Books

At a crucial moment after the cliffhanger ending of book one, The Immortals of Meluha, the warrior-hero Shiva--the man who is the prophesied Neelkanth, or destroyer of evil--is fighting to protect

his wife Sati from an invasion by the Nagas, a mysterious militaristic society. Evil forces are growing in strength all around the conflict, and Shiva's own philosopher-guides have betrayed his unquestioning faith by accepting aid from the dark side. Even the idyllic empire of Meluha hides a terrible secret. Accompanied by his troop of warriors, Shiva travels East to the land of Branga in hopes of discovering clues as to the whereabouts of the Naga people. The journey concludes in the Naga capital of Panchavati, where a surprise awaits him that will change the balance of power...

From the USA Today bestselling author of *A Curve in the Road* comes a spellbinding novel about one woman's love, loss, and courage during wartime. After a crushing betrayal by the man she loves, Gillian Gibbons flees to her family home for a much-needed escape, but when she finds an old photograph of her grandmother in the arms of a Nazi officer, Gillian's life gets even more complicated. Rattled by the discovery,

Gillian attempts to unravel the truth behind the photos, setting her off on an epic journey through the past... 1939. England is on the brink of war as Vivian Hughes falls in love with a handsome British official, but when bombs begin to fall and Vivian's happy life is destroyed in the blitz, she will do whatever it takes to protect those she loves... As Gillian learns more about her grandmother's past, the old photo begins to make more sense. But for every question answered, a new one takes its place. Faced with a truth that is not at all what she expected, Gillian attempts to shine a light not only on the mysteries of her family's past but also on her own future. This gorgeously written multigenerational saga is a heart-wrenching yet hopeful examination of

one woman's struggle to survive, perfect for fans of *The Nightingale* and *Beneath a Scarlet Sky*.

Campfire

Developed out of the aesthetic philosophy of cha-no-yu (the tea ceremony) in fifteenth-century Japan, wabi sabi is an aesthetic that finds beauty in things imperfect, impermanent, and incomplete. Taken from the Japanese words wabi, which translates to less is more, and sabi, which means attentive melancholy, wabi sabi refers to an awareness of the transient nature of earthly things and a corresponding pleasure in the things that bear the mark of this impermanence. As much a state of mind—an awareness of the things around us and an acceptance of our

surroundings—as it is a design style, wabi sabi begs us to appreciate the simple beauty in life—a chipped vase, a quiet rainy day, the impermanence of all things. Presenting itself as an alternative to today's fast-paced, mass-produced, neon-lighted world, wabi sabi reminds us to slow down and take comfort in the simple, natural beauty around us. In addition to presenting the philosophy of wabi-sabi, this book includes how-to design advice—so that a transformation of body, mind, and home can emerge. Chapters include: History: The Development of Wabi Sabi Culture: Wabi Sabi and the Japanese Character Art: Defining Aesthetics Design: Creating Expressions with Wabi Sabi Materials Spirit: The Universal Spirit of Wabi Sabi

 Mahima Mehra did it. Ranjiv

Ramchandani did it. Kalyan Varma did it. Connect the Dots is the story of 20 enterprising individuals without an MBA, who started their own ventures. They were driven by the desire to prove themselves. To lead interesting, passionate, meaningful lives. Their stories say one thing loud and clear. You don't need a fancy degree or a rich daddy to dream big and make it happen. It's all in your head, your heart, your hands.

Your Dreams Are Mine Now Harper Collins

Benazir Bhutto returned to Pakistan in October 2007, after eight years of exile, hopeful that she could be a catalyst for change. Upon a tumultuous reception, she survived a suicide-bomb attack that killed nearly two hundred of her

countrymen. But she continued to forge ahead, with more courage and conviction than ever, since she knew that time was running out—for the future of her nation, and for her life. In Reconciliation, Bhutto recounts in gripping detail her final months in Pakistan and offers a bold new agenda for how to stem the tide of Islamic radicalism and to rediscover the values of tolerance and justice that lie at the heart of her religion. With extremist Islam on the rise throughout the world, the peaceful, pluralistic message of Islam has been exploited and manipulated by fanatics. Bhutto persuasively argues that America and Britain are fueling this turn toward radicalization by supporting groups that serve only short-term interests. She

believed that by enabling dictators, the West was actually contributing to the frustration and extremism that lead to terrorism. With her experience governing Pakistan and living and studying in the West, Benazir Bhutto was versed in the complexities of the conflict from both sides. She was a renaissance woman who offered a way out. In this riveting and deeply insightful book, Bhutto explores the complicated history between the Middle East and the West. She traces the roots of international terrorism across the world, including American support for Pakistani general Zia-ul-Haq, who destroyed political parties, eliminated an independent judiciary, marginalized NGOs, suspended the protection of human rights, and aligned Pakistani intelligence agencies

with the most radical elements of the Afghan mujahideen. She speaks out not just to the West, but to the Muslims across the globe who are at a crossroads between the past and the future, between education and ignorance, between peace and terrorism, and between dictatorship and democracy. Democracy and Islam are not incompatible, and the clash between Islam and the West is not inevitable. Bhutto presents an image of modern Islam that defies the negative caricatures often seen in the West. After reading this book, it will become even clearer what the world has lost by her assassination.

Take Me Home Garuda Prakashan
Today, Shiva is a god. But four thousand years ago, he was just a man - until he

brought his people to Meluha, a near-perfect empire founded by the great king Lord Ram. There he discovered he was the Neelkanth, a barbarian long prophesied to be Meluha's savior. But in his hour of victory fighting the Chandravanshis - Meluha's enemy - he discovered they had their own prophecy. Now he must fight to uncover the treachery within his inner circle, and unmask those who are about to destroy all that he has fought for. Shiva is about to learn that good and evil are two sides of the same coin...

In a drastic re-evaluation of astronomy observations from Mahabharata, using high-tech tool of modern astronomy and low-tech tool of the logic of scientific discovery, Nilesh Oak's extraordinary book presents ordinary theory of astronomy observations that would lead to a quantum jump in our understanding of the Mahabharata War: How a theory based on single unifying idea corroborates 100+ astronomy observations Where to search for the year of the Mahabharata War - Epoch of 6500 years & Compact time interval of 3000 years How a single observation, previously known but unexplained, falsifies 96% of all proposals for the year of the Mahabharata War Why does it matter how long Bhishma was lying on

the bed of arrows How ancient is the tradition of meticulous astronomy observations. Acceptance of his theory leads to surprising conclusions about our current understanding of world civilizations, domestication of horses, dating of Ramayana or Vedas and antiquity of meticulous astronomy observations. Rejection of his theory would compel us to search for the likes of Newton and Lagrange, among the Sages of India, at least thousand years before Sir Isaac Newton & Joseph-Louis Lagrange. Praise for 'When did the Mahabharata War Happen?: The Mystery of Arundhati' "You have done a great job. I requested astronomers to consider if Arundhati had gone ahead of Vasisth in 1971, when I published 'Swayambhu' . But nobody cared. You are the first to do

the great job " - P V Vartak (Author of 'Swayambhu' & 'Wastav Ramayana')--- "Grueling and unfaltering logic"--- I have to thank you for being the cause for a quantum leap in my own knowledge of general astronomy as well as Hindu astronomy / calendrical systems over a very short span of time. In some ways the effect of your book has some parallels with Rajiv Malhotra's 'Being Different', though in a very different context. RM never intended his book as a primer on Dharma / Hinduism - but nevertheless it introduced many aspects of Dharma in a light which would be new even to a practitioner. Similarly, even though I am sure you never intended your book to act as an exploration of key astronomical principles and Vedic astronomy - that has definitely been a

key side benefit, at least from my perspective.--- "Indology" has been populated by linguists and my respect for their work has gone down by several notches when I look at the shoddy assumptions many are prone to make. Science and rigor the way Nilesch Oak has used seems to be unknown to these Indologists. I bet that not one of those horse bone chewers can understand what Archeo-astronomy means. Their awareness extends to looking at Archeo-asses and saying it was not Equus caballus.--- I am simply 'natmastak' to Shri Oak for the amazing piece of deductive reasoning applied by him in interpreting the 'Arundhati is leading Vasistha' remark. I think Shri Oak is not only on sound footing but also has clearly exhibited every 'lakshan' of a

true seeker of knowledge in the finest Indian traditions. I cannot recall if he mentioned whether anybody else (other than him) thought of the EOA approach. If he is the first one, he deserves billions of thanks from all the Bharatiyas in the last 7000+ years. Oak saheb, aamcha maanacha mujra sweekar karava hee vinanti.--- It is interesting how all Indologists the world over talk about linguistics and horse, but never mentions archaeoastronomy Perhaps the focus of the national and international debate on Aryan Invasion/Migration Theory needs to change.--- I do not want to sound obsequious, but the work you have done is nothing less than tremendous. Thank you, and keep it up.-
-- I have verified Nilesh Oak's elimination of "errors." A bow Excellent --- Your

rigorous methodology was simply a pleasure to read and that got me started off on my efforts to dabble in archeoastronomy.

The Japanese Art of Impermanence
McGraw-Hill Education

'It can't be love . . .' he thinks and immediately his heart protests. They are complete opposites! She's a small town girl who takes admission in Delhi University (DU). An idealist, studies are her first priority. He's a Delhi guy, seriously into youth politics in the DU. He fights to make his way. Student union elections are his first priority. But then opposites attract as well! A scandal on campus brings them together, they begin to walk the same path and somewhere along, fall in love . . . But their fight against evil comes at a heavy

price, which becomes the ultimate test of their lives. Against the backdrop of dominant campus politics, *Your Dreams Are Mine Now* is an innocent love story that is bound to evoke strong emotions in your heart.

Oracle Database 10g The Complete Reference Harper Collins

Sanskrit Non-Translatables is a path-breaking and audacious attempt at Sanskritizing the English language and enriching it with powerful Sanskrit words. It continues the original and innovative idea of nontranslatability of Sanskrit, first introduced in the book, *Being Different*. For English readers, this should be the starting point of the movement to resist the digestion of Sanskrit into English, by introducing loanwords into their English vocabulary

without translation. The book presents a thorough mechanism of the process of digestion and examines the loss of adhikara for Sanskrit because of translating its core ideas into English. The movement launched by this book will resist this and stop the programs that seek to turn Sanskrit into a dead language by translating all its treasures to render it redundant. It discusses fifty-four non-translatables across various genres that are being commonly mistranslated. It empowers English speakers with the knowledge and arguments to introduce these Sanskrit words into their daily speech with confidence. Every lover of India's sanskriti will benefit from the book and become a cultural ambassador propagating it through routine

communications.

Reconciliation Penguin UK

Get a thorough understanding of Oracle Database 10g from the most comprehensive Oracle database reference on the market, published by Oracle Press. From critical architecture concepts to advanced object-oriented concepts, this powerhouse contains nearly 50 chapters designed to enlighten you. Upgrade from earlier versions, use SQL, SQL Plus, and PL/SQL. Get code examples and access popular documentation PDFs--plus a full electronic copy of the book on the included CD-ROM. Go beyond the basics and learn security, text searches, external tables, using Java in Oracle, and a great deal more.

The Importance of Sanskritizing English

Sahitya Akademi

Campfire's World War II: Against The Rising Sun focuses on the war in the East, through the eyes of the servicemen and civilians on both sides of the conflict. From the invasion of Manchuria by Japan in 1937, right through to the dropping of the atomic bombs on Hiroshima and Nagasaki, we witness the end of the British Empire, the rise and fall of Japan and destruction the likes of which the world must never know again. While authoritative texts on World War Two often tend to focus disproportionately on the European theater of war, the Pacific theater was no less dramatic, with its roots stretching back to the early 1930s. This book tells the history of World War Two in the Pacific theater, told from many

perspectives.

The Lord and Master of Gujarat

Garuda Publications

What is more important: a successful career or a happy marriage? In the small town of Hubli, Shrikant discovers that he is attracted to his plain-looking but charming neighbour Shrimati, who always does better than him in the school exams. Shrimati too falls in love with the amiable and handsome Shrikant and the two get married. Shrikant joins an IT company and starts rapidly climbing the corporate ladder. He works relentlessly and reaches the pinnacle of his industry, while Shrimati abandons her academic aspirations and becomes his uncomplaining shaw, silently fulfilling her duties as a corporate leader's wife. But one day, while talking

to an old professor, she starts examining what she has done with her life and realizes it is dismally empty... Gently Falls the Bakula is the story of a marriage that loses its way as ambition and self-interest take their toll. Written nearly three decades ago, Sudha Murty's first novel remains startlingly relevant in its scrutiny of modern values and work ethics.

The Complete Reference McGraw-Hill Osborne Media

The nullification of Article 370 and enactment of the Citizenship (Amendment) Act (CAA), 2019, had been landmark legislative actions in 2019. Author Sanjay Dixit delves deep into the past and traces the events, actions and their repercussions that finally led to the Union of India introducing these two

measures. He looks at these events from all perspectives-historical, social and political. For Article 370, he traces the entire history of Kashmir from its pre-Islamic past and to the events that unfolded at the time of the Partition of India, leading to the initial inclusion of Article 370 in the Constitution of India. Dixit also studies in detail the legal and constitutional labyrinths, discussing the various Presidential Orders and case laws from the Constitutional Bench jurisdiction of the Supreme Court. For CAA, Dixit traces the constitutional history of India from the time of the partition of Bengal in 1905 to the unfortunate events of the Partition in 1947. His study relies heavily on Dr. B.R. Ambedkar's analysis of the reasons for the Partition and the theology of a

'separate nation' that prevailed during the period. The author contends that this same theology has been staging a comeback now in the form of mazhabi pehchan which forms the crux of the anti-CAA protests. The informed position of the author, his lucidity of language and directness of approach lend clarity to his arguments and make this an accessible and important read.

A New Way of Narrating the Ramayana Scribner

This 10th anniversary edition of I Too had a Love Story brings to life one of the decade's most-loved romance novels with gorgeous illustrations in a brand new design. With a personal note from the author, this book is a collector's edition. It will also make for a fabulous gift. Do love stories ever die? . . . How

would you react when a beautiful person comes into your life, and then goes away from you . . . forever? Not all love stories are meant to have a perfect ending. I Too Had a Love Story is one such saga. It is the tender and heartfelt tale of Ravin and Khushi--two people who found each other on a matrimonial site and fell in love . . . until life put their love to the ultimate test. Romantic, emotional and sincere, this heartbreaking true life story has already touched a million hearts. This bestselling novel is a must-read for anyone who believes in the magic of

love . . .

I Have a Dream Penguin UK

I Have A Dream is the story of 20 idealists who think and act like entrepreneurs. They are committed to different causes, but they have one thing in common: a belief that principles of management can and must be used to achieve a greater common good. These stories say one thing loud and clear change starts with one person, and that person could be someone next door. Someone like you.
