'I really can't recommend it enough... a fabulous book which you need to read immediately!' ☆☆☆☆☆ Reader Review We've got the balance all wrong. Instead of living with our partners, struggling to do everything by ourselves and only seeing each other now and then, we should do it the other way round. We should live together and see them now and then. Erica knows her suggestion sounds extreme, but when her nanny leaves without notice, she's extremely desperate. Polly and Louise aren't convinced, but when circumstances force them to move into Polly's enormous but run-down house, they have to admit that life's much easier when the childcare and workload is shared. At first, communal living seems like the answer to all their prayers - childcare on tap, rotas for cleaning, and someone always available to cook dinner (no more last-minute pizza delivery!). But over time, resentment starts to grow as they judge each other's parenting styles and bicker over cleaning, cooking and whose turn it is to buy toilet rolls. And as one woman has her head turned by a handsome colleague, one resorts to spying on her husband and another fights to keep a dark secret, they need each other more than ever. But can Polly, Louise and Erica keep their friendship and relationships strong? Or will their perfect mumtopia fall apart? Misadventures of the First Daughter Penguin

It's been years since June Bell shared a stolen moment with her girlhood crush, Kase McCasker. Now that Kase is back home for good, June might be the only person who can persuade him to reconsider the abandoned plan. But how can she face him again after he left her without a word? Four years ago, unexpected news shook the foundation of Kase McCasker's world. Escaping Falls Edge for college was the perfect excuse to chase his demons and bury his pain. Now, with a degree in hand and a void he can't fill, he's back in the little mountain town he thought he'd never call home again. Searching for purpose, he's determined to put down roots and take over the struggling farm that's been in his family for generations.
