Traditional beliefs about meeting goals are fundamentally flawed. Goal setting tactics assume goals are measurable, achieved, and final-all attributes that describe objectives, not goals. Unlike objectives, which are by their very nature self-contained, goals are immeasurable. A goal is realized, not achieved, and must be maintained to remain successful. What good is the goal of losing weight if you don't keep the weight off? Losing twenty pounds is an objective. Keeping that twenty pounds from returning is a goal, which must be maintained to remain a success. In *Three Your Life*, entrepreneur and accidental expatriate David R. Sanders applies this important distinction between goals and objectives. Beginning with attitude, outlook, and perception, Sanders builds a solid foundation on which to effect major life changes. Learn to differentiate between needs, wants, and desires-and discover how focusing on desires causes everything else to fall into place. To realize desires, Sanders reevaluates conventional thinking on prioritizing tasks, using a three-part daily structure that ensures you're working toward a productive and fulfilling life. A fresh new approach to goal setting, *Three Your Life* offers the opportunity to realize your goals, achieve your objectives, and understand the difference between the two.

God wants to do a new thing in the African American Church. Author, Douglas Powe suggests that the African American church, while once the bedrock of the community, is no longer on the radar for many. During the Civil Rights movement African American churches initiated and even shaped transformation for an entire country, well beyond their own walls. In this post-Civil Rights era the power of many African American churches remains mired in the assumptions and practices of the past, thereby making them invisible to their surrounding communities. *New Wine, New Wineskins* helps African American congregations understand and benefit from the cultural shifts we are now experiencing. Many African American churches once thought they were immune to the cultural shock waves in our streets and neighborhoods. They simply argued that they have always been all about participation and being relational; yet like many churches, their numbers continue to decline. African American churches must find a way to reclaim their missional orientation, while at the same time remaining true to their historical identity and witness of speaking truth to power. The worthy goals of justice and bringing the Good News of Jesus Christ in this time, requires new practices and fresh ideas—new wine. The old framework just won't work any more. We need new wine skins.

DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about

combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

And I thank Christ Jesus our Lord, who hath enabled me, for that, he counted me faithful, putting me into the ministry; 1Timothy 1:12KJV Authors note... Delectably brief essays that tell you only what you need to know to enjoy wine. There are wine encyclopedias, bibles, and guides—this is not one of those books. It doesn't contain everything, just the really important stuff: the truly key wines, grapes, regions; tips about wine buying, aging, and storage; and useful explanations about tasting notes and whether or not vintages really matter. In short, this book covers the real absolutes that you need to know about wine. With the pithy wit that readers of her columns have come to expect, Lettie Teague breaks down the stumbling blocks that often intimidate us and clears up the myths that cloud our understanding. A series of mini-essays cover the essentials in a fun, omnibus fashion. The tone is sometimes irreverent, sometimes opinionated, but always practical. For instance, there are entries such as "The Unbearable Oakiness of Being," "Can Wedding Wine Be Good," and "Why You Really Need Only One Glass." Other entries may provoke some lively debate, such as "Men Are from Cab, Women Are from Moscato" and "In Defense of Wine Snobs." The opposite of a didactic textbook, this volume is not meant to be read from start to finish. Instead, like wine itself, it encourages small contemplative sips. It is a companion for the modern taster, a concise and curated collection of tidbits to satisfy anyone with a lively curiosity and palate.

In this exciting sequel to his first book *The New Wine* author Matthew Pinard expounds upon some of the greatest mysteries of all time. Does the devil really exist? What is the devil's true desires as it relates to mankind? Who is Archangel Gabriel and what is his purpose? What is the "Other Kingdom" referring to? What was the true meaning behind the haunting lyrics recorded by famous rock singer Jim Morrison and his band The Doors? All of these questions are answered with incredible photos giving the reader a glimpse of what Jim Morrison referred to as "the sun dome in the night." This book solves the mystery of the two golden keys handed to St. Peter by Jesus Christ and demonstrates how anyone who believes can enter the Kingdom of God prior to "death."

Life and Ministry Under the New Covenant Little, Brown Spark

This book uncovers an early collection of sayings, called N, that are ascribed to Jesus and are similar to those found in the Gospel of Thomas and in Q, a document believed to be a common source, with Mark, for Matthew and Luke. In the process, the book sheds light on the literary methods of Mark and Thomas. A literary comparison of the texts of the sayings of Jesus that appear in both Mark and Thomas shows that each adapted an earlier collection for his own purpose. Neither Mark nor Thomas consistently gives the original or earliest form of the shared sayings; hence, Horman states, each used and adapted an earlier source. Close verbal parallels between the versions in Mark and Thomas show that the source was written in Greek. Horman's conclusion is that this common source is N. This proposal is new, and has implications for life of Jesus research. Previous research on sayings attributed to Jesus has treated Thomas in one of two ways: either as an independent stream of Jesus sayings written without knowledge of the New Testament Gospels and or as a later piece of pseudo-Scripture that uses the New Testament as source. This book rejects both views.

So often we read passages from the Bible, but the beauty and richness of what we are reading is veiled from us because we neither understand the language, the culture, nor the context in which it was written. Dr. Blizzard and other contributors to this book take some of these important passages and shine a light of understanding on them so clearly that anyone reading can understand and enjoy the beauty of the Word of God.

Today many believers have been led astray and are in bondage, because they have been fed on the old wine - the traditions of men that have accumulated in Christendom through twenty centuries, and that have been added to God's Word, or that have replaced God's Word. When the new wine is offered to them, they say, "The old is good enough" (Luke 5:39). This they remain in spiritual stagnation, year after year. Most Christians are unwilling to give up the traditions of their elders, even when they see these to be clearly contrary to the teaching of God's Word. We need to come back to the faith that was revealed by God to His holy apostles and prophets, as recorded in the New Testament Scriptures, if we are to fulfil God's purpose in our day and age. To come back to that, we

must be willing to do violence to every tradition of man that is contrary to God's Word (Matthew 11:12). This book will change your life and your ministry, because it will question many 'sacred' ideas that you have held that have no foundation in God's Word. That in turn will save you from regret and loss when you stand before the judgment seat of Christ to give an account of your life to Him. He who has an open mind and a bold heart, let him read on...
