Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying

both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of

America's fastest growing religion, and raises provocative questions about the nature of religious belief.

A Tale of the Rise of the Dutch Republic
Quality Chess

The Dutch Defence has a well-deserved reputation for being an uncompromising and aggressive opening; it is used by attack-minded players who are determined to win. The Leningrad system is one of the most popular and dynamic variations of the Dutch, and is a particular favourite of the younger generation of Russian and former Soviet Grandmasters. Joan Ehlvest, one of the greatest modern exponents, provides a clear explanation of the key ideas of the Leningrad variation,

concentrating on dynamic new ideas.

Beautiful Bridesmaids Dressed in Oranje: The Unfulfilled Glory of Dutch Football is the story of a dazzling football dream. Built on the club successes of Ajax and Feyenoord, it's a utopian ideal that blazed with a bright but ephemeral Oranje flame, scorching the football pitches of the

world in the 1970s.

Although Dutch clubs dominated the European Cup from 1969 to 1973, until 1974 the Oranje had failed to qualify for a World Cup for 36 years. Two finals then followed in successive tournaments, as 'totaalvoetbal' burst from its chrysalis, proudly revealing to the world its wings adorned with vivid shades of Oranje. The winners were the brides. It was their day, but the Dutch sides were more beautiful, yet so fragile, and football loved them for it. This isn't merely a tale of bridesmaids who came so close yet failed gloriously. It is the celebration of a footballing counter-culture, a revolution, a flame that burned so brightly, but so briefly.

It's the story of those Beautiful Bridesmaids Dressed in Oranje.

"Welcome to Black Spring, the seemingly picturesque Hudson Valley town haunted by the Black Rock Witch, a seventeenth-century woman whose eyes and mouth are sewn shut. Muzzled, she walks the streets and enters homes at will. She stands next to children's beds for nights on end.

Everybody knows that her eyes may never be opened or the consequences will be too terrible to bear. The elders of Black Spring have virtually quarantined the town by using high-tech surveillance to prevent

their curse from spreading. Frustrated by being kept in lockdown, the town's teenagers, decide to break their strict regulations and go viral with the haunting. But, in so doing, they send the town spiraling into dark, medieval practices of the distant past."--Front dust jacket flap.

This is the astonishing true story of three teenage Dutch girls, Hannie Schaft and sisters Truus and Freddie Oversteegen, that has inspired many throughout the world. When Nazi Germany invaded the Netherlands in World War II, these girls took up arms against the enemy by seducing high-ranking Nazi

officers, luring them into the woods and killing them. They provided Jewish children with safe houses and gathered vital intelligence for the resistance. They did what they did "because it had to be done." Above all, they tried to remain human in inhuman circumstances. Hannie Schaft was executed by the Nazis three weeks before the end of the war and became the icon of female Dutch resistance. Truus and Freddie Oversteegen survived the war, but were forever haunted by the demons of their past.

Cinema has long shaped not only how

mass violence is perceived but also how it is performed. Today, when media coverage is central to the execution of terror campaigns and news anchormen serve as embedded journalists, a critical understanding of how the moving image is implicated in the imaginations and actions of perpetrators and survivors of violence is all the more urgent. If the cinematic image and mass violence are among the defining features of modernity, the former is significantly implicated in the latter, and the nature of this implication is the book's central focus. This book brings together a range of newly commissioned essays and interviews from the world's leading academics and

documentary filmmakers, including Ben Anderson, Errol Morris, Harun Farocki, Rithy Phan, Avi Mograbi, Brian Winston, and Michael Chanan. Contributors explore such topics as the tension between remembrance and performance, the function of moving images in the execution of political violence, and nonfiction filmmaking methods that facilitate communities of survivors to respond to, recover, and redeem a history that sought to physically and symbolically annihilate them

"Dunne's bravura plotting asserts an exhilarating mastery."

—The New York Times Book Review. In John Gregory Dunne's celebrated third novel, Los Angeles-based criminal defense attorney Dutch Shea, Jr. struggles to keep from falling apart after an act of terrorist violence strikes his family, the loss pushing him towards a confrontation with his past and into a mystery involving the death of his father, a felon who died in prison. Set in L.A. and Dunne's hometown of Hartford, Connecticut,

the novel follows Shea into a labyrinth of deception, corruption, and criminal malice. Fighting to keep a host of disturbing memories tamped down, Shea plunges into his legal work, one embedding him in a world of scammers and burglars, pimps and prostitutes, corrupt cops and shady private eyes. With unrivaled detail and pitch-black humor, Dunne takes us into police precincts and criminal courtrooms, judge's chambers and city morgues. The novel's deft noir touches will remind readers of Raymond Chandler and Dashiell Hammett, while Dunne's command of legal dynamics and police procedures anticipates fiction by Scott Turow, John Grisham and

Michael Connelly. Introducing a sweeping cast of two dozen vivid characters, including Shea's sometime girlfriend, a judge who packs a pistol under her robe, Dutch Shea, Jr. - a Zola e-book exclusive - is a gripping, bleakly funny exploration of a fallen world through which its past-haunted hero weaves, beset from within and without, for a series of fraught days.

Liberal Europe, Islam, and the Limits of Tolerance Gambit Paris, 1890. When Sherlock Holmes finds himself chasing an art dealer through the streets of Paris, he's certain he's smoked out one of the principals of a cunning forgery ring responsible for the theft of some of the

Louvre's greatest masterpieces. But for once, Holmes is dead wrong. He doesn't know that the dealer, Theo Van Gogh, is rushing to the side of his brother, who lies dying of a gunshot wound in Auvers. He doesn't know that the dealer's brother is a penniless misfit artist named Vincent, known to few and mourned by even fewer. Officialdom pronounces the death a suicide, but a few minutes at the scene convinces Holmes it was murder. And he's bulldog-determined to discover why a penniless painter who harmed no one had to be

killed—and who killed him. Who could profit from Vincent's death? How is the murder entwined with his own forgery investigation? Holmes must retrace the last months of Vincent's life, testing his mettle against men like the brutal Paul Gauguin and the secretive Toulouse-Lautrec, all the while searching for the girl Olympia, whom Vincent named with his dying breath. She can provide the truth, but can anyone provide the proof? From the madhouse of St. Remy to the rooftops of Paris, Holmes hunts a killer—while the killer hunts him.
