CogAT Form 7 - Practice Test 1 Lulu.com

Top Grader has been coaching children on the gifted and talented tests for more than three years. When we got requests from parents to coach their children on the CogAT®, we went looking around for practice material on this test. While we started with what was 'available' in the market, we quickly realized that we could give these children a much better preparation if we developed quality content on our own. So our academicians got on the job. After reviewing a lot of study material on CogAT® available both online and in print, we found that there is a void when it comes to high-quality, structured, and relevant content for the CogAT® test. This book is an attempt to fill that void; every question in this book has been carefully developed to provide children with the most appropriate content for practice. What's even better is that all the questions in this book are in 'full-color', something that is essential to simulate the real CogAT® test experience but is hard to find in the current marketplace. Although we cannot guarantee that the content of this book will help every child ace the CogAT®, we do assure you, based on our experience coaching prospective CogAT® test takers, that if a child solved all the problems available in the two practice tests in this book, his or her chances of getting a high score will improve greatly. If you feel your child needs personal attention and hand-holding to prepare for the CogAT®, we encourage you to take advantage of our one-on-one online tutoring for the CogAT® test at www.top-grader.com. The Top Grader team wishes you and/or your child 'best of luck' for the CogAT® test! We value your feedback to help us improve our products and services, hence if you have any questions, comments, or suggestions, please do not hesitate to reach out to us at feedback@top-grader.com.

CogAT Practice Test (Grade 2) Gateway Gifted Resources

The CogAT(r) (Cognitive Abilities Test(r)) is given in conjunction with the Iowa Assessments, Form E to provide an Ability Profile score that indicates both the level and pattern of a student's ability. These tests can be used to determine eligibility for Gifted and Talented programs. The Level 5/6 test is given to students in Kindergarten. Contact your school for more information about requirements for admission into the Gifted and Talented program at your school. Who can use this CogAT(R) Prep Guide and Practice Test? Gifted and Talented Test Preparation for 2nd Grade: The standardized test prep workbook is for 1st grade students who are taking the CogAT test to gain admission to Grade 2 gifted and talented programs. Gifted and Talented Test Preparation for 1st Grade Kindergarten students can also use this practice test to develop and hone cognitive skills that will be tested in 1st grade for admission to 2nd grade gifted and talented programs. Why use our books? Our goal is to provide you with the very best CogAT test prep materials, and the best value for your money. We created our test prep material because we could not find enough good practice material to effectively prepare students for gifted and talented tests. As tutors and teachers, we have used various test prep books and have found that they either have an incorrect difficulty level or are overly expensive. After studying original materials from test creators and testing them on children, we are confident our materials and tests reflect the real CogAT(R) both in difficulty and in structure
