Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Freiburg, course: Ethnic Novel in American Literature, language: English, abstract: Index I. Introduction 1 II. "Pocho" 2.1 Background to the Novel 2 2.2 Territorial Obscurity 2 2.3 Education 4 2.4 Richard's Relation to his Parents 4 2.5 The Dissolution of the Family 6 III. "Mona in the Promised Land" 9 3.1 Background to the Novel 9 3.2 Mona's Relation to her Parents

9 IV. Conclusion 13 V. Bibliography I. Introduction This term paper deals with two pieces of American immigrant literature of different culture, political background, time and setting. The novel "Pocho" by Jose Antonio Villareal published in 1959 was the first Chicano novel. It was written primarily for an Anglo- American audience in order to explain the life of a "Pocho". Villareal wrote the novel without any guideline as no one had entered this "political vacuum" before.¹ The novel "Mona in the Promised Land" by the Chinese-American writer Gish Jen published in 1996 introduces us into the multicultural life of the predominantly Jewish New York suburb of Scarshill in 1968. I will show in this term paper that despite the many differences in the two

novels there also are many commonalities and parallels what life and the problems between the two protagonists and their parents concerns. I will furthermore try to present in detail that the familiar sorrow in both novels is closely connected with the complex conflict of generations within two cultures, as well as the protagonist's search for identity that results from this. In the first part I will analyze Richard's changing relationship towards his parents. In the second part I will show that also Mona despite her completely different background and environment faces similar problems which finally lead to the break up with predominantly her mother. Furthermore I will expose that Mona and Richard share common interests and ways. At the end of my work I will finally

compare the parallels but also show differences between the two novels. II. "Pocho" 2.1 Background to the Novel The term "Pocho" is an expression for a Mexican who is born and raised in the United States. It is used with an abusive connotation to describe Mexican Americans in the USA. "Pochos" are often perceived by Mexicans to be badly-educated and without a proper sense of culture. Jose Antonio Villarreal's novel "Pocho" is set after the Mexican Revolution of 1910 when millions of Mexicans migrated to the USA in order to get work by the so-called first "Bracero-Program". [...]

The Word is a Machete GRIN Verlag
The folksongs of Texas's Mexican population pulsate with the lives of folk heroes, gringos, smugglers, generals, jailbirds, and beautiful women. In his *cancionero*, or songbook, Américo Paredes presents sixty-six of these songs in bilingual text—along with their music, notes on tempo and performance, and discography. Manuel Peña's new foreword situates these songs within the main currents of Mexican American music. The Pocho Codex University of Texas Press

Geographically close to Mexico, but surrounded by Anglo-American culture in the United States, Chicanos experience many cultural tensions and contradictions. Their lifeways are no longer identical with Mexican norms, nor are they fully assimilated to Anglo-American patterns. Coping with these tensions—knowing how much to let go of, how much to keep—is a common concern of Chicano writers, who frequently use satire as a means of testing norms and deviations from acceptable community standards. In this groundbreaking study, Guillermo Hernández focuses on the uses of satire in the works of three authors—Luis Valdez, Rolando Hinojosa, and José Montoya—and on the larger context of Chicano culture in which satire operates. Hernández looks specifically at the figures of the pocho (the assimilated Chicano) and the pachuco (the zoot-suiter, or urbanized youth). He shows how changes in their literary treatment—from simple ridicule to more understanding and respect—reflect the culture's changes in attitude toward the process of assimilation. Hernández also offers many important insights into the process of cultural definition that engaged

Chicano writers during the 1960s and 1970s. He shows how the writers imaginatively and syncretically formed new norms for the Chicano experience, based on elements from both Mexican and United States culture but congruent with the historical reality of Chicanos. With its emphasis on culture change and creation, Chicano Satire will be of interest across a range of human sciences.

A vexed figure inhabits U.S. literature and culture: the visibly racialized immigrant who disavows minority identity and embraces the American dream. Such figures are potent and controversial, for they promise to expiate racial violence and perpetuate an exceptionalist ideal of America. Swati Rana grapples with these figures, building on studies of literary character and racial form. Rana offers a new way to view characterization through racialization that creates a fuller social reading of race. Situated in a nascent period of ethnic identification from 1900 to 1960, this book focuses on immigrant writers who do not fit neatly into a resistance-based model of ethnic

literature. Writings by Paule Marshall, Ameen Rihani, Dalip Singh Saund, Jose Garcia Villa, and Jose Antonio Villarreal symbolize different aspects of the American dream, from individualism to imperialism, assimilation to upward mobility. The dynamics of characterization are also those of contestation, Rana argues. Analyzing the interrelation of persona and personhood, *Race Characters* presents an original method of comparison, revealing how the protagonist of the American dream is socially constrained and structurally driven.

The Soul Symbol of the New Pocho

Pocho es una historia de amistad,
aceptación y la lucha por encontrar tu
identidad en el mundo. Danny es alto y
delgado. A pesar de no ser fuerte, sus
brazos son lo suficientemente largos como
para lanzar un balón de fútbol americano
con tanta fuerza, que cualquier
cazatalentos lo contrataría sin pensarlo
dos veces. Pero Danny ni siquiera es parte
de un equipo. Cada vez que se entra en el
campo, es como si perdiera sus poderes.
Pero eso no tiene importancia. No es como
si en la escuela privada a la que va
esperen mucho de él. Danny es morenito.
Y crecer en San Diego, una ciudad tan
cercana a la frontera, significa que todo el
mundo sabe exactamente quien es,
incluso antes de pronunciar una palabra.
Antes de saber que Danny no habla
español y que su mamá es rubia y de ojos
azules, ya todos han formado una
impresión de él. Incluso el mismo. De
hecho, Danny está convencido de que las
discrepancias entre su piel y su cultura
han sido la causa de que su padre haya
regresado a México. Por eso pasará el
verano con la familia de su papá. Pero
para encontrarse a sí mismo, primero

tendrá que enfrentarse a los demonios que tanto ha evadido, y tendrá que aceptar abrirse a una amistad jamás imaginó que formaría. ENGLISH DESCRIPTION Newbery Award-winning and New York Times bestselling author Matt de la Peña's *Mexican WhiteBoy* is a story of friendship, acceptance, and the struggle to find your identity in a world of definitions. Danny is tall and skinny. Even though he's not built, his arms are long enough to give his pitch a power so fierce any college scout would sign him on the spot. Ninety-five mile an hour fastball, but the boy's not even on a team. Every time he gets up on the mound, he loses it. But at his private school, they don't expect much else from him. Danny is brown. Half-Mexican brown. And growing up in San Diego that close to the border means everyone else knows exactly who he is before he even opens his mouth. Before they find out he can't speak Spanish, and before they realize his mom has blond hair and blue eyes, they've got him pegged. But it works the other way too. And Danny's convinced it's his whiteness that sent his father back to Mexico. That's why he's spending the summer with his dad's family. But to find

himself, he may just have to face the demons he refuses to see--the demons that are right in front of his face. And open up to a friendship he never saw coming. Matt de la Peña's critically acclaimed novel is an intimate and moving story that offers hope to those who least expect it. An ALA-YALSA Top Ten Best Book for Young Adults A Junior Library Guild Selection [The Pocho Handbook](#) The Chicano Stephen Dedalus slouches his way through love, lust, and poetry in this whimsical novel in verse. Chaley Chastitellez leads Xochitl Flores on an adulterous love escapade that ends in tragedy for Chaley, and ultimately for Xochitl. We follow the couple from interwoven episodes of their brief involvements and their days on earth together, and also life after Chaley's death in and roves deeper into McTlán. Along the way the complex socio-historical relations between Mexico and the United States also come to structure the development of the story behind the meaning of pocho/macho conquests. Told in unconventional prose and poetry, the novel pushes the borders of genres and narrative traditions of the Americas. It

experiments with narrative effects and poetics to weave mythical and real times and spaces into a mixed artifact of language and sculpture.

Jose Antonio Villarreal illuminates here the world of pochos, Americans whose parents come to the United States from Mexico. Set in Depression-era California, the novel focuses on Richard, a young pocho who experiences the intense conflict between loyalty to the traditions of his family's past and attraction to new ideas. Richard's struggle to achieve adulthood as a young man influenced by two worlds reveals both the uniqueness of the Mexican-American experiences and its common ties with the struggles of all Americans--whatever their past.

[Reclaiming Poch@ Pop: Examining the Rhetoric of Cultural Deficiency](#)

From "one of the nation's foremost Chicano literary artists" comes a coming-of-age classic and the bestselling Chicano novel of all time that follows a young boy as he questions his faith and beliefs -- now one of PBS's "100 Great American Reads" (Denver Post). Antonio Marez is six years

old when Ultima comes to stay with his family in New Mexico. She is a curandera, one who cures with herbs and magic. Under her wise wing, Tony will probe the family ties that bind and rend him, and he will discover himself in the magical secrets of the pagan past--a mythic legacy as palpable as the Catholicism of Latin America. And at each life turn there is Ultima, who delivered Tony into the world... and will nurture the birth of his soul.
