ABHANG GATHA

Seeker of Spirituality?
Lover of Exquisite Poetry?
Look No Beyond "One Hundred Poems of Tukaram"! This book is a collection of selected poems of Tukaram, the greatest poet from India, who finely blends worldly

wisdom with spirituality. Though written in the seventeenth century, Tukaram's poetry hold its relevance in our own twenty-first century that is facing so many self-created evils! These poems will heal your bruised mind with their spiritual touch and at the same time enrich it with their worldly wisdom! Much needed fine balance indeed!!! Tukaram was a seventeenth century Indian poet who challenged the norms of the day, whether literary, social or religious in his

poems that not only energized a decaying society but also influenced the centuries to come. Tukaram's poetry hold its rejuvenating powers even in the turbulent times of our own twenty-first century. One Hundred Poems of Tukaram is a translation of selected poems of this visionary poet who makes his reader see every aspect of life in a new light, enabling them to rethink the whole world in more positive terms. Tukaram's reputation as one of the

greatest poets born in India resides on his four thousand or so extant poems which he composed in Marathi, his mother tongue. Unlike most of the poets of the seventeenth century, Tukaram did not write in highly Sanskritised Marathi, instead he chose the colloquial language spoken by the common-most people of his times. This has given a distinct vigour to his compositions which appeal straight to the heart of his readers. By temperament, Tukaram is as candid and

as forthright as imaginable and does not hesitate to write about anything under the sun nor does he consider anything too holy to be left untouched. This makes his poems penetratingly consistent in taking aim at the very core of the questions grappling human existence. Though he wrote almost four hundred years ago, in a very different social milieu than today's globalised and digitized world, somehow he seems to be dealing with and

overcoming exactly the same dilemmas faced by the human populace in the twenty first century the world over. This continuum of human condition is what draws us more and more to the poems of Tukaram. While reading Tukaram, one gets an eerie feeling that Tukaram is a contemporary poet, that the content of his poems is of the present times, that he writes for the current generations. Thus we come across in his poems all that angst that we today experience on

seeing innocent people suffering at the hands of the terrorists, when he exclaims: "Eyes cannot bear to see Such is the devastation Pains of others grieve My heart" It hardly matters that Tukaram is writing in this poem about the horrific droughts of his times that wiped out an entire generation; this becomes an expression of my heart writhing in pain seeing the images of the thousands of Nigerians killed in the Boko Haram attack. It hardly matters that Tukaram is talking about

a nature-inflicted calamity, while our miseries today are self-inflicted. Tukaram's words catch hold of our aching nerve like no contemporary of ours can. **Baba's Gurukul** SUNY Press
About the book: A unique biographical novel in the world based on the thrilling, historical and social aspects in the life of Saint Santaji Jagnade Maharaj Santaji's role is like a thrilling character in the film. The references and periods in the Shivaji regime are based on the

facts which are found through research. This novel is based on a Maharashtrian Saint so it is published in the Marathi language in 2016. Its two editions are sold also. Such a novel on the life of Saint Santaji Jagnade has never been written in any other language in the world and so it is a unique novel. It is intended that the readers throughout the world would take benefit of this novel and so it is translated into English language and is being published About the author: Sanjay V. Yerne is

one of the best Marathi language storytellers, novelists, and critics in the Indian state of Maharashtra. He has published more than twenty books. He became famous for his collection of short stories, Dafar. To date, his three novels are Yodha, Yamuna, Bayari and Dafar, Damru, Surkula. He is the first to write a book on Charoli and has published four other books. He is an elementary teacher and he developed his own teaching method through self-study to help the

school children to read and write English and he named it as English Pattern. He has also published a collection of short stories 'Aniket' for school children. His writing is multifaceted. The present novel 'Warriors' is a translation of the Marathi novel 'Yodha' which has been translated by Professor, Haridas Fitting Sir. What is special about this novel is that it is the first such novel in the world to be researched on the biography of Saint Santaji Jagannade Maharaj. The

plot of this novel takes you to the historical period of Shivaray 400 years ago and compels you to describe the reality of the situation in that period. Therefore, giving justice to this subject and his character for the first time, Santaji is compelling to pay attention to the social, historical, and work of Santaji. Sanjay Yerne's role in making his character global is evident from this.

Theory examines a fairly wide range of issues on political theory as identified at the beginning of the new millennium. It elaborates the nature and significance of political theory, concept of ideology, wi

Buddhism in India SAGE Publications India

Three centuries after Jnaneshwar, devotional poetry had another full flowering in Western India. Tukaram Maharaj was a merchant and householder who seemed to fail at everything. Bankruptcy, the death of

his first wife during a famine, and castigation by the Brahmin orthodoxy forced him into isolation—and there he poured out his longing and devotion in hundreds of songs. At first regarded as mad, musicians, singers, and ordinary villagers began to gather around him by the hundreds to hear his kirtans, celebrations of the Name of God. Tukaram's songs seem to have possessed some magical ability to exactly capture the devotional, egalitarian feeling of the

community of bhaktas. In this brilliant pioneering study of Tukaram by the philosopher and mystic R. D. Ranade, written in the 1930s, Ranade describes what he refers to as the Hegelian dialectic of Tuka's life and poetry: his withdrawal from society, his dark night of the soul, and his emergence from humiliation, confusion and doubt into the state of mystical knowledge and inner joy. While Jnaneshwar always writes from the lofty mountain top of spiritual realization, Tukaram takes us with

him on the journey itself, with all its subtle ordeals and breakthroughs. Tukaram is an important poet, one whose stature in Marathi literature is comparable to that of Shakespeare in English. Ranade's study is an indispensable introduction. *Santaji Jagnade* Lulu Press, Inc Presents a consolidated timeline of medieval India by taking into account the period that marked the end of ancient India, and focusing on the importance of the

transitory centuries when Delhi had begun to surface as the new power center, triggering prominent trends in thought and institutions. This book analyzes the nature of social forces, complexity of causation and the interdependence of change and continuity in the light of the crucial transition from ancient to early medieval India, with the emergence of the Delhi Sultanate and the Vijayanagar-Bahmani kingdoms. Proceeding to detail the most effervescent period in

Indian history - the era of the great Mughals - the text provides an insight into the ideological-philosophical basis of the times, focusing on the Sufi and Bhakti movements, and culminates with the rise of the Marathas, the advent of European companies, and the eventual establishment of the British in Bengal. Keeping in mind that the history of medieval India has not moved in a linear fashion, and that much of the period saw phases of expansion and

realignment of political attributes, this book contributes to a deeper understanding of the much misread period of Indian history with a view that takes into account the resultant interface between the political, social, economic, religious and cultural elements and devotes to this crucial period the attention it deserves.

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children.

“The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”

Stories from the Panchatantra Sterling Publishers Pvt. Ltd
Originally written in Marathi, ‘Ayurveda Garbha Sanskar’ is a book that serves as a guide to a couple who are looking to start a family, starting out by getting pregnant, giving birth to a healthy child and nurturing the

little one. The book comprehensively provides people everything that a person wants to know about conceiving, pregnancy and delivery to nurturing the little one for up to 2 years of age. Not simply a book laden with known-lectures, rather this book can be seen as an elaboration of various ancient Ayurvedic practices that leads to the complete well-being of the mother and child's physical, spiritual and psychological health. It also advises on the traditional herb mixes,

yoga, music and mantras that the new-mothers or the mothers-to-be may find helpful. Besides, this book also charts a nutritious Ayurvedic diet-plan for the couples to detoxify their bodies and be healthy in the right sense of the term. Once a mother conceives, she must be able to nourish and condition the little one in her womb. Likewise, this book also provides a month-by-month nutrition plan that helps in proper nourishment of the baby. Yoga and full-body herbal

oil massages during pregnancy are also recommended for the mothers-to-be along with a list of health tonics prescribed in this book. In order to reach out to more people worldwide, this book has been translated in English, and is available in hardcover.

This book is an historical survey of Buddhism in India and shows how over a period of 2500 years, Buddhism has been engaged in a struggle against caste-hierarchy. It has challenged Brahmanism, the main exploitative system of traditional Indian society, and instead endeavoured to build religious egalitarianism. The book focuses on the question of what is the 'core' element in Buddhist Dhamma, on what role it has played in the development of Indian civilization, and the

changed perspective of Buddhism in a modern industrial age. The author starts with the rise of Buddhism in the middle of the second millenium BC amidst crucial cultural and social developments. The teachings of Buddha and the different forms of Buddhism have been discussed. Here the contrast between Buddhism and Brahmanism with regard to the caste system, the origin and role of state, the approach to various social groups and the position of women is well

defined. The author examines the civilizational impact of Buddhism, its connections with ancient India's leading role in trade, its spread and popularity in South and Southeast Asia, its role in fostering a dynamic and open society as against the hierarchical, village-bound, caste-defined Brahmanical social system. Then came the defeat of Buddhism in India and the reassertion of Brahmanism. For centuries Buddhism retreated to what some term as its 'underground

survival'. Its relationship with the syncretist Bhakti movement has been another important aspect of the book. Finally the revival of Buddhism in the nineteenth century, the dalit-based success of the religion under Ambedkar and its future in India have been studied. The author argues that Ambedkarian Buddhism can serve as a powerful force for reconstructing society in a new and challenging millenium.
