Hitler New York : Summit Books

The diary of Dorian (1893-1956), a Jewish physician and writer, documents the period between December 1937 (the period of the first antisemitic government, led by Goga and Cuza) and August 1944 (when Romania switched sides in World War II). The diary echoes the reactions of Jews and non-Jews (including anti-Jewish stereotypes) to the persecution of Jews in Romania. Refers also to the antisemitic legislation, the pogrom in Bucharest in January 1941, the deportations to Transnistria, and forced labor. Dorian survived the war in Bucharest.

The Conspiracy Against Hitler in the Twilight War OUP

Oxford

Includes entries for maps and atlases.

The Voice of the SS Cambridge University Press

An encyclopedia of topics relating to the German leader such as his most important collaborators and opponents, his domestic and foreign policies, the use of propaganda, racial persecution and the Holocaust, and Hitler as a war leader.

Hitler's Jewish Soldiers Palgrave MacMillan

The author explores the often overlooked historical issue of Jews or "partial Jews" serving in the Germany military--as many as 150,000 men who served as enlisted men, officers, and even generals. (Military History)

National Union Catalog MacMillan

Erik Larson, New York Times bestselling author of *Devil in the White City*, delivers a remarkable story set during Hitler's rise to power. The time is 1933, the place, Berlin, when William E. Dodd becomes America's first ambassador to Hitler's Nazi Germany in a year that proved to be a turning point in history. A mild-mannered professor from Chicago, Dodd brings along his wife, son, and flamboyant daughter, Martha. At first Martha is entranced by the parties and pomp, and the handsome young men of the Third Reich with their infectious enthusiasm for restoring Germany to a position of world prominence. Enamored of the "New Germany," she has one affair after another, including with the surprisingly honorable first chief of the Gestapo, Rudolf Diels. But as evidence of Jewish persecution mounts, confirmed by chilling first-person testimony, her father telegraphs his concerns to a largely indifferent State Department back home. Dodd watches with alarm as Jews are attacked, the press is censored, and drafts of frightening new laws begin to circulate. As that first year unfolds and the shadows deepen, the Dodds experience days full of excitement, intrigue, romance—and ultimately, horror, when a

climactic spasm of violence and murder reveals Hitler's true character and ruthless ambition. Suffused with the tense atmosphere of the period, and with unforgettable portraits of the bizarre Göring and the expectedly charming--yet wholly sinister--Goebbels, *In the Garden of Beasts* lends a stunning, eyewitness perspective on events as they unfold in real time, revealing an era of surprising nuance and complexity. The result is a dazzling, addictively readable work that speaks volumes about why the world did not recognize the grave threat posed by Hitler until Berlin, and Europe, were awash in blood and terror.

Political Leaders and Military Figures of the Second World War Roli Books Private Limited

A pictorial biography of Adolf Hitler.

Assassination! Crown

This new edition features an enlarged and updated bibliography and introduction.

Nazi History and the Holocaust New York : McGraw-Hill

The Conspiracy Against Hitler in the Twilight War was first published in 1968. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. This is the first detailed account in English of the German anti-Nazi plot of September 1939 - May 1940, a conspiracy which involved the services of Pope Pius XII as in intermediary. Much new information is presented, and the book puts the whole story of the German resistance movement in a clearer light than has been possible before. Much of the account is based on the testimony of over fifty witnesses whom Professor Deutsch interviewed or interrogated, comprising virtually all the participants or observers who survived the period. He also had access to previously unavailable French and Belgian documents as well as to diaries and other private material. As the author explains, there were four major rounds of opposition to the Hitler regime, the conspiracy described in this volume being the second. IN many ways it was the round in which circumstances were the most favorable for success. High military quarters were the most fully committed, it was the only plan in which a foreign power at odds with Germany (Britain) took a supporting position, and it was the only instance in which a notable outside figure, Pius XII, made his good offices available as an intermediary. The role of the Pope in this conspiracy has been known in a general way since 1946, but Professor Deutsch's investigation is the first intensive study were at the core of the affair, Josef Muller, the Opposition agent who dealt with the Pope and who later became the Bavarian Minister of Justice, and Rev. Robert Leiber, S.F., the Pope's confidential aide. In his conclusion Professor Deutsch points out that the story of this conspiracy clearly testifies to the moral nature of the German resistance movement. The author writes: "No term recurred more often in these months to define the conflict with the Third Reich than 'the decent Germany.'"

The Hitler Book Peter Lang GmbH, Internationaler Verlag Der Wissenschaften

Traces Hitler's life from his childhood in Austria to his final days in Berlin, exploring how his promises of prosperity and power along with anti-Semitic rhetoric allowed him to lead the nation of Germany into World War II.

Hitler Youth Dartmouth Publishing Company

Pramod Kapoor, the founder and publisher of Roli Books (established in 1978), is a connoisseur of images. A sepia aficionado, he has over the course of his illustrious career conceived and produced award-winning books that have proven to be game changers in the world of publishing. Be it the hit 'Then

and Now' series and the seminal *Made for Maharajas*, or even the internationally acclaimed *New Delhi: The Making of a Capital*. In 2016, he was conferred with the prestigious 'Chevalier de la Legion d'Honneur (Knight of the Legion of Honour), the highest civil and military award in France, for his contribution towards producing books that have changed the landscape of Indian publishing and to promoting India's tangible and intangible heritage within the country and abroad. His first book as author, *Gandhi: An Illustrated Biography*, is the result of years of painstaking research on a subject close to his heart. Kapoor is dedicated towards decoding Gandhi for the modern generation. *United States Army Combat Forces Journal* Public Affairs 'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

The Life and Death of Adolf Hitler W. W. Norton & Company

This is a groundbreaking new study of an overlooked area of Second World War History.

European Elites and Ideas of Empire, 1917-1957 Houghton Mifflin Harcourt

"Das Schwarze Korps (German for The Black Guards) was the official newspaper of the Schutzstaffel (SS). This newspaper was published on Wednesdays and distributed free of charge. Each SS member was supposed to read the publication and urge others to do so as well. The chief editor was SS leader Gunter d'Alquen; the publisher was Max Amann of the Franz-Eher-Verlag publishing company. The paper was hostile to many groups, with frequent articles condemning the Catholic Church (any act interfering with the state being denounced as "political Catholicism"), Jews, Communism, Freemasonry and others."--Wikipedia.
