In 1945, Ebony's legendary founder John H. Johnson set out to create a magazine for Black America much like that of the trailblazing Life Magazine, and that he did. For the African American community, Ebony has been a breath of fresh air, speaking on issues and events from the Black perspective, celebrating Black standards of beauty and elevating heroes of Black America--athletes, entertainers, activists, elected officials, or some combination thereof. Ebony: Covering Black America, by Lavaille Lavette, is a celebration of the treasure trove of the magazine's rich history, glamorous covers, groundbreaking cultural impact, and authentic coverage of Black American life from the magazine's inception to the present. "Ebony was Black America's social media long before the birth of Facebook, Twitter, and Instagram", says Lavette. Curated by Lavette, this all-out feast of a book is packed with exclusive contributions by a host of celebrities, influencers, and cultural icons, including Common, Gabrielle Union, Dwyane Wade, Sean Combs, Kimora Lee Simmons, Ciara, and Venus Williams. The book also includes more than 600 covers and photographs featuring political forces such as Martin Luther King Jr., Michelle and President Barack Obama, and Congresswoman Barbara Jordan; entertainers such as Diana Ross, Sidney Poitier, Dorothy Dandridge, Oprah Winfrey, and Prince; as well as sports heroes like Serena Williams, Muhammad Ali, Russell Westbrook, and Simone Biles. Lavette has chosen select articles, features, and reportage of note, including Martin Luther King Jr.'s advice column, and Ebony Fashion Fair photo shoots, divided into categories found within the magazine, including Civil Rights & Social Justice, Love & Family, Ebony Men, Ebony Women, and Ebony Music. Unique in the quality of its photographs and contributors and chronicling everything from fashion and food to politics and social change, to sports and entertainment, Ebony: Covering Black America is a monumental milestone in African-American history and culture, and will be a treasured volume for the magazine's legion of loyal readers.

The 1990s. African Americans achieved more influence—and faced more explosive issues—than ever before. One word captured those times. One magazine expressed them. Emerge. In those ten years, with an impressive circulation of 170,000 and more than forty national awards to its credit, Emerge became a serious part of the American mainstream. Time hailed its “uncompromising voice.” The Washington Post declared that Emerge “gets better with each issue.” Then, after nearly a decade, Emerge magazine closed its doors. Now, for the first time, here’s a collection of the finest articles from a publication that changed the face of African American news. From the Clarence Thomas nomination to the Bill Clinton impeachment . . . from the life of Louis Farrakhan to the death of Betty Shabazz . . . from reparations for slavery to the rise of blacks on Wall Street . . . the most important people, topics, and turning points of this remarkable period are featured in incisive articles by first-rate writers. Emerge may have ended with the millennium, but—as this incomparable volume proves—the quality of its coverage is still unequaled, the extent of its impact still emerging. Stirring tribute, uncanny time capsule, riveting read—The Best of Emerge Magazine is also the best of American journalism.
