International Finance and Development Doing Business

Doing Business 2016 is the 13th publication in a series of annual reports comparing business regulation in 189 economies. This year the publication addresses regulations affecting 11 areas of everyday business activity including: Starting a business Dealing with construction permits Getting electricity Registering property Getting credit Protecting minority investors Paying taxes Trading across borders Enforcing contracts Resolving insolvency Labor market regulations Doing Business 2016 updates all indicators as of June 1, 2015, ranks economies on their overall ease of doing business, and analyzes reforms to business regulation identifying which economies are strengthening their business environment the most. This report illustrates how reforms in business regulations are being used to analyze economic outcomes for domestic entrepreneurs and for the wider economy. It is a flagship product produced by the World Bank Group that garners worldwide attention on regulatory barriers to entrepreneurship. More than 60 economies have used the Doing Business indicators to shape reform agendas and monitor improvements on the ground. In addition, the Doing Business data has generated over 2,000 articles in peer-reviewed academic journals since its inception.

A Manual of Style for Contract Drafting BPP Publishing

The focus of this manual is not what provisions to include in a given contract, but instead how to express those provisions in prose that is free of the problems that often afflict contracts.

Patent Transactions in the Life Sciences Zed Books

The law relating to construction in New Zealand is examined in seven Parts: the general law (contracts, torts and statutory controls); contracts for professional services; construction contracts; sub-contracts; supply contracts; the impact of the tort of negligence; and dispute resolution. Includes Tables of Cases and Statutes.

ASEAN Economic Community Blueprint Institute of Southeast Asian Studies

This publication reviews the major financing issues influencing economic development since the historic Monterrey Consensus of the International Conference on Financing for Development in 2002. It contains four main chapters under the headings of: international private capital flows; official development financing; external debt; and systemic issues.

ASEAN Socio-Cultural Community Blueprint 2025 Globe Law and Business Limited

On 28 July 2008, the ASEAN Studies Centre and the Regional Economic Studies Programme, both of the Institute of Southeast Asian Studies, and the Konrad Adenauer Stiftung organized a roundtable on The ASEAN Economic Community Blueprint. The brainstorming session gathered Southeast Asian experts from the region to discuss the AEC Blueprint, which ASEANs leaders had adopted at their summit meeting in November 2007, and the prospects of any obstacles to its implementation by the target year, 2015. The roundtable started with a progress report on the AEC Blueprint given by S. Pushpanathan, Principal Director of Economic Integration and Finance, ASEAN Secretariat, Jakarta. Thereafter, the sessions examined the various aspects of the Blueprint tackling the non-tariff barriers, designing a comprehensive ASEAN Investment Agreement, a regional framework for competition policy, the role of infrastructure development in economic integration, the importance of international production networks in economic integration, etc.

Construction Law in New Zealand American Bar Association

Patent Transactions in the Life Sciences is designed to provide guidance on the structure and detail of those agreements in the life sciences sector that are based on its most import assets - patents and know-how. As a companion to *Intellectual Property in the Life Sciences*, it is intended to cover the practical what, where, why and when of patent transactions in this sector, under the leading legal regimes
