RILEY GREYSON

How Not to Make a Short Film Heinemann

Industry veteran Jon Fitzgerald has developed a new manual for making socially activist films on a low budget, from concept development through production, from marketing through distribution. In straightforward sections, with descriptive breakdowns for each category, the book presents a new paradigm for social impact filmmaking in the modern age -- including case studies on numerous films and advice from industry professionals on each topic.

The Fight for the Future of Movies Butterworth-Heinemann
A comprehensive, practical resource with over a hundred

informative chapters that give the reader screenwriting techniques to raise the level of their writing and the marketability of their scripts. Of all the screenwriting gurus, Lazarus has a breadth of credits as screenwriter, director, educator, and marketing executive that puts his broad insights head and shoulders above the rest — a voice from the trenches in Hollywood, not a voice from an ivory tower in academia. Lazarus has been there and done it as a writer/director in movies and TV. He teaches advanced screenwriting and rewriting techniques and has honed his mentoring skills to communicate insider techniques in an entertaining way to make your script easier to read and easier to sell.

Directors Close Up CRC Press

Anyone can make a short film, right? Just grab some friends and your handheld and you can do it in a weekend or two before

being accepted to a slew of film festivals, right? Wrong. Roberta Munroe screened short film submissions at Sundance for five years, and is an award-winning short filmmaker in her own right. So she knows a thing or two about how not to make a short film. From the first draft of your script to casting, production, editing, and distribution, this is your one-stop primer for breaking into the business. Featuring interviews with many of today's most talented writers, producers, and directors, as well as revealing stories (e.g., what to do when the skinhead crack addict next door begins screaming obscenities as soon as you call "action") from the sets of her own short films, Roberta walks you through the minefield of mistakes that an aspiring filmmaker can make--so that you don't have to make them yourself.

Kazan on Directing Houghton Mifflin Harcourt

The Director's Six Senses is an innovative, unique, and engaging approach to the development of the skills that every visual storyteller must have. It's based on the premise that a director is a storyteller 24/7 and must be aware of the "truth" that he or she experiences in life in order to be able to reproduce it on the big screen. Through a series of hands-on exercises and practical experiences, the reader develops the "directorial senses" in order to be able to tell a story in the most effective way.

Original, Short Scenes for Actors and Directors Vintage

An Introduction to Film Genres, written by leading film scholars specifically for undergraduates who are new to the study of film, provides an introduction that helps students see thirteen film genres in a new light---to help them identify the themes, iconography, and distinctive stylistic traits of each genre.

The Making of Goodfellas and the Reboot of the American

Gangster Picture Focal Press

Carla McCloskey writes with the wisdom and simplicity that she learned during her early life in Lodi, Wisconsin, a picture-perfect small midwestern town. At her Grandmother's side she developed the life tools to balance rich personal relationships and family with a demanding life in Hollywood as a director and assistant director to many of today's most notable actors and filmmakers. She lives in Malibu, California with her husband, Leigh J. McCloskey. They have two daughters, Caytlyn and Brighton. Her husband, Leigh, is an actor, author and artist. Together they have shared the many facets of a life in Hollywood while never forgetting to live a life in love. Carla has successfully counseled many friends and colleagues over the years and is often acknowledged as the therapists' therapist. She has written *Grandma Told Me So* to help others find and keep the best possible relationships in their lives.

John Badham on Directing - 2nd Edition Notes from the Set of Saturday Night Fever, War Games, and More Michael Wiese Productions

John Badham on Directing W W Norton & Company Incorporated Film Directing Fundamentals gives the novice director an organic methodology for realizing on the screen the full dramatic possibility of a screenplay. Unique among directing books, this book provides clear-cut ways to translate a script to the screen. Using the script as a blueprint, the reader is led through specific techniques to analyze and translate its components into a visual story. A sample screenplay is included that explicates the techniques. The book assumes no knowledge and thus introduces

basic concepts and terminology. Appropriate for screenwriters, aspiring directors and filmmakers, Film Directing Fundamentals helps filmmakers bring their story to life on screen.

Calling Dr. Strangelove Hachette Books

Looking for fresh, original scenes for your fast-paced acting or directing class? Tired of the same old material everyone recognizes? Want the flexibility to play any character in any scene? *Book of Sides: Original, Short Scenes for Actors and Directors* offers scenes that are considerably shorter than those in similar books but still feature the structure of typical scenes with arcs, clear playable objectives, and stakes for both actors. Here you will find scenes that are: One-page in length and specially designed for new, high-intensity exercises that help students develop quickly Printed in an easily readable, film-script format that provides plenty of room for annotations Completely original, allowing you to produce and distribute reinterpretations without worrying about copyright restrictions Universally castable, with roles that can be assigned to actors regardless of gender, appearance, skill level, or race Simple and conducive to performing in the classroom without props, costumes, or sets Perfect for audition workshops and crowded directing or acting classes where everyone wants an opportunity to perform Written in accessible, contemporary language that keeps student actors engaged Don't miss out! In *Book of Sides*, Dave Kost brings two decades of teaching experience to the table to deliver the ideal set of scenes for busy classroom settings, auditions, and general training.

The Director's Six Senses Modern Language Assn of Amer
The most innovative and creative screenwriting book yet, from an

author who knows first-hand what it takes to get a movie made. Based on an award-winning website hailed as "smart enough for professional screenwriters and accessible enough for aspiring screenwriters", *Crafty Screenwriting* is the first book not only to offer a successful screenwriter's tricks of the trade, but to explain what development executives really mean when they complain that the "dialogue is flat," or "the hero isn't likeable." Fresh, provocative, and funny, Alex Epstein diagnoses problem that other screenwriting books barely address, and answers questions they rarely ask, like "Why is it sometimes dangerous to know your characters too well before you start writing," or "Why does your script have to be so much better than the awful pictures that get made every day?" As a development executive who has accepted and rejected countless screenplays, and a produced screenwriter himself, Epstein can take you into the heart of the most important question of all: "Is this a movie?" A crucial book for anyone who has ever wondered what it takes to get their movie made.

Script Analysis and Rehearsal Techniques Pushkin Vertigo

Based on the author's experience of presenting directing and acting workshops around the world for over 10 years, this book is a creative exploration on how to access and stimulate the filmmaker's most precious assets - instinct, imagination and intuition.

Crab Monsters, Teenage Cavemen, and Candy Stripe Nurses Harlequin

Internationally-renowned directing coach Weston demonstrates what constitutes a good performance, what actors want from a director, what directors do wrong, script analysis and preparation,

how actors work, and shares insights into the director/actor relationship.

Crafty Screenwriting Holt Paperbacks

On Feb. 13, 1920, a group of independent black baseball team owners held a meeting at a YMCA in Kansas City, Missouri. While they couldn't have known at the time that they were about to change the course of American history, it was out of that meeting that the Negro National League was born. The league flourished throughout the 1920s and beyond, becoming the first successful, organized professional black baseball league in the country. By providing a playing field for African American and Hispanic baseball players to showcase their world-class baseball abilities, it became a force that provided cohesion and a source of pride in black communities. Among them were the legendary pitchers Smokey Joe Williams, whose fastball seemed to "come off a mountain top," Satchel Paige, the ageless wonder who pitched for five decades, and such hitters as Josh Gibson, Buck Leonard, and Oscar Charleston, whose talents as players may have even been surpassed by their total commitment to their profession and hardiness. Leading the leagues were memorable characters like Gus Greenlee of the Pittsburgh Crawfords and Effa Manley of the Newark Eagles. Although their games were ignored by white-owned newspapers and radio stations, black ballplayers and their teams became folk heroes in cities such as Chicago, Kansas City, Pittsburgh, Philadelphia, New York, and Washington DC, where the teams drew large crowds and became major contributors to the local community life, with influence extending far beyond the baseball fields. This memorable narrative, filled with the memories of many surviving Negro League players, pulls the veil

off these "invisible men" who were forced into the segregated leagues. What emerges is a glorious chapter in African American history and an often overlooked aspect of our American past.

Original, Two-Page Scenes for Actors and Directors

Edinburgh University Press

Looking for fresh, original scenes for your fast-paced acting or directing class? Tired of the same old material everyone recognizes? Want the flexibility to play any character in any scene? *Book of Sides: Original, Short Scenes for Actors and Directors* offers scenes that are considerably shorter than those in similar books but still feature the structure of typical scenes with arcs, clear playable objectives, and stakes for both actors. Here you will find scenes that are: One-page in length and specially designed for new, high-intensity exercises that help students develop quickly Printed in an easily readable, film-script format that provides plenty of room for annotations Completely original, allowing you to produce and distribute reinterpretations without worrying about copyright restrictions Universally castable, with roles that can be assigned to actors regardless of gender, appearance, skill level, or race Simple and conducive to performing in the classroom without props, costumes, or sets Perfect for audition workshops and crowded directing or acting classes where everyone wants an opportunity to perform Written in accessible, contemporary language that keeps student actors engaged Don't miss out! The Film Director's Intuition Open Road Media

Book of Sides II: Original, Two-Page Scenes for Actors and Directors is the second book in the Book of Sides series by Dave Kost, featuring original, two-page, two-character scenes for use in acting, directing, and auditioning classes. While shorter than the traditional three-to-six-page scenes commonly used in classes, Book of Sides II features longer scenes than the first Book of Sides with greater character development, more reversals, and stronger climaxes. Balanced, structured scenes designed specifically for educational use challenge both actors and directors equally with objectives, obstacles, tactics, and subtext; Two-page length is ideal for high-intensity exercises and faster-paced workshops; Printed in easy-to-read film-script format with plenty of room for notes; Scenes are completely original and unencumbered by copyright, so students may film and post legally on the internet; Universally castable, so all roles can be played by actors of any gender, appearance, skill level, or ethnicity; Accessibly-written for modern students, helping them to focus on the fundamentals of performance and directing; Simple and conducive to performing in a classroom without sets, costumes, or special props. This book was written by an educator for educators and designed for use in the classroom. Never search for scenes again!

The Writer-director Relationship in the Theatre Today

Abrams

He was not a rock'n'roll star, cartoon character, religious figure, professional wrestler, writer, or politician. Nor was he famous for being an artist, comic book superhero, television personality, or movie star. He wasn't exactly an athlete either. Granted, he wore a few of these hats at various points throughout his career, but

his fame primarily emanated from an obscure occupation which he made entirely his own. Arguably, no other figure in popular culture outside these realms had an impact which resulted in global notoriety, generated millions of dollars in merchandise, inspired widespread imitation, and yet was a constant source of controversy. He was a genuine celebrity, and at the height of his career, he was one of the most talked-about men in America. In *Evel Incarnate*, Steve Mandich vividly recounts the life and the legend of Evel Knievel - a relentless self-mythologizer, abetted by an international community of fans. They were hungry for a real-life super-hero, and waited with bated breath for the summit of his career: the much heralded, now infamous, Snake River Canyon jump. But the truth about this motorcycle daredevil is as fascinating, extraordinary and injury-laden as any of the legends he could promote. Incisive, witty and informed, *Evel Incarnate* is the Evel Knievel biography by which all others must be measured.

Invisible Men U of Nebraska Press

Examining the special relationship between footwear and film, *Shoe Reels* explores images of shoes in cinema. It questions what shoes mean in the context of narrative, aesthetics and symbolism, why they are so memorable, and what their wider cultural resonances might be.

Film Directing Fundamentals Michael Wiese Productions

In the process by which a new play migrates from the desk of the person who wrote it to the stage where it comes to life in front of an audience, the relationship between playwright and director is crucial. And yet, through a combination of circumstance and theatre etiquette, there is little public knowledge of what actually

goes on in the rehearsal room except when something goes badly wrong and the code of privacy is broken.

Book of Sides: Original, One-Page Scenes for Actors and Directors
Film and Fashions

Learn how to read a script, find its core, determine your vision, communicate with writers, actors, designers, cinematographers, editors, composers, and all the members of your creative team in order to insure that your vision reaches the screen.

Film Scheduling, Or, How Long Will it Take to Shoot Your Movie? Dean Street Press

Action and suspense films have almost always been made by 'seat of the pants' filmmakers. Crafting their films on gut instinct and intuition their innate talent often leads them to exciting results. Badham examines and explains the elements of action and suspense that are needed to make a great film. Badham also

dissects the elements of any good scene from any genre of film and gives valuable tools that the reader can apply in directing and acting for maximum impact. This edition features a brand new section: The Director's Survival Guide to Episodic Television and explores the political danger zones faced in the ever expanding world of Streaming, Cable and Network television. Badham has created a much needed First Aid Kit for all directors and the newly expanded list of "14 Must Ask Questions Before Rehearsal"- an absolute essential in any filmmakers toolbox. Intended for actors, directors, cinematographers, production designers or other creatives, Badham gives you the tools to deconstruct and understand your scenes. Continuing the work begun in Badham's best-selling book "I'll Be In My Trailer" he shares more insights from talented directors on how they work with the difficult actor, rehearsal techniques and getting the best performance from any actor whether novice or pro.
