Personnel Management: Principles, Practices, and Point of View Palala Press

Human Resource Management: Principles And Practice Is Designed To Provide A Comprehensive Introduction To The Subject. It Is A Student-Oriented Textbook As It Satisfies The Requirements Of Students For An Exhaustive Exposure To The Principles And Practice

Principles of Human Resource Management Thomson South-Western

Human Resource Management addresses the challenges faced by human resource managers, integrating traditional theory with

real-world strategy to equip students with the knowledge, perspective, and skills they need to thrive in the ever-changing global business environment. Presented in a clear and relatable style, this text emphasizes how effective human resource management and strategic planning work in concert to allow organizations to achieve maximum success. The focus on practical application illustrates the essential link between strategic planning and implementation, providing an inside look at how real-world companies increase effectiveness through world-class human resources management practices. A wealth of case studies, discussion topics, and exercises reinforce key concepts, strengthening students' ability to think strategically and integrate core HR management principles into the decision-making process. By mirroring the current landscape's increased reliance on smart people-management strategy, this text underscores the importance of HR management in attracting and retaining the top talent that drives an organization forward.
