DUNCAN ALEXIS

The Way of Integrity Little, Brown

“One of the most vital and original novelists of her generation.” —Larissa MacFarquhar, *The New Yorker* From the bestselling author of *Americanah* and *We Should All Be Feminists* Fifteen-year-old Kambili and her older brother Jaja lead a privileged life in Enugu, Nigeria. They live in a beautiful house, with a caring family, and attend an exclusive missionary school. They're completely shielded from the troubles of the world. Yet, as Kambili reveals in her tender-voiced account, things are less perfect than they appear. Although her Papa is generous and well

respected, he is fanatically religious and tyrannical at home—a home that is silent and suffocating. As the country begins to fall apart under a military coup, Kambili and Jaja are sent to their aunt, a university professor outside the city, where they discover a life beyond the confines of their father's authority. Books cram the shelves, curry and nutmeg permeate the air, and their cousins' laughter rings throughout the house. When they return home, tensions within the family escalate, and Kambili must find the strength to keep her loved ones together. *Purple Hibiscus* is an exquisite novel about the emotional turmoil of adolescence, the powerful bonds of family, and the bright promise of freedom.

Blue Covenant

Independently Published Before they became legendary writers, Charlotte Brontë, Emily Brontë, and Anne Brontë were detectors in this charming historical mystery... Yorkshire, 1845. A young wife and mother has gone missing from her home, leaving behind two small children and a large pool of blood. Just a few miles away, a humble parson's daughters—the Brontë sisters—learn of the crime. Charlotte, Emily, and Anne Brontë are horrified and intrigued by the mysterious disappearance. These three creative, energetic, and resourceful women quickly realize that they have all the skills required to make for excellent “lady detectors.” Not yet published novelists, they have well-honed imaginations and are expert readers. And, as

Charlotte remarks, "detecting is reading between the lines—it's seeing what is not there." As they investigate, Charlotte, Emily, and Anne are confronted with a society that believes a woman's place is in the home, not scouring the countryside looking for clues. But nothing will stop the sisters from discovering what happened to the vanished bride, even as they find their own lives are in great peril...

Say You're One Of Them Page Street YA

A new movement is spreading across America, bringing hope to existing marriages and new guidelines for marriages yet to be; and Dr. Fred Lowery, in this courageous and insightful book, shares with you the principles of the Covenant Marriage Movement. Every marriage faces storms and struggles that can lead to failure. Unexpected changes, personality conflicts, money problems, and misguided expectations can send even the best of marriages into a tailspin. But this insightful, new book provides real answers through chapters such as "The Difference between a Contract and a Covenant," "Learning How

to Manage Conflict," and "What to Do When Marriage Is Not What You Expected." Covenant marriages will stand the test of time, change, and personal problems and will shine with brilliance in a world that is besieged by divorce. This book will not only impact your life, but will impact marriages for generations to come. The principles, power, and pattern for a covenant marriages will help you and your spouse stay together in your marriage for life.

The Read Aloud Handbook
W. W. Norton & Company
LONGLISTED FOR THE 2021 BOOKER PRIZE AND SHORTLISTED FOR THE 2022 DYLAN THOMAS PRIZE A NEW YORK TIMES BESTSELLER 2021, OPRAH BOOK CLUB PICK AND BARACK OBAMA SELECTION 'A fine, lyrical novel, impressive in its complex interweaving of the grand and the intimate, of the personal and political' Observer
Landry and Prentiss are two brothers born into slavery, finally freed as the American Civil War draws to its bitter close. Cast into the world without a penny to their names, their only hope is to find work in a society that still views them with nothing but intolerance.

Farmer George Walker and his wife Isabelle are reeling from a loss that has shaken them to their core. After a chance encounter, they agree to employ the brothers on their land, and slowly the tentative bonds of trust begin to blossom between the strangers. But this sanctuary survives on a knife's edge, and it isn't long before a tragedy causes the inhabitants of the nearby town to turn their suspicion onto these new friendships, with devastating consequences. '[A] highly accomplished debut' Sunday Times Readers have been swept away by *The Sweetness of Water*: 'Such a powerful, magnificent book; I urge you to read it. The comparisons with Colson Whitehead are justified' ***** 'A staggering debut and a story that stays with you' ***** 'Thought-provoking and moving . . . a gripping and compelling novel that exposes flaws, mixed emotions and imperfect relationships, and yet it holds on with determination and hope. It fully deserves a 5-star rating' ***** 'Outstanding . . . A book that deserves widespread recognition and a wide audience' *****

OPRAH'S BOOK CLUB PICK
 - From the New York Times bestselling author of Cutting for Stone comes a stunning and magisterial epic of love, faith, and medicine, set in Kerala, South India, following three generations of a family seeking the answers to a strange secret "One of the best books I've read in my entire life. It's epic. It's transportive . . . It was unputdownable!"-Oprah Winfrey, OprahDaily.com
 The Covenant of Water is the long-awaited new novel by Abraham Verghese, the author of the major word-of-mouth bestseller Cutting for Stone, which has sold over 1.5 million copies in the United States alone and remained on the New York Times bestseller list for over two years. Spanning the years 1900 to 1977, The Covenant of Water is set in Kerala, on South India's Malabar Coast, and follows three generations of a family that suffers a peculiar affliction: in every generation, at least one person dies by drowning- and in Kerala, water is everywhere. At the turn of the century, a twelve-year-old girl from Kerala's long-existing Christian community, grieving the

death of her father, is sent by boat to her wedding, where she will meet her forty-year-old husband for the first time. From this unforgettable new beginning, the young girl-and future matriarch, known as Big Ammachi-will witness unthinkable changes over the span of her extraordinary life, full of joy and triumph as well as hardship and loss, her faith and love the only constants. A shimmering evocation of a bygone India and of the passage of time itself, The Covenant of Water is a hymn to progress in medicine and to human understanding, and a humbling testament to the difficulties undergone by past generations for the sake of those alive today. It is one of the most masterful literary novels published in recent years.

Rising Covenant Hachette UK

According to the biblical narrative, in addition to the Ten Commandments, Moses received a series of supplementary instructions to guide the people as they set about establishing a society in conformity with the covenant that are to be found in the so-called the Book of the Covenant. The book, which is imbedded

in the biblical book of Exodus essentially contains addenda or amendments to longstanding customary laws with which the children of Israel were already familiar, and for this reason its various components vary widely in scope, depending on the extent of differentiation from customary law that they entail. This study of the ordinances in the Book of the Covenant focuses not only on what they meant for the ancient Israelites but also how those laws, rules, instructions, and admonitions were treated and in some instances modified as they were incorporated into the huge corpus of Jewish Law, as it emerged over a period of some two and a half millennia.

The Covenant of Water (Oprah's Book Club)

The History Press
 From the celebrated author of The Secret Life of Bees and the forthcoming novel The Book of Longings, a novel about two unforgettable American women. Writing at the height of her narrative and imaginative gifts, Sue Monk Kidd presents a masterpiece of hope, daring, the quest for freedom, and the desire to have a voice in

the world. Hetty "Handful" Grimke, an urban slave in early nineteenth century Charleston, yearns for life beyond the suffocating walls that enclose her within the wealthy Grimke household. The Grimke's daughter, Sarah, has known from an early age she is meant to do something large in the world, but she is hemmed in by the limits imposed on women. Kidd's sweeping novel is set in motion on Sarah's eleventh birthday, when she is given ownership of ten year old Handful, who is to be her handmaid. We follow their remarkable journeys over the next thirty five years, as both strive for a life of their own, dramatically shaping each other's destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love. As the stories build to a riveting climax, Handful will endure loss and sorrow, finding courage and a sense of self in the process. Sarah will experience crushed hopes, betrayal, unrequited love, and ostracism before leaving Charleston to find her place alongside her fearless younger sister, Angelina, as one of the

early pioneers in the abolition and women's rights movements. Inspired by the historical figure of Sarah Grimke, Kidd goes beyond the record to flesh out the rich interior lives of all of her characters, both real and invented, including Handful's cunning mother, Charlotte, who courts danger in her search for something better. This exquisitely written novel is a triumph of storytelling that looks with unswerving eyes at a devastating wound in American history, through women whose struggles for liberation, empowerment, and expression will leave no reader unmoved. Covenant Penguin Tortured by nightmares that someone is coming to take over his kingdom, King Herod grows more paranoid.

The Revisioners St.

Martin's Griffin

In this "raucous, moving, and necessary" story by a Pulitzer Prize finalist (San Francisco Chronicle), the De La Cruzes, a family on the Mexican-American border, celebrate two of their most beloved relatives during a joyous and bittersweet weekend. "All we do, mija, is love. Love is the answer. Nothing stops it. Not

borders. Not death." In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two bittersweet days in their San Diego neighborhood, the revelers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime country and allowed them to flourish in the land they have come to call home. Teeming with brilliance and humor, authentic at every turn, *The House of Broken Angels* is Luis Alberto Urrea at his best, and cements his reputation as a storyteller of the first rank. "Epic . . .

Rambunctious . . . Highly entertaining." -- New York Times Book Review "Intimate and touching . . . the stuff of legend." -- San Francisco Chronicle "An immensely charming and moving tale." -- Boston Globe National Bestseller and National Book Critics Circle Award finalist A New York Times Notable Book One of the Best Books of the Year from National Public Radio, American Library Association, San Francisco Chronicle, BookPage, Newsday, BuzzFeed, Kirkus, St. Louis Post-Dispatch, Literary Hub *Cutting for Stone* Simon and Schuster

The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he

called “Double Consciousness,” a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois’s words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois’s Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicassetta, where her mother’s family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that’s made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family’s past, uncovering the shocking tales of generations of ancestors—Indigenous,

Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself.

Purple Hibiscus Maggid Offers compelling evidence that the Knights Templar may have taken the Ark of the Covenant to the British Isles • Presents scientific evidence affirming the powers attributed to the Ark • Traces the Ark and the Stones of Fire from Jerusalem to Jordan and finally to central England, where the Knights Templar hid them in the 14th century According to legend the Ark of the Covenant was an ornate golden chest that was both a means of communicating with God and a terrible weapon used against the enemies of the ancient Israelites. In order to use it the high priest had to wear a breastplate containing twelve sacred gemstones called the Stones of Fire. These objects were kept in the Great Temple of Jerusalem until they vanished following the Babylonian invasion in 597 B.C.E. At the ancient ruins of Petra in southern

Jordan, Graham Phillips uncovered evidence that 13th-century Templars found the Ark and the Stones of Fire, and that they brought these treasures back to central England when they fled the persecution of French king Philip the Fair a century later. The author followed ciphered messages left by the Templars in church paintings, inscriptions, and stained glass windows to what may well be three of the Stones of Fire. When examined by Oxford University scientists these stones were found to possess odd physical properties that interfered with electronic equipment and produced a sphere of floating light similar to ball lightning. The Bible asserts that the Ark had the power to destroy armies and bring down the walls of cities. Now Graham Phillips provides scientific evidence that these claims may be true and offers compelling documentation that the Ark may be located in the English countryside, not far from the birthplace of William Shakespeare at Stratford-upon-Avon. [The World According to Fannie Davis](#) Simon and Schuster In the bestselling tradition

of Bill Bryson and Tony Horwitz, Rinker Buck's *The Oregon Trail* is a major work of participatory history: an epic account of traveling the 2,000-mile length of the Oregon Trail the old-fashioned way, in a covered wagon with a team of mules—which hasn't been done in a century—that also tells the rich history of the trail, the people who made the migration, and its significance to the country. Spanning 2,000 miles and traversing six states from Missouri to the Pacific Ocean, the Oregon Trail is the route that made America. In the fifteen years before the Civil War, when 400,000 pioneers used it to emigrate West—historians still regard this as the largest land migration of all time—the trail united the coasts, doubled the size of the country, and laid the groundwork for the railroads. The trail years also solidified the American character: our plucky determination in the face of adversity, our impetuous cycle of financial bubbles and busts, the fractious clash of ethnic populations competing for the same jobs and space. Today, amazingly, the trail is all but forgotten. Rinker Buck

is no stranger to grand adventures. The *New Yorker* described his first travel narrative, *Flight of Passage*, as “a funny, cocky gem of a book,” and with *The Oregon Trail* he seeks to bring the most important road in American history back to life. At once a majestic American journey, a significant work of history, and a personal saga reminiscent of bestsellers by Bill Bryson and Cheryl Strayed, the book tells the story of Buck's 2,000-mile expedition across the plains with tremendous humor and heart. He was accompanied by three cantankerous mules, his boisterous brother, Nick, and an “incurably filthy” Jack Russell terrier named Olive Oyl. Along the way, Buck dodges thunderstorms in Nebraska, chases his runaway mules across miles of Wyoming plains, scouts more than five hundred miles of nearly vanished trail on foot, crosses the Rockies, makes desperate fifty-mile forced marches for water, and repairs so many broken wheels and axels that he nearly reinvents the art of wagon travel itself. Apart from charting his own geographical and emotional adventure,

Buck introduces readers to the evangelists, shysters, natives, trailblazers, and everyday dreamers who were among the first of the pioneers to make the journey west. With a rare narrative power, a refreshing candor about his own weakness and mistakes, and an extremely attractive obsession for history and travel, *The Oregon Trail* draws readers into the journey of a lifetime.

To Break a Covenant
Createspace Independent Publishing Platform
Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, *Cutting for Stone* is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

Algonquin Books

A cautionary account of
climate change and the
global water supply. "You
will not turn on the tap in
the same way after
reading this book."

—Robert Redford In a
book hailed by Publishers
Weekly as a "passionate
plea for access-to-water
activism," *Blue Covenant*
addresses an
environmental crisis
that—together with global
warming—poses one of
the gravest threats to our
survival. How did the
world's most vital
resource become
imperiled? And what must
we do to pull back from
the brink? In "stark and
nearly devastating prose",
world-renowned activist
and bestselling author
Maude Barlow—who is
featured in the acclaimed
documentary
Flow—discusses the state

of the world's water.
Barlow examines how
water companies are
reaping vast profits from
declining supplies, and
how ordinary people from
around the world have
banded together to
reclaim the public's right
to clean water, creating a
grassroots global water
justice movement. While
tracing the history of
international battles for
the right to water, she
documents the life-and-
death stakes involved in
the fight and lays out the
actions that we as global
citizens must take to
secure a water-just world
for all (Booklist). "Sounds
the water alarm with
conviction and authority."
—Kirkus Reviews "This
book proves that water
deserves another
destiny." —Eduardo
Galeano "Blue Covenant
will inspire civil society
movements around the
world." —Vandana Shiva

Paper Hearts Tinder Press
It was theology against politics. Ordinary men against changing systems of government and belief, fighting for what they believed was right. "The Bloody Covenant" tells the story of a period in which two rival forms of the same belief jostled to become the dominant theology in Scotland, and of how the Presbyterian covenants drove its followers into a century and a half of discrimination, violence and destruction. Of how the government of Great Britain and Ireland dealt with the northern threat of divided religious thought and the real danger of revolution. Ronald Ireland's account of the bloody history of the era is brought to life

by following one ordinary man from one ordinary burgh of Scotland. An authoritative guide to how the big decisions made by some of most important people in the land affected individuals as well as the country as a whole, it is an essential

and accessible read for anyone interested in the British civil wars of the seventeenth century. [Keepers of the Covenant \(The Restoration Chronicles Book #2\)](#)
