EFRAIN HAILEY

Ladies Home Journal (12 Issues) Routledge
The author, seeking to show women how they can earn money, advises them to do so in "womanly ways," such as domestic services, teaching, writing, and nursing.

Reducing Bodies Vintage

Selected by a team of top women historians from across the nation & the editors of Ladies' Home Journal, Ó the women in this book helped bring about a major transformation in the role of women in the 20th century. Narrowing the choice down to just 100 names was a daunting task. But some names practically

suggested themselves: Eleanor Roosevelt, Rachel Carson, Betty Friedan, Margaret Sanger, Mary McLeon Bethune, & Gloria Steinem. Not everyone will agree with every choice made for this book, but these women will influence our lives for untold years to come. They are listed in 7 categories: activists & politicians, writers & journalists, doctors & scientists, entrepreneurs, artists & entertainers, athletes, & pioneers & adventurers. Photos.

Book Editors Talk to Writers Palala Press

Consumer magazines aimed at women are as diverse as the market they serve. Some are targeted to particular age groups, while others are marketed to different

socioeconomic groups. These magazines are a reflection of the needs and interests of women and the place of women in American society. Changes in these magazines mirror the changing interests of women, the increased purchasing power of women, and the willingness of advertisers and publishers to reach a female audience. This reference book is a guide to women's consumer magazines published in the United States. Included are profiles of 75 magazines read chiefly by women. Each profile discusses the publication history and social context of the magazine and includes bibliographical references and a summary of publication statistics. Some of the magazines included started in the 19th century and are no

longer published. Others have been available for more than a century, while some originated in the last decade. An introductory chapter discusses the history of U.S. consumer women's magazines, and a chronology charts their growth from 1784 to the present.

Ladies' Home Journal Book of Interior Decoration Ladies' Home Journal Books Examines the women's magazine business, wonders how it is thriving amid the failing print journalism industry, and asks if the unrealistic body image it portrays is intentional or not.

The Ladies' Home Journal Seal Press Working editors share inside information on how book publishing really works Based on penetrating interviews with 44 experienced editors, this essential guide gives you the lowdown on everything you need to know to get published faster and easier. No matter what publishing category you want to break into—fiction, cookbooks, self-help, computer books, science fiction, mysteries, reference, or children's books—you'll find the information you need from an editor who specializes in that area. Here's the inside scoop on: Book proposals: Create the kind of query letter or book proposal that editors prefer Agents: Figure out if you need one and how to find the best agent for your work Bestsellers: Is it luck or are they "made"? Publishing decisions: Who

really has the final say Book packagers: What they do for authors and editors Publishing lingo: understand terms like "slush pile," "backlist," "remainders," etc. *The Ladies' Home Journal* State University of New York Press

Between the two world wars, Paris served as the setting for unparalleled freedom for expatriate as well as native-born French women, who enjoyed unprecedented access to education and opportunities to participate in public, artistic and intellectual life. Many of these women--including Colette, Tamara de Lempicka, Sonia Delaunay, Djuna Barnes, Augusta Savage, and Lee Miller--made lasting contributions to art and literature.

Boston Home Journal Batsford *Reducing Bodies: Mass Culture and the Female Figure in Postwar America* explores the ways in which women in the years following World War II refashioned their bodies—through reducing diets, exercise, and plastic surgery—and asks what insights these changing beauty standards can offer into gender dynamics in postwar America. Drawing on novel and untapped sources, including insurance industry records, this engaging study

considers questions of gender, health, and race and provides historical context for the emergence of fat studies and contemporary conversations of the "obesity epidemic."

Feminine Wiles Hassell Street Press

Tested and approved in the Ladies' Home Journal Test Kitchen, here are 100 of the very best chicken recipes. Includes preparation and cooking time, degree of difficulty, nutritional analysis, and 20 to 25 full-color photos. Hidden spiral binding.

Airbrushed Nation Bloomsbury Publishing USA

The Modern Woman Revisited Greenwood

For the last 150 years, advertising has created a consumer culture in the United States, shaping every facet of American life—from what we eat and drink to the clothes we wear and the cars we drive. In the United States, advertising has carved out an essential place in American culture, and advertising messages undoubtedly

play a significant role in determining how people interpret the world around them. This three-volume set examines the myriad ways that advertising has influenced many aspects of 20th-century American society, such as popular culture, politics, and the economy. Advertising not only played a critical role in selling goods to an eager public, but it also served to establish the now world-renowned consumer culture of our country and fuel the notion of "the American dream." The collection spotlights the most important advertising campaigns, brands, and companies in American history, from the late 1800s to modern day. Each fact-driven essay provides insight and in-depth analysis that general readers will find fascinating as well as historical details and contextual nuance students and researchers will greatly appreciate. These volumes demonstrate why advertising is absolutely necessary, not only for companies behind the messaging, but also in defining what it means to be an American.

Women's Ways of Earning Money Quill Driver Books

An updated and revised version of the well

received first edition (should save both editors and authors a lot of work--Wilson Library Bulletin) reproduces the exact guidelines for freelance contributions for over 260 periodicals. Included are well-known (Atlantic, Ladies Home Journal, Seventeen) and lesser-known.

Catalog of Copyright Entries McFarland

Here's the inside scoop on the business of getting published: What you should know about contracts, copyrights, and kill fees; editors: Discover what their roles are, how they make decisions, and what they look for in their writers; queries and proposals: What makes them eye-catching? The truth behind the "what ifs": What if a writer sends multiple queries? What if the

deadline is not met? What if an author has problems with an editor?

If You Ask Me Hassell Street Press

Inarticulate Longings explores the contradictions of a social agenda for women that promoted both traditional roles and the promises of a growing consumer culture by examining the advertising industry in the early 20th century.

Good Stories Reprinted from the Ladies' Home Journal of Philadelphia Wentworth Press

In the winter of 1972, the first issue of Ms. magazine hit the newsstands. For some activists in the women's movement, the birth of this new publication heralded feminism's coming of age; for others, it signaled the capitulation of the women's movement to crass commercialism. But whatever its critical reception, Ms. quickly gained national success, selling out its first issue in only eight days and becoming a popular icon of the women's movement almost immediately. Amy Erdman Farrell traces the history of Ms. from its pathbreaking origins in 1972 to its final commercial issue in 1989. Drawing on interviews with former editors, archival

materials, and the text of Ms. itself, she examines the magazine's efforts to forge an oppositional politics within the context of commercial culture. While its status as a feminist and mass media magazine gave Ms. the power to move in circles unavailable to smaller, more radical feminist periodicals, it also created competing and conflicting pressures, says Farrell. She examines the complicated decisions made by the Ms. staff as they negotiated the multiple--frequently incompatible--demands of advertisers, readers, and the various and changing constituencies of the feminist movement. An engrossing and objective account, *Yours in Sisterhood* illuminates the significant yet difficult connections between commercial culture and social movements. It reveals a complex, often contradictory magazine that was a major force in the contemporary feminist movement.

Women's Periodicals in the United States Routledge

Experience the "heartwarming, smart, and at times even humorous" (Woman's World) wisdom of Eleanor Roosevelt in this annotated collection of the candid advice

columns that she wrote for more than twenty years. In 1941, Eleanor Roosevelt embarked on a new career as an advice columnist. She had already transformed the role of first lady with her regular press conferences, her activism on behalf of women, minorities, and youth, her lecture tours, and her syndicated newspaper column. When Ladies Home Journal offered her an advice column, she embraced it as yet another way for her to connect with the public. "If You Ask Me" quickly became a lifeline for Americans of all ages. Over the twenty years that Eleanor wrote her advice column, no question was too trivial and no topic was out of bounds. Practical, warm-hearted, and often witty, Eleanor's answers were so forthright her editors included a disclaimer that her views were not necessarily those of the magazines or the Roosevelt

administration. Asked, for example, if she had any Republican friends, she replied, "I hope so." Queried about whether or when she would retire, she said, "I never plan ahead." As for the suggestion that federal or state governments build public bomb shelters, she considered the idea "nonsense." Covering a wide variety of topics—everything from war, peace, and politics to love, marriage, religion, and popular culture—these columns reveal Eleanor Roosevelt's warmth, humanity, and timeless relevance.
