate, though sometimes contentious and unforgiving. In these witty, poignant stories, Mistry charts the intersecting lives of Firozsha Baag, yielding a delightful collective portrait of a middle-class Indian community poised between the old ways and the new. "A fine collection...the volume is informed by a tone of gentle compassion for seemingly insignificant lives."--Michiko Kakutani, New York Times <i>Women's Sexual Fantasies</i> Random House A window into a life of insatiable desire and uninhibited sex - this is Parisian art critic Catherine M.'s account of her sexual awakening and her unrestrained pursuit of pleasure. From the glamorous singles clubs of Paris to the Bois de Boulogne, she describes her erotic experiences in precise and beautiful detail. A phenomenal bestseller throughout Europe, The Sexual Life of Catherine M., like Fifty Shades of Grey, breaks with accepted ideas of sex and examines many alternative manifestations of desire. Told in spare, elegant prose, her story will shock, enlighten and liberate you. <b>A Novel</b> Faber &amp; Faber Mesmerized and somewhat unnerved by his 97-year-old father's vitality and optimism, David Shields undertakes an original investigation of our flesh-and-blood existence, our mortal being.Weaving together personal anecdote, biological fact, philosophical doubt, cultural criticism, and the wisdom of an eclectic range of writers and thinkers—from Lucretius to Woody Allen—Shields expertly renders both a hilarious family portrait and a truly resonant meditation on mortality.The Thing About Life provokes us to contemplate the brevity and radiance of our own sojourn on earth and challenges us to rearrange our thinking in crucial and unexpected ways. <i>The Handmaid’s Tale</i> Mad Creek Books</p>

"An impressive book. An important book."—Jamie Lee Curtis "I blame mirrors. If it weren't for them we wouldn't need plastic surgeons. In the meantime, anyone tempted to re-shape face, body and mind by means of knife should first read Blum's intelligent, persuasive and absorbing book. Both enticed and alarmed, the reader will at least know what she's doing and more importantly why. This is a book that takes you and shakes you by the throat, and leaves you the better for it."—Fay Weldon, author of *The Life and Loves of a She-Devil* "An eye-opening look at the dangers, both physical and emotional, of plastic surgery and of the power of beauty in all of our lives. Blum's book is an impressive interweaving of observation, oral interviews, cultural studies, and historical sources. An absorbing read, this is a scholarly book that general readers can enjoy."—Lois Banner, author of *American Beauty* "A provocative and thoroughly persuasive argument that we live in a culture of cosmetic surgery where identity is sited on the shifting surfaces of the body. *Flesh Wounds* brilliantly explores the link between the seductions of surgical self-fashioning and the star system, drawing on a stunning array of materials ranging from interviews with plastic surgeons, psychoanalytic theory, and the novel to the visual media of digital photography, film, and television."—Kathleen Woodward, author of *Aging and Its Discontents: Freud and Other Fictions*

*Intimate Tales, Untold Secrets & Advice for Living Your Best Life* HarperCollins

We idealize childhood and demonize adolescence, often viewing the typical teenager as a bundle of problems. Yet according to a new book, *The Teen Years Explained: A Guide to Healthy Adolescent Development*, by Clea McNeely, MPH, DrPH and Jayne Blanchard, adolescence can be a time of opportunity, not turmoil. By understanding the developmental stages and changes of adolescence, both teens and adults can get the most out of this second decade of life. In plain English, this guide incorporates the latest scientific findings about physical, emotional, cognitive, identity formation, sexual and spiritual development with tips and strategies on how to use this information in real-life situations involving teens. Whether you have five minutes or five hours, you will find something useful in this book. This practical and colorful guide to healthy adolescent development is an essential resource for parents, teens, and all people who work with young people.

**Flesh Wounds** Jayne Blanchard

Featuring photographs that have been banned from Instagram, this generously illustrated book explores modern censorship. Instagram's user guidelines prohibit posting "violent, nude, partially nude, discriminatory, unlawful, infringing, hateful, pornographic, or sexually suggestive photos." Unsurprisingly, these policies have been a source of tension and debate for many creatives who use the social media platform as a means of self-expression. Having received many takedown notices themselves, artists Arvida Byström and Molly Soda put out an open call asking avid Instagrammers to submit their own censored images. The result is this collection of pictures from well-known and emerging IG users including Petra Collins, Rupi Kaur, Amalia Ulman, Lina Scheynius, Harley Weir, and dozens more. The book features a wide range of subject matter, from body image and sexual relationships to menstruation and nude selfies. Pushing the boundaries of social media guidelines and social mores, this book reveals a

fascinating picture of 21st century society's complex views on the image of the human body and censorship.

*A Funny Book About Horrible Things* Back Bay Books

*The Teen Years Explained* A Guide to Healthy Adolescent Development Jayne Blanchard

*Twenty-Seven Women Untangle an Obsession* CRC Press

A chilling look at the near future presents the story of Offred, a Handmaid in the Republic of Gilead, once the United States, an oppressive world where women are no longer allowed to read and are valued only as long as they are viable for reproduction. 25,000 first printing.

*The Sexual Life of Catherine M.* Post Hill Press

A British wife and mother's life is turned upside down when she meets and falls in love with her much younger Afrikaans au pair in this candid memoir. This tantalizing, unconventional, true love story details how two women found each other at an inopportune time in their lives, how they faced reactions to their relationship from their families and friends, and how they ultimately dealt with their own guilt. Jaw-dropping and often humorous, these pages express the urgency and passion felt by a woman whose true sexuality emerges later in life.

**My Secret Garden** DIANE Publishing

NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero)

cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety

• Chicago Tribune • Glamour • New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more

personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake

blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny

anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk

handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field,

dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom

and inspiration and, most important, something to laugh at."—Bustle
